

QUICK-REFERENCE GUIDE

PROP 32 POLITICAL CONTRIBUTIONS BY PAYROLL DEDUCTION. CONTRIBUTIONS TO CANDIDATES. INITIATIVE STATUTE.

SUMMARY

Put on the Ballot by Petition Signatures

Prohibits unions from using payroll-deducted funds for political purposes. Applies same use prohibition to payroll deductions, if any, by corporations or government contractors. Prohibits union and corporate contributions to candidates and their committees. Prohibits government contractor contributions to elected officers or their committees. Fiscal Impact: Increased costs to state and local government, potentially exceeding \$1 million annually, to implement and enforce the measure's requirements.

WHAT YOUR VOTE MEANS

YES A YES vote on this measure means: Unions and corporations could not use money deducted from an employee's paycheck for political purposes. Unions, corporations, and government contractors would be subject to additional campaign finance restrictions.

NO A NO vote on this measure means: There would be no change to existing laws regulating the ability of unions and corporations to use money deducted from an employee's paycheck for political purposes. Unions, corporations, and government contractors would continue to be subject to existing campaign finance laws.

ARGUMENTS

PRO Prop. 32 CUTS THE MONEY TIE BETWEEN SPECIAL INTERESTS AND POLITICIANS to the full extent constitutionally allowed. Bans contributions from corporations AND unions to politicians. Prohibits contributions from government contractors. Stops payroll withholding for politics, making ALL contributions voluntary. NO LOOPHOLES, NO EXEMPTIONS. Vote YES to clean up Sacramento.

CON Prop. 32 isn't reform—it exempts business Super PACs and thousands of big businesses from its provisions, at the same time applying restrictions on working people and their unions. It's unfair, unbalanced, and won't take money out of politics. The League of Women Voters urges a No vote!

PROP 33 AUTO INSURANCE COMPANIES. PRICES BASED ON DRIVER'S HISTORY OF INSURANCE COVERAGE. INITIATIVE STATUTE.

SUMMARY

Put on the Ballot by Petition Signatures

Changes current law to allow insurance companies to set prices based on whether the driver previously carried auto insurance with any insurance company. Allows proportional discount for drivers with some prior coverage. Allows increased cost for drivers without history of continuous coverage. Fiscal Impact: Probably no significant fiscal effect on state insurance premium tax revenues.

WHAT YOUR VOTE MEANS

YES A YES vote on this measure means: Insurance companies could offer new customers a discount on automobile insurance premiums based on the number of years in the previous five years that the customer was insured.

NO A NO vote on this measure means: Insurers could continue to provide discounts to their long-term automobile insurance customers, but would continue to be prohibited from providing a discount to new customers switching from other insurers.

ARGUMENTS

PRO Californians with car insurance earn a discount for following the law. But if you switch companies you lose the discount. Proposition 33 allows you the freedom to change insurance companies and keep your discount. Proposition 33 makes insurance companies compete, helps lower rates, and will insure more drivers.

CON Proposition 33 is another deceptive insurance company trick. Insurance companies spent millions to pass a similar law in 2010—voters defeated it. Proposition 33 allows auto insurers to *raise premiums on responsible drivers up to \$1,000*, unfairly punishing people who stopped driving for legitimate reasons. Consumer advocates OPPOSE Prop. 33.
