★ AMERICAN INDEPENDENT PARTY ★

The American Independent Party is the party of ordered liberty in a nation under God. We believe in strict adherence to written law. We believe the Constitution is the contract America has with itself. Its willful distortion has led to the violation of our Tenth Amendment guaranteed right to limited government—which inevitably requires oppressive taxation. Its faithful application will lift that burden.

Freed from the lawless oppression of Liberal rule, we may then compassionately and justly use our energy and ingenuity to provide for ourselves and our families. We will then establish truly free and responsible enterprise and reassert the basic human right to property.

American Independent Party
Markham Robinson, *State Chairman*
476 Deodara St., Vacaville, CA 95688

We believe in protecting all human life however weak, defenseless, or disheartened; endorse the family as the essential bulwark of liberty, compassion, responsibility, and industry; and declare the family's right and responsibility to nurture, discipline, and educate their children.

We assert the absolute, concurrent Second Amendment guaranteed individual right to self defense coupled with a strong common defense, a common defense which requires a national sovereignty not damaged by imprudent treaties. We oppose all illegal immigration.

We support secure borders and immigration policies inviting the best of the world to join us in freedom.

POLITICAL PARTY STATEMENTS OF PURPOSE

★ DEMOCRATIC PARTY ★

The Democratic Party is building a healthier future for our state and improving the quality of life for all of our residents.

Democrats have long fought to create a vibrant economy, improve education, ensure public safety and national security, expand access to health care, protect a woman's right to choose, and help the struggling middle class.

California Democrats strongly supported President Obama's American Recovery and Reinvestment Act which generated \$21.5 billion in additional federal funding for California, creating nearly 71,000 new jobs and helping thousands of others remain employed.

California Democratic Party
Senator John Burton (Ret.), Chairman
1401 21st Street #200, Sacramento, CA 95811

We believe in rewarding hard work and expanding opportunity for all Californians in order to build stronger and healthier communities.

Democrats welcome decline to state voters to vote in our primary. We understand the need to work together so we can put California's economy back on track through responsible economic stimulation and a focus on creating good jobs.

In 2010, Democrats will work hard to elect a Democratic governor, re-elect Senator Barbara Boxer, and elect Democratic candidates to Congress and the legislature.

★ PEACE AND FREEDOM PARTY ★

The Peace and Freedom Party of California stands for democracy, cooperation, and sharing. We want to organize and educate the public to work together to meet human needs.

The party believes the role of government should be to make sure that everyone has jobs, housing, education, health care, a clean environment, and equal rights. We support marriage equality, immigration rights, organized labor, and universal single-payer health care. We oppose the current U.S. military actions in Iraq and Afghanistan. We

favor sharply increasing taxes on the wealthiest Americans who are best able to pay, and reducing the tax burden on working people.

Our top priorities are:

1. Bring all troops home now.
2. Double the minimum wage.
3. One system of free, quality health care for all.

★ LIBERTARIAN PARTY ★

Libertarians are the only Party that won't legislate your personal morality or economic equality. We are the only party free of the left-right gridlock of entrenched politicians.

- Let parents control tuition dollars so that schools improve through competition.
- Recognize marriage equality, as the Civil Marriage Protection Act would have done.
- Increase the number of healthcare options by tax incentives and reviewing regulations.
- Enable patients' use of medical marijuana by enforcing Prop 215.
- Defend your right to keep and bear arms.
- Protect the environment with green pricing and

congestion fees rather than bureaucratic regulations written by industry lobbyists.

- Join the nine other states that passed the Liberty Amendment, which sets a timetable for repealing the income tax, and restricts federal power to constitutional boundaries.
- Oppose ill-advised foreign interventionism.

Vote Libertarian for practical solutions based on principles of individual freedom, personal responsibility, voluntary cooperation, customer choice, and market incentives. Stand up for the Bill of Rights and limiting the federal government to its Constitutional role of protecting liberty and justice for all—on American soil. Vote Libertarian, and win a free country.
