

PROPOSITION 51

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure adds sections to the Education Code; therefore, new provisions proposed to be added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

SECTION 1. Findings and Declarations.

The people of the State of California find and declare all of the following:

(a) Pursuant to the California Constitution, public education is a state responsibility and, among other things, that responsibility requires that public schools be safe, secure, and peaceful.

(b) The State of California has a fundamental interest in the financing of public education and that interest extends to ensuring that K–14 facilities are constructed and maintained in safe, secure, and peaceful conditions.

(c) Since 1998, the State of California has successfully met its responsibility to provide safe, secure, and peaceful facilities through the Leroy F. Greene School Facilities Act of 1998, contained in Article 1 (commencing with Section 17070.10) of Chapter 12.5 of Part 10 of Division 1 of Title 1 of the Education Code.

(d) The State Allocation Board has the authority to audit expenditure reports and school district records in order to assure bond funds are expended in accordance with program requirements, which includes verifying that projects progress in a timely manner and that funds are not spent on salaries or operating expenses.

(e) The people of the State of California further find and declare the following:

(1) California was among the hardest hit of the states during the last recession and while employment gains are occurring, economists caution that the state economy has not yet fully recovered.

(2) Investments made through the Kindergarten Through Community College Public Education Facilities Bond Act of 2016 will provide for career technical education facilities to provide job training for many Californians and veterans who face challenges in completing their education and re-entering the workforce.

(3) Investments will be made in partnership with local school districts to upgrade aging facilities to meet current health and safety standards, including retrofitting for earthquake safety and the removal of lead paint, asbestos, and other hazardous materials.

(4) Studies show that 13,000 jobs are created for each \$1 billion of state infrastructure investment. These jobs include building and construction trades jobs throughout the state.

(5) The Kindergarten Through Community College Public Education Facilities Bond Act of 2016 provides for disadvantaged school districts and local control.

(6) Academic goals cannot be achieved without 21st Century school facilities designed to provide improved school technology and teaching facilities.

(f) Therefore, the people enact the Kindergarten Through Community College Public Education Facilities Bond Act

of 2016 to provide a comprehensive and fiscally responsible approach for addressing the school facility needs for all Californians.

SEC. 2. Section 17070.41 is added to the Education Code, to read:

17070.41. Creation of 2016 State School Facilities Fund.

(a) A fund is hereby established in the State Treasury, to be known as the 2016 State School Facilities Fund. All money in the fund, including any money deposited in that fund from any source whatsoever, and notwithstanding Section 13340 of the Government Code, is hereby continuously appropriated without regard to fiscal years for expenditure pursuant to this chapter.

(b) The board may apportion funds to school districts for the purposes of this chapter, as it read on January 1, 2015, from funds transferred to the 2016 State School Facilities Fund from any source.

(c) The board may make apportionments in amounts not exceeding those funds on deposit in the 2016 State School Facilities Fund, and any amount of bonds authorized by the committee, but not yet sold by the Treasurer.

(d) The board may make disbursements pursuant to any apportionment made from any funds in the 2016 State School Facilities Fund, irrespective of whether there exists at the time of the disbursement an amount in the 2016 State School Facilities Fund sufficient to permit payment in full of all apportionments previously made. However, no disbursement shall be made from any funds required by law to be transferred to the General Fund.

SEC. 3. Part 70 (commencing with Section 101110) is added to Division 14 of Title 3 of the Education Code, to read:

PART 70. KINDERGARTEN THROUGH COMMUNITY COLLEGE PUBLIC EDUCATION FACILITIES BOND ACT OF 2016

Thereafter, Chapter 4.9 (commencing with Section

65995) of Division 1 of Title 7 of the Government Code may be amended pursuant to law.

Article 2. Kindergarten Through 12th Grade School Facilities Fiscal Provisions

101130. (a) Of the total amount of bonds authorized to be issued and sold pursuant to Chapter 1 (commencing with Section 101110), bonds in the amount of seven billion dollars (\$7,000,000,000) not including the amount of any refunding bonds issued in accordance with Section 101140, or so much thereof as is necessary, may be issued and sold to provide a fund to be used for carrying out the purposes expressed in this chapter and to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code.

(b) Pursuant to this section, the Treasurer shall sell the bonds authorized by the State School Building Finance Committee established pursuant to Section 15909 at any different times necessary to service expenditures required by the apportionments.

101131. The State School Building Finance Committee, established by Section 15909 and composed of the Governor, the Controller, the Treasurer, the Director of Finance, and the Superintendent, or their designated representatives, all of whom shall serve thereon without compensation, and a majority of whom shall constitute a quorum, is continued in existence for the purpose of this chapter. The Treasurer shall serve as chairperson of the committee. Two Members of the Senate appointed by the Senate Committee on Rules, and two Members of the Assembly appointed by the Speaker of the Assembly, shall meet with and provide advice to the committee to the extent that the advisory participation is not incompatible with their respective positions as Members of the Legislature. For the purposes of this chapter, the Members of the Legislature shall constitute an interim investigating committee on the subject of this chapter and, as that committee, shall have the powers granted to, and duties imposed upon, those committees by the Joint Rules of the Senate and the Assembly. The Director of Finance shall provide assistance to the committee as it may require. The Attorney General of the state is the legal adviser of the committee.

101132. (a) The bonds authorized by this chapter shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), and all acts amendatory thereof and supplementary thereto, are hereby incorporated into this chapter as though set forth in full within this chapter, except subdivisions (a) and (b) of Section 16727 of the Government Code shall not apply to the bonds authorized by this chapter.

(b) For purposes of the State General Obligation Bond Law, the State Allocation Board is designated the "board" for purposes of administering the 2016 State School Facilities Fund.

101133. (a) Upon request of the State Allocation Board, the State School Building Finance Committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this chapter in order to fund the related apportionments and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to fund those apportionments progressively, and it is not necessary that all of the bonds authorized to be issued be sold at any one time.

(b) A request of the State Allocation Board pursuant to subdivision (a) shall be supported by a statement of the apportionments made and to be made for the purposes described in Sections 101121 and 101122.

101134. There shall be collected each year and in the same manner and at the same time as other state revenue is collected, in addition to the ordinary revenues of the state, a sum in an amount required to pay the principal of, and interest on, the bonds each year. It is the duty of all officers charged by law with any duty in regard to the collection of the revenue to do and perform each and every act that is necessary to collect that additional sum.

101135. Notwithstanding Section 13340 of the Government Code, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this chapter, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this chapter, as the principal and interest become due and payable.

(b) The sum necessary to carry out Section 101138, appropriated without regard to fiscal years.

101136. The State Allocation Board may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account or any other approved form of interim financing, in accordance with Section 16312 of the Government Code, for the purpose of carrying out this chapter. The amount of the request shall not exceed the amount of the unsold bonds (exclusive of refunding bonds) that the committee, by resolution, has authorized to be sold for the purpose of carrying out this chapter. The State Allocation Board shall execute any documents required by the Pooled Money Investment Board to obtain and repay the loan. Any amounts loaned shall be deposited in the fund to be allocated by the State Allocation Board in accordance with this chapter.

101137. Notwithstanding any other provision of this chapter, or of the State General Obligation Bond Law, if the Treasurer sells bonds pursuant to this chapter that include a bond counsel opinion to the effect that the interest on the bonds is excluded from gross income for federal tax purposes, subject to designated conditions, the Treasurer may maintain separate accounts for the investment of bond proceeds and for the investment earnings on those proceeds. The Treasurer may use or direct the use of those proceeds or earnings to pay any rebate, penalty, or other payment required under federal law or take any other action with respect to the investment and use of those bond proceeds required or desirable under federal law to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

101138. For the purposes of carrying out this chapter, the Director of Finance may authorize the withdrawal from the General Fund of an amount not to exceed the amount of the unsold bonds (exclusive of refunding bonds) that have been authorized by the State School Building Finance Committee to be sold for the purpose of carrying out this chapter. Any amounts withdrawn shall be deposited in the 2016 State School Facilities Fund consistent with this chapter. Any money made available under this section shall be returned to the General Fund, plus an amount equal to the interest that the money would have earned in the Pooled Money Investment Account, from proceeds

received from the sale of bonds for the purpose of carrying out this chapter.

101139. All money deposited in the 2016 State School Facilities Fund, that is derived from premium and accrued interest on bonds sold shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest, except that amounts derived from premium may be reserved and used to pay the cost of the bond issuance prior to any transfer to the General Fund.

