IMPORTANT NOTICE

The State produces a cassette-recorded version of this voter information guide. These tape recordings are available from most public libraries. If you have a family member or friend who is visually impaired, please inform him or her of this service. Cassettes can be obtained by calling your local public library or county elections official.

VOTER ELECTION MATERIAL

In an effort to reduce election costs, the State Legislature has authorized the State and counties having this capability to mail only one pamphlet to addresses where more than one voter with the same surname resides. If you wish additional copies, you may obtain them by calling or writing to your county elections official.