101140. The bonds issued and sold pursuant to this chapter may be refunded in accordance with Article 6 (commencing with Section 16780) of Chapter 4 of Part 3 of Division 4 of Title 2 of the Government Code, which is a part of the State General Obligation Bond Law. Approval by the voters of the state for the issuance of the bonds described in this chapter includes the approval of the issuance of any bonds issued to refund any bonds originally issued under this chapter or any previously issued refunding bonds. Any bond refunded with the proceeds of refunding bonds as authorized by this section may be legally defeased to the extent permitted by law in the manner and to the extent set forth in the resolution, as amended from time to time, authorizing such refunded bond.

101141. The people hereby find and declare that, inasmuch as the proceeds from the sale of bonds authorized by this chapter are not "proceeds of taxes" as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.

(b) For the purposes of the State General Obligation Bond Law, each state agency administering an appropriation of the 2016 Community College Capital Outlay Bond Fund is designated as the "board" for projects funded pursuant to this chapter.

(c) The proceeds of the bonds issued and sold pursuant to this chapter shall be available for the purpose of funding aid to the California Community Colleges for the construction on existing or new campuses, and their respective off-campus centers and joint use and intersegmental facilities, as set forth in this chapter.

101145. The Higher Education Facilities Finance Committee established pursuant to Section 67353 shall authorize the issuance of bonds under this chapter only to the extent necessary to fund the related apportionments for the purposes described in this chapter that are expressly authorized by the Legislature in the annual Budget Act. Pursuant to that legislative direction, the committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this chapter in order to carry out the purposes described in this chapter and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to carry out those actions progressively, and it is not necessary that all of the bonds authorized to be issued be sold at any one time.

101145.5. There shall be collected each year and in the same manner and at the same time as other state revenue is collected, in addition to the ordinary revenues of the state, a sum in an amount required to pay the principal of, and interest on, the bonds each year. It is the duty of all officers charged by law with any duty in regard to the collection of the revenue to do and perform each and every act which is necessary to collect that additional sum.

101146. Notwithstanding Section 13340 of the Government Code, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this chapter, an amount that will equal the total of the following:

(b) The sum necessary to carry out Section 101147.5, appropriated without regard to fiscal years.

101146.5. The board, as defined in subdivision (b) of Section 101144.5, may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account or any other approved form of interim financing, in accordance with Section 16312 of the Government Code, for the purpose of carrying out this chapter. The amount of the request shall not exceed the amount of the unsold bonds (exclusive of refunding bonds) that the Higher Education Facilities Finance Committee, by resolution, has authorized to be sold for the purpose of carrying out this chapter. The board, as defined in subdivision (b) of Section 101144.5, shall execute any documents required by the Pooled Money Investment Board to obtain and repay the loan. Any amounts loaned shall be deposited in the fund to be allocated by the board in accordance with this chapter.

101147. Notwithstanding any other provision of this chapter, or of the State General Obligation Bond Law, if the Treasurer sells bonds pursuant to this chapter that include a bond counsel opinion to the effect that the interest on the bonds is excluded from gross income for federal tax purposes, subject to designated conditions, the Treasurer may maintain separate accounts for the investment of bond proceeds and for the investment earnings on those proceeds. The Treasurer may use or direct the use of those proceeds or earnings to pay any rebate, penalty, or other payment required under federal law or take any other action with respect to the investment and use of those bond proceeds required or desirable under federal law to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

Any amounts withdrawn shall be deposited in the 2016 California Community College Capital Outlay Bond Fund consistent with this chapter. Any money made available under this section shall be returned to the General Fund, plus an amount equal to the interest that the money would have earned in the Pooled Money Investment Account, from proceeds received from the sale of bonds for the purpose of carrying out this chapter.

(b) Any request forwarded to the Legislature and the Department of Finance for funds from this bond issue for expenditure for the purposes described in this chapter by the California Community Colleges shall be accompanied by the five-year capital outlay plan that reflects the needs and priorities of the community college system and is prioritized on a statewide basis. Requests shall include a schedule that prioritizes the seismic retrofitting needed to significantly reduce, in the judgment of the particular

college, seismic hazards in buildings identified as high priority by the college.

101148. All money deposited in the 2016 California Community College Capital Outlay Bond Fund that is derived from premium and accrued interest on bonds sold shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest, except that amounts derived from premium may be reserved and used to pay the cost of the bond issuance prior to any transfer to the General Fund.

101149. The bonds issued and sold pursuant to this chapter may be refunded in accordance with Article 6 (commencing with Section 16780) of Chapter 4 of Part 3 of Division 4 of Title 2 of the Government Code, which is a part of the State General Obligation Bond Law. Approval by the voters of the state for the issuance of the bonds described in this chapter includes the approval of the issuance of any bonds issued to refund any bonds originally issued under this chapter or any previously issued refunding bonds. Any bond refunded with the proceeds of refunding bonds as authorized by this section may be legally defeased to the extent permitted by law in the manner and to the extent set forth in the resolution, as amended from time to time, authorizing such refunded bond.

101149.5. The people hereby find and declare that, inasmuch as the proceeds from the sale of bonds authorized by this chapter are not "proceeds of taxes" as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.

SEC. 4. General Provisions.

(a) If any provision of this act, or part thereof, is for any reason held to be invalid or unconstitutional, the remaining provisions shall not be affected, but shall remain in full force and effect, and to this end the provisions of this act are severable.

(b) This act is intended to be comprehensive. It is the intent of the people that in the event this act or measures relating to the same subject shall appear on the same statewide election ballot, the provisions of the other measure or measures shall be deemed to be in conflict with this act. In the event that this act receives a greater number of affirmative votes, the provisions of this act shall prevail in their entirety, and all provisions of the other measure or measures shall be null and void.

PROPOSITION 52

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure adds a section to the California Constitution and amends sections of the Welfare and Institutions Code; therefore, existing provisions proposed to be deleted are printed in ~~strikeout type~~ and new provisions proposed to be added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

SECTION 1. Statement of Findings.

A. The federal government established the Medicaid program to help pay for health care services provided to low-income patients, including the elderly, persons with disabilities, and children. In California this program is

called Medi-Cal. In order for any state to receive federal Medicaid funds, the state has to contribute a matching amount of its own money.

B. In 2009, a new program was created whereby California hospitals began paying a fee to help the state obtain available federal Medicaid funds, at no cost to California taxpayers. This program has helped pay for health care for low-income children and resulted in California hospitals receiving approximately \$2 billion per year in additional federal money to help hospitals to meet the needs of Medi-Cal patients.

SEC. 2. Statement of Purpose.

To ensure that the fee paid by hospitals to the state for the purpose of maximizing the available federal matching funds is used for the intended purpose, the people hereby amend the Constitution to require voter approval of changes to the hospital fee program to ensure that the state uses these funds for the intended purpose of supporting hospital care to Medi-Cal patients and to help pay for health care for low-income children.

SEC. 3. Amendment to the Constitution.

SEC. 3.1. Section 3.5 is added to Article XVI of the California Constitution, to read:

SEC. 3.5. (a) No statute amending or adding to the provisions of the Medi-Cal Hospital Reimbursement Improvement Act of 2013 shall become effective unless approved by the electors in the same manner as statutes amending initiative statutes pursuant to subdivision (c) of Section 10 of Article II, except that the Legislature may, by statute passed in each house by roll call vote entered into the journal, two-thirds of the membership concurring, amend or add provisions that further the purposes of the act.

(b) For purposes of this section:

(1) "Act" means the Medi-Cal Hospital Reimbursement Improvement Act of 2013 (enacted by Senate Bill 239 of the 2013–14 Regular Session of the Legislature, and any nonsubstantive amendments to the act enacted by a later bill in the same session of the Legislature).

(2) "Nonsubstantive amendments" shall only mean minor, technical, grammatical, or clarifying amendments.

(3) "Provisions that further the purposes of the act" shall only mean:

(A) Amendments or additions necessary to obtain or maintain federal approval of the implementation of the act, including the fee imposed and related quality assurance payments to hospitals made pursuant to the act;

(B) Amendments or additions to the methodology used for the development of the fee and quality assurance payments to hospitals made pursuant to the act.

(c) Nothing in this section shall prohibit the Legislature from repealing the act in its entirety by statute passed in each house by roll call vote entered into the journal, two-thirds of the membership concurring, except that the Legislature shall not be permitted to repeal the act and replace it with a similar statute imposing a tax, fee, or assessment unless that similar statute is either:

(1) A provision that furthers the purposes of the act as defined herein;

(2) Is approved by the electors in the same manner as statutes amending initiative statutes pursuant to subdivision (c) of Section 10 of Article II.

51

52

(d) *The proceeds of the fee imposed by the act and all interest earned on such proceeds shall not be considered revenues, General Fund revenues, General Fund proceeds of taxes, or allocated local proceeds of taxes, for purposes of Sections 8 and 8.5 of this article or for the purposes of Article XIII B. The appropriation of the proceeds in the trust fund referred to in the act for hospital services to Medi-Cal beneficiaries or other beneficiaries in any other similar federal program shall not be subject to the prohibitions or restrictions in Sections 3 or 5 of this article.*

SEC. 4. Amendments to Medi-Cal Hospital Reimbursement Improvement Act of 2013.

SEC. 4.1. Section 14169.72 of the Welfare and Institutions Code is amended to read:

14169.72. This article shall become inoperative if any of the following occurs:

(a) The effective date of a final judicial determination made by any court of appellate jurisdiction or a final determination by the United States Department of Health and Human Services or the federal Centers for Medicare and Medicaid Services that the quality assurance fee established pursuant to this article, or Section 14169.54 or 14169.55, cannot be implemented. This subdivision shall not apply to any final judicial determination made by any court of appellate jurisdiction in a case brought by hospitals located outside the state.

(b) The federal Centers for Medicare and Medicaid Services denies approval for, or does not approve on or before the last day of a program period, the implementation of Sections 14169.52, 14169.53, 14169.54, and 14169.55, and the department fails to modify Section 14169.52, 14169.53, 14169.54, or 14169.55 pursuant to subdivision (d) of Section 14169.53 in order to meet the requirements of federal law or to obtain federal approval.

(c) *The Legislature fails to appropriate moneys in the fund in the annual Budget Act, or fails to appropriate such moneys in a separate bill enacted within thirty (30) days following enactment of the annual Budget Act. A final judicial determination by the California Supreme Court or any California Court of Appeal that the revenues collected pursuant to this article that are deposited in the fund are either of the following:*

(1) *“General Fund proceeds of taxes appropriated pursuant to Article XIII B of the California Constitution,” as used in subdivision (b) of Section 8 of Article XVI of the California Constitution.*

(2) *“Allocated local proceeds of taxes,” as used in subdivision (b) of Section 8 of Article XVI of the California Constitution.*

(d) The department has sought but has not received federal financial participation for the supplemental payments and other costs required by this article for which federal financial participation has been sought.

(e) A lawsuit related to this article is filed against the state and a preliminary injunction or other order has been issued that results in a financial disadvantage to the state. For purposes of this subdivision, “financial disadvantage to the state” means either of the following:

(1) A loss of federal financial participation.

(2) *A net cost to the General Fund cost incurred due to the act that is equal to or greater than one-quarter of 1 percent*

~~of the General Fund expenditures authorized in the most recent annual Budget Act.~~

(f) The proceeds of the fee and any interest and dividends earned on deposits are not deposited into the fund or are not used as provided in Section 14169.53.

(g) The proceeds of the fee, the matching amount provided by the federal government, and interest and dividends earned on deposits in the fund are not used as provided in Section 14169.68.

SEC. 4.2. Section 14169.75 of the Welfare and Institutions Code is amended to read:

~~14169.75. Notwithstanding subdivision (k) of Section 14167.35, subdivisions (a), (i), and (j) of Section 14167.35, creating the fund, are not repealed and shall remain operative as long as this article remains operative. Notwithstanding Section 14169.72, this article shall become inoperative on January 1, 2018. A hospital shall not be required to pay the fee after that date unless the fee was owed during the period in which the article was operative, and payments authorized under Section 14169.53 shall not be made unless the payments were owed during the period in which the article was operative.~~

SEC. 5. General Provisions.

(a) If any provision of this measure, or any part thereof, is for any reason held to be invalid or unconstitutional, the remaining provisions shall not be affected, but shall remain in full force and effect, and to this end the provisions of this measure are severable.

(b) This measure is intended to be comprehensive. It is the intent of the people that in the event this measure or measures relating to the same subject shall appear on the same statewide election ballot, the provisions of the other measure or measures shall be deemed to be in conflict with this measure. In the event that this measure receives a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and all provisions of the other measure or measures shall be null and void.

PROPOSITION 53

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure adds a section to the California Constitution; therefore, new provisions proposed to be added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

SECTION 1. Title.

This act shall be known and may be cited as the No Blank Checks Initiative.

SEC. 2. Findings and Declarations.

The people of the State of California find and declare as follows:

(a) The politicians in Sacramento have mortgaged our future with long-term bond debt obligations that will take taxpayers, our children, and future generations decades to pay off.

(b) Under current rules, the sale of state bonds only needs to be approved by voters if they will be repaid out of the state’s general revenues. But state politicians can sell

billions of dollars of additional bond debt without ever getting the voters' approval if the bonds will be repaid with specific revenue streams or charges imposed directly on Californians like taxes, fees, rates, tolls, or rents. The politicians should not be allowed to issue blank checks Californians have to pay for. Voters must provide prior approval for all major state bond sale decisions, because voters are the ones who ultimately pay the bill.

(c) According to a 2014 report from California's independent, nonpartisan Legislative Analyst's Office, the State of California is carrying \$340 billion in public debt. (Legislative Analyst's Office, "Addressing California's Key Liabilities," Mar. 7, 2014.) Interest and principal payments on our long-term debt obligations will cripple the state if we keep spending the way we do now—reducing cash available for public safety, schools, and other vital state programs.

(d) Moreover, voters are rarely told the true costs of bond-funded projects. We were originally told that the bullet train would cost \$9 billion. But now the estimated cost has ballooned to nearly \$70 billion. (Los Angeles Times, "The Hazy Future of California's Bullet Train," Jan. 14, 2014.)

(e) This measure puts the brakes on our state's public debt crisis by giving the voters a say in all major state bond debt proposals that must be repaid through specific revenue streams or charges imposed directly on Californians like taxes, fees, rates, tolls, or rents.

SEC. 3. Statement of Purpose.

The purpose of this measure is to bring the state's public debt crisis under control by giving the voters a say in all major state bond-funded projects that will be paid off through specific revenue streams or higher taxes, fees, rates, tolls, or rents collected from Californians, their children, and future generations.

SEC. 4. Section 1.6 is added to Article XVI of the California Constitution, to read:

SEC. 1.6. (a) Notwithstanding any other provision of law, all revenue bonds issued or sold by the State in an amount either singly or in the aggregate over two billion dollars (\$2,000,000,000) for any single project financed, owned, operated, or managed by the State must first be approved by the voters at a statewide election. "State" means the State of California, any agency or department thereof, and any joint powers agency or similar body created by the State or in which the State is a member. "State" as used herein does not include a city, county, city and county, school district, community college district, or special district. For purposes of this section, "special district" refers only to public entities formed for the performance of local governmental functions within limited boundaries.

(b) A single project for which state revenue bonds are issued or sold in an amount over two billion dollars (\$2,000,000,000) may not be divided into, or deemed to be, multiple separate projects in order to avoid the voter approval requirements contained in this section. For purposes of this section, multiple allegedly separate projects shall be deemed to constitute a single project including, but not limited to, in the following circumstances:

(1) Where the allegedly separate projects will be physically or geographically proximate to each other; or

(2) Where the allegedly separate projects will be physically joined or connected to each other; or

(3) Where one allegedly separate project cannot accomplish its stated purpose without the completion of another allegedly separate project.

(c) The two billion dollar (\$2,000,000,000) threshold contained in this section shall be adjusted annually to reflect any increase or decrease in inflation as measured by the Consumer Price Index for All Urban Consumers (CPI-U) published by the United States Bureau of Labor Statistics. The Treasurer's Office shall calculate and publish the adjustments required by this subdivision.

SEC. 5. Liberal Construction.

This act shall be liberally construed in order to effectuate its purposes.

SEC. 6. Conflicting Measures.

(a) In the event that this measure and another measure or measures relating to voter approval requirements for state bonds shall appear on the same statewide election ballot, the other measure or measures shall be deemed to be in conflict with this measure. In the event that this measure receives a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and the provisions of the other measure or measures shall be null and void.

(b) If this measure is approved by the voters but superseded in whole or in part by any other conflicting initiative approved by the voters at the same election, and such conflicting initiative is later held invalid, this measure shall be self-executing and given full force and effect.

SEC. 7. Severability.

The provisions of this act are severable. If any portion, section, subdivision, paragraph, clause, sentence, phrase, word, or application of this act is for any reason held to be invalid by a decision of any court of competent jurisdiction, that decision shall not affect the validity of the remaining portions of this act. The people of the State of California hereby declare that they would have adopted this act and each and every portion, section, subdivision, paragraph, clause, sentence, phrase, word, and application not declared invalid or unconstitutional without regard to whether any portion of this act or application thereof would be subsequently declared invalid.

SEC. 8. Legal Defense.

If this act is approved by the voters of the State of California and thereafter subjected to a legal challenge alleging a violation of federal law, and both the Governor and Attorney General refuse to defend this act, then the following actions shall be taken:

(a) Notwithstanding anything to the contrary contained in Chapter 6 (commencing with Section 12500) of Part 2 of Division 3 of Title 2 of the Government Code or any other law, the Attorney General shall appoint independent counsel to faithfully and vigorously defend this act on behalf of the State of California.

(b) Before appointing or thereafter substituting independent counsel, the Attorney General shall exercise due diligence in determining the qualifications of independent counsel and shall obtain written affirmation from independent counsel that independent counsel will faithfully and vigorously defend this act. The written affirmation shall be made publicly available upon request.

(c) A continuous appropriation is hereby made from the General Fund to the Controller, without regard to fiscal years, in an amount necessary to cover the costs of

retaining independent counsel to faithfully and vigorously defend this act on behalf of the State of California.

PROPOSITION 54

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure amends sections of the California Constitution and amends and adds sections to the Government Code; therefore, existing provisions proposed to be deleted are printed in ~~strikeout type~~ and new provisions proposed to be added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

SECTION 1. Title.

This act shall be known and may be cited as the California Legislature Transparency Act.

SEC. 2. Findings and Declarations.

The people of the State of California hereby find and declare that:

(a) It is essential to the maintenance of a democratic society that public business be performed in an open and public manner, and highly desirable that citizens be given the opportunity to fully review every bill and express their views regarding the bill's merits to their elected representatives, before it is passed.

(b) However, last-minute amendments to bills are frequently used to push through political favors without comment or with little advance notice.

(c) Moreover, complex bills are often passed before Members of the Legislature have any realistic opportunity to review or debate them, resulting in ill-considered legislation.

(d) Further, although our State Constitution currently provides that the proceedings of each house and the committees thereof shall be open and public, few citizens have the ability to attend legislative proceedings in person, and many legislative proceedings go completely unobserved by the public and press, often leaving no record of what was said.

(e) Yet, with the availability of modern recording technology and the Internet, there is no reason why public legislative proceedings should remain relatively inaccessible to the citizens that they serve.

(f) Accordingly, to foster disclosure, deliberation, debate, and decorum in our legislative proceedings, to keep our citizens fully informed, and to ensure that legislative proceedings are conducted fairly and openly, our State Constitution should guarantee the right of all persons, including members of the press, to freely record legislative proceedings and to broadcast, post, or otherwise transmit those recordings.

(g) To supplement this right to record legislative proceedings, the Legislature itself should also be required to make and post audiovisual recordings of all public proceedings to the Internet and to maintain an archive of these recordings, which will be a valuable resource for the public, the press, and the academic community for generations to come.

(h) California should also follow the lead of other states that require a 72-hour advance notice period between the

time a bill is printed and made available to the public and the time it is put to a vote, allowing an exception only in the case of a true emergency, such as a natural disaster.

(i) The opportunity for an orderly and detailed review of bills by the public, the press, and legislators will result in better bills while thwarting political favoritism and power grabs.

(j) These measures will have nominal cost to taxpayers, while promoting greater transparency in our legislative proceedings to benefit the people.

SEC. 3. Statement of Purpose.

In enacting this measure, the people of the State of California intend the following:

(a) To enable we, the people, to observe through the Internet what is happening and has happened in any and all of the Legislature's public proceedings so as to obtain the information necessary to participate in the political process and to hold our elected representatives accountable for their actions.

(b) To enable we, the people, to record and to post or otherwise transmit our own recordings of those legislative proceedings in order to encourage fairness in the proceedings, deliberation in our representatives' decision-making, and accountability.

(c) To give us, the people, and our representatives the necessary time to carefully evaluate the strengths and weaknesses of the final version of a bill before a vote by imposing a 72-hour public notice period between the time that the final version is made available to the Legislature and the public, and the time that a vote is taken, except in cases of a true emergency declared by the Governor.

SEC. 4. Amendments to Article IV of the California Constitution.

SEC. 4.1. Section 7 of Article IV of the California Constitution is amended to read:

SEC. 7. (a) Each house shall choose its officers and adopt rules for its proceedings. A majority of the membership constitutes a quorum, but a smaller number may recess from day to day and compel the attendance of absent members.

(b) Each house shall keep and publish a journal of its proceedings. The rollcall vote of the members on a question shall be taken and entered in the journal at the request of 3 members present.

(c) (1) *Except as provided in paragraph (3), The the proceedings of each house and the committees thereof shall be open and public. The right to attend open and public proceedings includes the right of any person to record by audio or video means any and all parts of the proceedings and to broadcast or otherwise transmit them; provided that the Legislature may adopt reasonable rules pursuant to paragraph (5) regulating the placement and use of the equipment for recording or broadcasting the proceedings for the sole purpose of minimizing disruption of the proceedings. Any aggrieved party shall have standing to challenge said rules in an action for declaratory and injunctive relief, and the Legislature shall have the burden of demonstrating that the rule is reasonable.*

(2) *Commencing on January 1 of the second calendar year following the adoption of this paragraph, the Legislature shall also cause audiovisual recordings to be made of all proceedings subject to paragraph (1) in their entirety, shall make such recordings public through the Internet within*

24 hours after the proceedings have been recessed or adjourned for the day, and shall maintain an archive of said recordings, which shall be accessible to the public through the Internet and downloadable for a period of no less than 20 years as specified by statute.

(3) ~~Notwithstanding paragraphs (1) and (2)~~ However, closed sessions may be held solely for any of the following purposes:

(A) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Legislature.

(B) To consider matters affecting the safety and security of Members of the Legislature or its employees or the safety and security of any buildings and grounds used by the Legislature.

(C) To confer with, or receive advice from, its legal counsel regarding pending or reasonably anticipated, or whether to initiate, litigation when discussion in open session would not protect the interests of the house or committee regarding the litigation.

~~(2)~~(4) A caucus of the Members of the Senate, the Members of the Assembly, or the Members of both houses, which is composed of the members of the same political party, may meet in closed session.

~~(3)~~(5) The Legislature shall implement this subdivision by concurrent resolution adopted by rollcall vote entered in the journal, two-thirds of the membership of each house concurring, or by statute, and ~~shall prescribe that, when in the case of a closed session is held pursuant to paragraph (1), (3), shall prescribe that~~ reasonable notice of the closed session and the purpose of the closed session shall be provided to the public. If there is a conflict between a concurrent resolution and statute, the last adopted or enacted shall prevail.

(d) Neither house without the consent of the other may recess for more than 10 days or to any other place.

SEC. 4.2. Section 8 of Article IV of the California Constitution is amended to read:

SEC. 8. (a) At regular sessions no bill other than the budget bill may be heard or acted on by committee or either house until the 31st day after the bill is introduced unless the house dispenses with this requirement by rollcall vote entered in the journal, three fourths of the membership concurring.

(b) (1) The Legislature may make no law except by statute and may enact no statute except by bill. No bill may be passed unless it is read by title on 3 days in each house except that the house may dispense with this requirement by rollcall vote entered in the journal, two thirds of the membership concurring.

(2) No bill may be passed ~~or ultimately become a statute unless until~~ the bill with any amendments has been printed, and distributed to the members, and published on the Internet, in its final form, for at least 72 hours before the vote, except that this notice period may be waived if the Governor has submitted to the Legislature a written statement that dispensing with this notice period for that bill is necessary to address a state of emergency, as defined in paragraph (2) of subdivision (c) of Section 3 of Article XIII B, that has been declared by the Governor, and the house considering the bill thereafter dispenses with the

notice period for that bill by a separate rollcall vote entered in the journal, two thirds of the membership concurring, prior to the vote on the bill.

(3) No bill may be passed unless, by rollcall vote entered in the journal, a majority of the membership of each house concurs.

(c) (1) Except as provided in paragraphs (2) and (3) of this subdivision, a statute enacted at a regular session shall go into effect on January 1 next following a 90-day period from the date of enactment of the statute and a statute enacted at a special session shall go into effect on the 91st day after adjournment of the special session at which the bill was passed.

(2) A statute, other than a statute establishing or changing boundaries of any legislative, congressional, or other election district, enacted by a bill passed by the Legislature on or before the date the Legislature adjourns for a joint recess to reconvene in the second calendar year of the biennium of the legislative session, and in the possession of the Governor after that date, shall go into effect on January 1 next following the enactment date of the statute unless, before January 1, a copy of a referendum petition affecting the statute is submitted to the Attorney General pursuant to subdivision (d) of Section 10 of Article II, in which event the statute shall go into effect on the 91st day after the enactment date unless the petition has been presented to the Secretary of State pursuant to subdivision (b) of Section 9 of Article II.

(3) Statutes calling elections, statutes providing for tax levies or appropriations for the usual current expenses of the State, and urgency statutes shall go into effect immediately upon their enactment.

(d) Urgency statutes are those necessary for immediate preservation of the public peace, health, or safety. A statement of facts constituting the necessity shall be set forth in one section of the bill. In each house the section and the bill shall be passed separately, each by rollcall vote entered in the journal, two thirds of the membership concurring. An urgency statute may not create or abolish any office or change the salary, term, or duties of any office, or grant any franchise or special privilege, or create any vested right or interest.

SEC. 5. Amendments to the Government Code.

SEC. 5.1. Section 9026.5 of the Government Code is amended to read as follows:

9026.5. *Televised or other audiovisual recordings of public proceedings.*

(a) *Televised or other audiovisual recordings of the public proceedings of each house of the Legislature and the committees thereof may be used for any legitimate purpose and without the imposition of any fee due to the State or any public agency or public corporation thereof. Any person or organization who violates this section is guilty of a misdemeanor.~~

Any person who accesses the information may access all or any part of the information. The information may also be made available by any other means of access that would facilitate public access to the information. SEC. 6. Defense of Initiative Measure.

SEC. 6.1. Section 12511.7 is added to the Government Code, to read:

12511.7. Defense of the California Legislature Transparency Act.

If an action is brought challenging, in whole or in part, the validity of the California Legislature Transparency Act, the following shall apply:

(a) *The Legislature shall continue to comply with the act unless it is declared unconstitutional pursuant to a final judgment of an appellate court.*

(b) *Except as set forth in subdivision (c), the Attorney General shall defend against any action challenging, in whole or in part, the validity of the act, and shall have an unconditional right to intervene in any action addressing the validity of the act.*

(c) *If the Attorney General declines to defend the validity of the act in any action, the Attorney General shall nonetheless file an appeal from, or seek review of, any judgment of any court that determines that the act is invalid, in whole or in part, if necessary or appropriate to preserve the state's standing to defend the law in conformity with the Attorney General's constitutional duty to see that the laws of the state are adequately enforced.*

(d) *The official proponents of the act have an unconditional right to participate, either as interveners or real parties in interest, in any action affecting the validity or interpretation of the act. Where the Governor and Attorney General have declined to defend the validity of the act, the official proponents are also authorized to act on the state's behalf in asserting the state's interest in the validity of the act in any such action and to appeal from any judgment invalidating the act.*

(e) *Nothing in this section precludes other public officials from asserting the state's interest in the validity of the act.*

SEC. 7. Repeal of any Conflicting Statute Proposed at the Primary Election.

If the Legislature places a measure on the ballot for the June 2016 primary election that is approved by a majority

55

of votes thereon, any provision of that measure that is inconsistent with, or interferes in any way with, the purpose or provisions adopted by this initiative measure shall be rendered void and without legal effect.

SEC. 8. Severability.

The provisions of this act are severable. If any provision of this act or its application is held to be invalid, that invalidity shall not affect the other provisions or applications that can be given effect in the absence of the invalid provision or application. Without limiting in any way the generality of the foregoing, the voters declare (1) that the amendments to Section 7 of Article IV of the California Constitution are severable from the amendments to Section 8 of Article IV of the California Constitution, (2) that the Legislature's obligations to cause to be made, to make public, and to maintain audiovisual recordings of legislative proceedings are severable from the right of any person to record the proceedings and broadcast or otherwise transmit such recordings pursuant to the amendments to Section 7 of Article IV of the California Constitution, (3) that the right to record proceedings is severable from the right to broadcast or otherwise transmit the recordings, and (4) that the statutory amendments of this initiative measure are severable from the constitutional amendments.

SEC. 9. Amendments.

The statutory provisions of this act shall not be amended except upon approval of the voters, except that the Legislature may amend paragraph (6) of subdivision (a) of Section 10248 of the Government Code to extend the time that recordings shall remain accessible to the public through the Internet and downloadable by passing a statute by a rollcall vote entered in the journal, a majority of the membership of each house concurring.

SEC. 10. Conflicting Ballot Propositions.

(a) In the event that this initiative measure and any other measure or measures that relate to the transparency of the legislative process with respect to any of the matters addressed herein are approved by a majority of voters at the same election, and this initiative measure receives a greater number of affirmative votes than any other such measure or measures, this initiative measure shall control in its entirety and the other measure or measures shall be rendered void and without legal effect.

(b) If this initiative measure and a statutory measure placed on the ballot by the Legislature are approved by a majority of voters at the same election, the constitutional amendments in this initiative measure shall control over any statutory measure placed on the ballot by the Legislature to the extent that the statutory measure conflicts with, is inconsistent with, or interferes with the purpose, intent, or provisions of this initiative measure.

(c) If this initiative measure is approved by voters but is superseded in whole or in part by any other conflicting measure approved by the voters and receiving a greater number of affirmative votes at the same election, and the conflicting measure or superseding provisions thereof are subsequently held to be invalid, the formerly superseded provisions of this initiative measure, to the extent superseded by the subsequently invalidated provisions of the conflicting measure, shall be self-executing and given the full force of law.

54

PROPOSITION 55

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure amends a section of the California Constitution; therefore, existing provisions proposed to be deleted are printed in ~~strikeout type~~ and new provisions proposed to be added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

The California Children's Education and Health Care Protection Act of 2016

SECTION 1. Title.

This measure shall be known and may be cited as "The California Children's Education and Health Care Protection Act of 2016."

SEC. 2. Findings.

(a) During the recent recession, California cut more than \$56 billion from education, health care and other critical state and local services. These cuts resulted in thousands of teacher layoffs, increased school class sizes, higher college tuition fees, and reduced essential services. Temporary tax increases passed by California voters in 2012 helped to partially offset some of the lost funding, but those taxes will begin to expire at the end of 2016, leading to more deficits and more school cuts.

(b) Unless we act now to temporarily extend the current income tax rates on the wealthiest Californians, our public schools will soon face another devastating round of cuts due to lost revenue of billions of dollars a year. Public school funding was cut to the bone during the recession. Our schools and colleges are just starting to recover, and we should be trying to protect education funding instead of gutting it all over again. We can let the temporary sales tax increase expire to help working families, but this is not the time to be giving the wealthiest people in California a tax cut that they don't need and that our schools can't afford.

(c) California's future depends on the success of its nine million children. Every California child deserves a fair chance to become a successful adult. But for children to succeed as adults, they must have access to high quality education and health care.

(d) For children, education and health care are essential and dependent on one another. Access to a quality education is fundamental to the success of California's children. Even with adequate schools, children cannot obtain an education if illness prevents them from attending. And children growing up in communities without adequate health care are more likely to contract illnesses or have chronic medical conditions that prevent them from regularly attending school.

(e) Underfunding of health care programs also harms California financially. Every new state dollar spent on health care for children and their families is automatically matched by federal funds. This means every year California loses out on billions of dollars in federal matching money that could be used to ensure children and their families have access to health care.

(f) Research also shows that early access to quality education and health care improves children's chances of succeeding in school and in life. California should do more to ensure that the state's children receive the education

and health care they need to thrive and achieve their highest potential.

(g) California public schools, for example, are the most crowded in the nation. Class sizes are an astonishing 80 percent larger than the national average. The number of Californians training to be future teachers has dropped by 50 percent in the last five years as class sizes have soared.

(h) As well, the budgets of California's community colleges were slashed during the Great Recession, diminishing the ability of California children—especially those from low-income families—to receive career training and an affordable and necessary college education.

(i) California chronically underfunds health care. California ranks 48th out of the 50 states in health care spending, making it difficult for children and their families, seniors, and the disabled to access health care. Underfunding health care for children leads to increased rates of serious illness, and higher long-term medical expenses. Improved reimbursement for health services helps ensure that children have access to doctors and hospitals. And once a hospital or doctor's office closes due to chronic underfunding, it closes for everyone in that community.

(j) The California Children's Education and Health Care Protection Act of 2016 temporarily extends the higher income tax rates on couples earning more than half a million dollars a year—those who can most afford it—to help all California children stay healthy, stay in good public schools, and have the opportunity for higher education.

(k) This measure does not increase taxes on anyone earning under \$250,000. It does not extend the temporary sales tax increases that voters previously approved in 2012.

(l) The income tax revenue is guaranteed in the California Constitution to go directly to local school districts and community colleges, and to help the state pay for health care expenses for low-income children and their families. State funding is freed up to help balance the budget and prevent even more devastating cuts to services for seniors, low-income children, working families, and small business owners. Everyone benefits.

(m) To ensure all these funds go only where the voters intend, they are put in a special fund that the Legislature cannot divert to other purposes. None of these revenues can be spent on state bureaucracy or administrative costs.

(n) These funds will be subject to an independent audit every year to ensure they are spent only for the purposes set forth in this measure. Elected officials will be subject to prosecution and criminal penalties if they misuse the funds.

(o) California has seen massive budget swings over the past 15 years, with deep deficits and devastating cuts after the Dot-Com bust and the Great Recession. Maintaining the state's rainy day fund will stabilize the budget, avoid the boom and bust cycles of the past, and protect our children, seniors, and disabled Californians from cuts in school and health care funding during future economic downturns.

SEC. 3. Purpose and Intent.

(a) The chief purpose and intent of the voters in enacting this measure is to avoid harmful cuts that would reduce the quality of education and instruction in California's local public schools, and to provide adequate funding for essential health care services for children and family members who are legal residents of California.

(b) This measure is intended to protect our children by temporarily extending current income tax rates on wealthy Californians, instead of awarding a huge tax break to couples earning more than half a million dollars a year, or individuals earning more than a quarter million. Instead of sending money back into the pockets of the wealthy, this measure sends the money to a special account that must be spent exclusively to ensure that every California child has access to a quality public education and the quality health care necessary for them to stay in school and learn.

(c) This measure is intended to keep California on its current track of balanced budgets and reliable funding for schools, community colleges, and health care, preventing a return to the days of chronic budget deficits and funding cuts.

(d) This measure guarantees in the Constitution that the revenues it raises for schools will be sent directly to school districts and community colleges for classroom expenses, not administrative costs. This school funding cannot be suspended or withheld no matter what happens with the state budget.

(e) This measure guarantees in the Constitution that the revenues it raises for health care will be spent to supplement existing state funding for health care services that qualify for matching federal funds.

(f) All revenues from this measure are subject to local audit every year, and audit by the independent Controller to ensure that they will be used only for the purposes set forth in this measure.

SEC. 4. Section 36 of Article XIII of the California Constitution is amended to read:

SEC. 36. (a) For purposes of this section:

(1) "Public Safety Services" includes the following:

(A) Employing and training public safety officials, including law enforcement personnel, attorneys assigned to criminal proceedings, and court security staff.

(B) Managing local jails and providing housing, treatment, and services for, and supervision of, juvenile and adult offenders.

(C) Preventing child abuse, neglect, or exploitation; providing services to children and youth who are abused, neglected, or exploited, or who are at risk of abuse, neglect, or exploitation, and the families of those children; providing adoption services; and providing adult protective services.

(D) Providing mental health services to children and adults to reduce failure in school, harm to self or others, homelessness, and preventable incarceration or institutionalization.

(E) Preventing, treating, and providing recovery services for substance abuse.

(2) "2011 Realignment Legislation" means legislation enacted on or before September 30, 2012, to implement the state budget plan, that is entitled 2011 Realignment and provides for the assignment of Public Safety Services responsibilities to local agencies, including related reporting responsibilities. The legislation shall provide local agencies with maximum flexibility and control over the design, administration, and delivery of Public Safety Services consistent with federal law and funding requirements, as determined by the Legislature. However, 2011 Realignment Legislation shall include no new programs assigned to local agencies after January 1, 2012, except for the early periodic screening, diagnosis, and

treatment (EPSDT) program and mental health managed care.

(b) (1) Except as provided in subdivision (d), commencing in the 2011–12 fiscal year and continuing thereafter, the following amounts shall be deposited into the Local Revenue Fund 2011, as established by Section 30025 of the Government Code, as follows:

(A) All revenues, less refunds, derived from the taxes described in Sections 6051.15 and 6201.15 of the Revenue and Taxation Code, as those sections read on July 1, 2011.

(B) All revenues, less refunds, derived from the vehicle license fees described in Section 11005 of the Revenue and Taxation Code, as that section read on July 1, 2011.

(2) On and after July 1, 2011, the revenues deposited pursuant to paragraph (1) shall not be considered General Fund revenues or proceeds of taxes for purposes of Section 8 of Article XVI of the California Constitution.

(c) (1) Funds deposited in the Local Revenue Fund 2011 are continuously appropriated exclusively to fund the provision of Public Safety Services by local agencies. Pending full implementation of the 2011 Realignment Legislation, funds may also be used to reimburse the State for program costs incurred in providing Public Safety Services on behalf of local agencies. The methodology for allocating funds shall be as specified in the 2011 Realignment Legislation.

(2) The county treasurer, city and county treasurer, or other appropriate official shall create a County Local Revenue Fund 2011 within the treasury of each county or city and county. The money in each County Local Revenue Fund 2011 shall be exclusively used to fund the provision of Public Safety Services by local agencies as specified by the 2011 Realignment Legislation.

(3) Notwithstanding Section 6 of Article XIII B, or any other constitutional provision, a mandate of a new program or higher level of service on a local agency imposed by the 2011 Realignment Legislation, or by any regulation adopted or any executive order or administrative directive issued to implement that legislation, shall not constitute a mandate requiring the State to provide a subvention of funds within the meaning of that section. Any requirement that a local agency comply with Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code, with respect to performing its Public Safety Services responsibilities, or any other matter, shall not be a reimbursable mandate under Section 6 of Article XIII B.

(4) (A) Legislation enacted after September 30, 2012, that has an overall effect of increasing the costs already borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation shall apply to local agencies only to the extent that the State provides annual funding for the cost increase. Local agencies shall not be obligated to provide programs or levels of service required by legislation, described in this subparagraph, above the level for which funding has been provided.

(B) Regulations, executive orders, or administrative directives, implemented after October 9, 2011, that are not necessary to implement the 2011 Realignment Legislation, and that have an overall effect of increasing the costs already borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation, shall apply to local agencies only to the extent

that the State provides annual funding for the cost increase. Local agencies shall not be obligated to provide programs or levels of service pursuant to new regulations, executive orders, or administrative directives, described in this subparagraph, above the level for which funding has been provided.

(C) Any new program or higher level of service provided by local agencies, as described in subparagraphs (A) and (B), above the level for which funding has been provided, shall not require a subvention of funds by the State nor otherwise be subject to Section 6 of Article XIII B. This paragraph shall not apply to legislation currently exempt from subvention under paragraph (2) of subdivision (a) of Section 6 of Article XIII B as that paragraph read on January 2, 2011.

(D) The State shall not submit to the federal government any plans or waivers, or amendments to those plans or waivers, that have an overall effect of increasing the cost borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation, except to the extent that the plans, waivers, or amendments are required by federal law, or the State provides annual funding for the cost increase.

(E) The State shall not be required to provide a subvention of funds pursuant to this paragraph for a mandate that is imposed by the State at the request of a local agency or to comply with federal law. State funds required by this paragraph shall be from a source other than those described in subdivisions (b) and (d), ad valorem property taxes, or the Social Services Subaccount of the Sales Tax Account of the Local Revenue Fund.

(5) (A) For programs described in subparagraphs (C) to (E), inclusive, of paragraph (1) of subdivision (a) and included in the 2011 Realignment Legislation, if there are subsequent changes in federal statutes or regulations that alter the conditions under which federal matching funds as described in the 2011 Realignment Legislation are obtained, and have the overall effect of increasing the costs incurred by a local agency, the State shall annually provide at least 50 percent of the nonfederal share of those costs as determined by the State.

(B) When the State is a party to any complaint brought in a federal judicial or administrative proceeding that involves one or more of the programs described in subparagraphs (C) to (E), inclusive, of paragraph (1) of subdivision (a) and included in the 2011 Realignment Legislation, and there is a settlement or judicial or administrative order that imposes a cost in the form of a monetary penalty or has the overall effect of increasing the costs already borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation, the State shall annually provide at least 50 percent of the nonfederal share of those costs as determined by the State. Payment by the State is not required if the State determines that the settlement or order relates to one or more local agencies failing to perform a ministerial duty, failing to perform a legal obligation in good faith, or acting in a negligent or reckless manner.

(C) The state funds provided in this paragraph shall be from funding sources other than those described in subdivisions (b) and (d), ad valorem property taxes, or the Social Services Subaccount of the Sales Tax Account of the Local Revenue Fund.

(6) If the State or a local agency fails to perform a duty or obligation under this section or under the 2011

Realignment Legislation, an appropriate party may seek judicial relief. These proceedings shall have priority over all other civil matters.

(7) The funds deposited into a County Local Revenue Fund 2011 shall be spent in a manner designed to maintain the State's eligibility for federal matching funds, and to ensure compliance by the State with applicable federal standards governing the State's provision of Public Safety Services.

(8) The funds deposited into a County Local Revenue Fund 2011 shall not be used by local agencies to supplant other funding for Public Safety Services.

(d) If the taxes described in subdivision (b) are reduced or cease to be operative, the State shall annually provide moneys to the Local Revenue Fund 2011 in an amount equal to or greater than the aggregate amount that otherwise would have been provided by the taxes described in subdivision (b). The method for determining that amount shall be described in the 2011 Realignment Legislation, and the State shall be obligated to provide that amount for so long as the local agencies are required to perform the Public Safety Services responsibilities assigned by the 2011 Realignment Legislation. If the State fails to annually appropriate that amount, the Controller shall transfer that amount from the General Fund in pro rata monthly shares to the Local Revenue Fund 2011. Thereafter, the Controller shall disburse these amounts to local agencies in the manner directed by the 2011 Realignment Legislation. The state obligations under this subdivision shall have a lower priority claim to General Fund money than the first priority for money to be set apart under Section 8 of Article XVI and the second priority to pay voter-approved debts and liabilities described in Section 1 of Article XVI.

(e) (1) To ensure that public education is not harmed in the process of providing critical protection to local Public Safety Services, the Education Protection Account is hereby created in the General Fund to receive and disburse the revenues derived from the incremental increases in taxes imposed by this section, as specified in subdivision (f).

(2) (A) Before June 30, 2013, and before June 30 of each year from 2014 to ~~2018~~ 2030, inclusive, the Director of Finance shall estimate the total amount of additional revenues, less refunds, that will be derived from the incremental increases in tax rates made in subdivision (f) that will be available for transfer into the Education Protection Account during the next fiscal year. The Director of Finance shall make the same estimate by January 10, 2013, for additional revenues, less refunds, that will be received by the end of the 2012–13 fiscal year.

(B) During the last 10 days of the quarter of each of the first three quarters of each fiscal year from 2013–14 to ~~2018–19~~ 2030–31, inclusive, the Controller shall transfer into the Education Protection Account one-fourth of the total amount estimated pursuant to subparagraph (A) for that fiscal year, except as this amount may be adjusted pursuant to subparagraph (D).

(C) In each of the fiscal years from 2012–13 to ~~2020–21~~ 2032–33, inclusive, the Director of Finance shall calculate an adjustment to the Education Protection Account, as specified by subparagraph (D), by adding together the following amounts, as applicable:

(i) In the last quarter of each fiscal year from 2012–13 to ~~2018–19~~ 2030–31, inclusive, the Director of Finance shall recalculate the estimate made for the fiscal year pursuant to subparagraph (A), and shall subtract from this

updated estimate the amounts previously transferred to the Education Protection Account for that fiscal year.

(ii) In June 2015 and in every June from 2016 to ~~2021~~ 2033, inclusive, the Director of Finance shall make a final determination of the amount of additional revenues, less refunds, derived from the incremental increases in tax rates made in subdivision (f) for the fiscal year ending two years prior. The amount of the updated estimate calculated in clause (i) for the fiscal year ending two years prior shall be subtracted from the amount of this final determination.

(D) If the sum determined pursuant to subparagraph (C) is positive, the Controller shall transfer an amount equal to that sum into the Education Protection Account within 10 days preceding the end of the fiscal year. If that amount is negative, the Controller shall suspend or reduce subsequent quarterly transfers, if any, to the Education Protection Account until the total reduction equals the negative amount herein described. For purposes of any calculation made pursuant to clause (i) of subparagraph (C), the amount of a quarterly transfer shall not be modified to reflect any suspension or reduction made pursuant to this subparagraph.

(E) Before June 30, 2018, and before June 30 of each year from 2019 to 2030, inclusive, the Director of Finance shall estimate the amount of the additional revenues, less refunds, to be derived in the following fiscal year from the incremental increases in tax rates made in subdivision (f), that, when combined with all other available General Fund revenues, will be required to meet:

(i) The minimum funding guarantee of Section 8 of Article XVI for that following fiscal year; and

(ii) The workload budget for that following fiscal year, excluding any program expenditures already accounted for through clause (i). For purposes of this section, "workload budget" has the meaning set forth in Section 13308.05 of the Government Code, as that section read and was interpreted by the Department of Finance on January 1, 2016, provided, however, that "currently authorized services" shall mean only those services that would have been considered "currently authorized services" under Section 13308.05 of the Government Code as of January 1, 2016.

(F) In order to enhance the ability of all California school children and their families to receive regular, quality health care and thereby minimize school absenteeism due to health-related problems, whenever the Director of Finance estimates that the amount available for transfer into the Education Protection Account during the following fiscal year exceeds the amount of revenues required from that account pursuant to subparagraph (E) for that following fiscal year, the director shall identify the remaining amount. Fifty percent of that remainder, up to a maximum of two billion dollars in any single fiscal year, shall be allocated by the Controller from the Education Protection Account to the California Department of Health Care Services on a quarterly basis to increase funding for the existing health care programs and services described in Chapter 7 (commencing with Section 14000) to Chapter 8.9 (commencing with Section 14700), inclusive, of Part 3 of Division 9 of the Welfare and Institutions Code. The funding shall be used only for critical, emergency, acute, and preventive health care services to children and their families, provided by health care professionals and health facilities that are licensed pursuant to Section 1250 of the Health and Safety Code, and to health plans or others that manage the provision of health care for Medi-Cal

beneficiaries that are contracting with the California Department of Health Care Services to provide health benefits pursuant to this section.

(G) The allocation provided for in subparagraph (F) may be suspended by statute during a fiscal year in which a budget emergency has been declared, provided, however, that the allocation shall not be reduced beyond the proportional reduction in overall General Fund expenditures for that year. For purposes of this section, "budget emergency" has the same meaning as in paragraph (2) of subdivision (b) of Section 22 of Article XVI.

(H) The funding provided pursuant to subparagraph (F) shall not be used to supplant existing state General Funds for the nonfederal share of payments for those programs and, consistent with federal law, shall be used to obtain federal matching Medicaid funds.

(3) All moneys in the Education Protection Account are hereby continuously appropriated for the support of school districts, county offices of education, charter schools, and community college districts as set forth in this paragraph, and for health care as set forth in subparagraph (F) of paragraph (2).

(A) Eleven percent of the moneys appropriated for education pursuant to this paragraph shall be allocated quarterly by the Board of Governors of the California Community Colleges to community college districts to provide general purpose funding to community college districts in proportion to the amounts determined pursuant to Section 84750.5 of the Education Code, as that code section read ~~upon voter approval of this section on November 6, 2012~~. The allocations calculated pursuant to this subparagraph shall be offset by the amounts specified in subdivisions (a), (c), and (d) of Section 84751 of the Education Code, as that section read ~~upon voter approval of this section on November 6, 2012~~, that are in excess of the amounts calculated pursuant to Section 84750.5 of the Education Code, as that section read ~~upon voter approval of this section on November 6, 2012~~, provided that no community college district shall receive less than one hundred dollars (\$100) per full time equivalent student.

(B) Eighty-nine percent of the moneys appropriated for education pursuant to this paragraph shall be allocated quarterly by the Superintendent of Public Instruction to provide general purpose funding to school districts, county offices of education, and state general-purpose funding to charter schools in proportion to the revenue limits calculated pursuant to Sections 2558 and 42238 of the Education Code and the amounts calculated pursuant to Section 47633 of the Education Code for county offices of education, school districts, and charter schools, respectively, as those sections read ~~upon voter approval of this section on November 6, 2012~~. The amounts so calculated shall be offset by the amounts specified in subdivision (c) of Section 2558 of, paragraphs (1) through (7) of subdivision (h) of Section 42238 of, and Section 47635 of, the Education Code for county offices of education, school districts, and charter schools, respectively, as those sections read ~~upon voter approval of this section on November 6, 2012~~, that are in excess of the amounts calculated pursuant to Sections 2558, 42238, and 47633 of the Education Code for county offices of education, school districts, and charter schools, respectively, as those sections read ~~upon voter approval of this section on November 6, 2012~~, provided that no school district, county office of education, or charter school shall

receive less than two hundred dollars (\$200) per unit of average daily attendance.

(4) This subdivision is self-executing and requires no legislative action to take effect. Distribution of the moneys in the Education Protection Account by the Board of Governors of the California Community Colleges and Superintendent of Public Instruction shall not be delayed or otherwise affected by failure of the Legislature and Governor to enact an annual budget bill pursuant to Section 12 of Article IV, by invocation of ~~paragraph subdivision~~ (h) of Section 8 of Article XVI, or by any other action or failure to act by the Legislature or Governor.

(5) Notwithstanding any other provision of law, the moneys deposited in the Education Protection Account for education shall not be used to pay any costs incurred by the Legislature, the Governor, or any agency of state government.

(6) A community college district, county office of education, school district, or charter school shall have sole authority to determine how the moneys received from the Education Protection Account are spent in the school or schools within its jurisdiction, provided, however, that the appropriate governing board or body shall make these spending determinations in open session of a public meeting of the governing board or body and shall not use any of the funds from the Education Protection Account for salaries or benefits of administrators or any other administrative costs. Each community college district, county office of education, school district, and charter school shall annually publish on its Internet Web site an accounting of how much money was received from the Education Protection Account and how that money was spent.

(7) The annual independent financial and compliance audit required of community college districts, county offices of education, school districts, and charter schools shall, in addition to all other requirements of law, ascertain and verify whether the funds provided from the Education Protection Account have been properly disbursed and expended as required by this section. Expenses incurred by those entities to comply with the additional audit requirement of this section may be paid with funding from the Education Protection Account and shall not be considered administrative costs for purposes of this section.

(8) Revenues, less refunds, derived pursuant to subdivision (f) for deposit in the Education Protection Account pursuant to this section shall be deemed "General Fund revenues," "General Fund proceeds of taxes," and "moneys to be applied by the State for the support of school districts and community college districts" for purposes of Section 8 of Article XVI.

(f) (1) (A) In addition to the taxes imposed by Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code, for the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers at the rate of 1/4 percent of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in this State on and after January 1, 2013, and before January 1, 2017.

(B) In addition to the taxes imposed by Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code, an excise tax is hereby imposed on the storage, use, or other consumption in this State of tangible personal property purchased from any retailer on and after

January 1, 2013, and before January 1, 2017, for storage, use, or other consumption in this state at the rate of 1/4 percent of the sales price of the property.

(C) The Sales and Use Tax Law, including any amendments enacted on or after the effective date of this section, shall apply to the taxes imposed pursuant to this paragraph.

(D) This paragraph shall become inoperative on January 1, 2017.

(2) For any taxable year beginning on or after January 1, 2012, and before January 1, ~~2019~~ 2031, with respect to the tax imposed pursuant to Section 17041 of the Revenue and Taxation Code, the income tax bracket and the rate of 9.3 percent set forth in paragraph (1) of subdivision (a) of Section 17041 of the Revenue and Taxation Code shall be modified by each of the following:

PROPOSED LAW

The California Healthcare, Research and Prevention Tobacco Tax Act of 2016

SECTION 1. Findings and Declarations.

(a) Tobacco use is the single most preventable cause of death and disease in California, claiming the lives of more than 40,000 people every year. Each year thousands of Californians require medical and dental treatment as a result of tobacco use.

(b) Healthcare treatment of all types of cancer, cardiovascular and lung disease, oral disease, and tobacco-related diseases continues to impose a significant financial burden upon California's overstressed healthcare system. Tobacco use costs Californians more than \$13.29 billion in healthcare expenses every year, of which \$3.5 billion is paid for by taxpayers through existing healthcare programs and services that provide healthcare, treatment, and services for Californians. The cost of lost productivity due to tobacco use adds an additional estimated \$10.35 billion to the annual economic consequences of smoking and tobacco use in California.

(c) An increase in the tobacco tax is an appropriate way to decrease tobacco use and mitigate the costs of healthcare treatment and improve existing programs providing for quality healthcare and access to healthcare services for families and children. It will save lives and save state and local government money in the future.

(d) An increase in funding for existing healthcare programs and services that treat all types of cancer, cardiovascular and lung disease, oral disease, and tobacco-related diseases and conditions will expand the number of healthcare providers that treat patients with such diseases and conditions. Funds spent for this purpose can be used to match federal funds, with the federal government putting up as much as nine dollars for every dollar spent from this fund.

(e) Most electronic cigarettes contain nicotine, which is derived from tobacco and is a highly addictive drug. Electronic cigarettes are currently not subject to any tobacco taxation, making them cheaper and potentially more attractive, especially to young people.

(f) There are more than 470 electronic cigarette brands for sale today offered in over 7,700 flavors including candy-flavors that appeal to youth, such as Captain Crunch, gummy bear, cotton candy, Atomic Fireball, and fruit loops. The fastest growing age range for electronic cigarettes is middle school and high school students and

according to the U.S. Centers for Disease Control and Prevention, electronic cigarette use among this group tripled from 2013 to 2014.

(g) Research into the causes, early detection, and effective treatment, care, prevention, and potential cures of all types of cancer, cardiovascular and lung disease, oral disease, and tobacco-related diseases will ultimately save lives and save state and local government money in the future.

(h) There is an urgent need for research in California for new and effective treatments for all types of cancer, cardiovascular and lung disease, oral disease, and tobacco-related diseases. Such research transforms scientific discoveries into clinical applications that reduce the incidence and mortality of such diseases and conditions.

(i) Funding prevention programs designed to discourage individuals, particularly youth, from taking up smoking and the use of other tobacco products through health education and health promotion programs will save lives and save state and local government money in the future.

(j) A reinvigorated tobacco control program will allow targeted public health efforts to combat the tobacco industry's predatory marketing to ethnic groups, driving down smoking rates and ultimately reducing cancer, cardiovascular and lung disease, oral disease, and tobacco-related diseases in these California communities.

(k) Funding implementation and administrative programs to support law enforcement efforts to reduce illegal sales of tobacco products to minors, cigarette smuggling, and tobacco tax evasion will save lives and save state and local government money in the future.

(l) California faces a shortage of physicians and dentists to meet the growing healthcare needs of its residents. As a result, access to primary and oral healthcare, treatment for tobacco-related diseases, regular check-ups and other urgent healthcare needs will suffer. California taxpayers support the education of thousands of medical and dental students every year, yet because of limits on the number of residency programs, many of those physicians and dentists are forced out of state to continue their training, leaving patients in California without access to care. Funding implementation and administrative programs that will help keep hundreds more doctors in California every year to improve the health of Californians will save lives and save state and local government money in the future.

(m) Medical studies have shown that the smoking of cigarettes and use of other tobacco products affects oral health by causing dental disease, including gum disease and bone loss, cancers of the mouth and throat, and severe tooth wear. Smoking causes half of the cases of gum disease, which results in increased tooth loss. Oral cancer risk for smokers is at least six times higher than for nonsmokers and 75% of all oral cancer in the United States is related to tobacco use. Oral cancer risk for smokeless tobacco increases 50-fold over nonsmokers. There is an association between maternal smoking during pregnancy and cleft lip development in fetuses. Tobacco cessation reduces the risk of mouth and throat cancer by 50%. Funding programs that educate, prevent and treat dental diseases, including those caused by use of tobacco, will improve the lives of Californians and save state and local government money in the future.

(n) Increasing the cost of cigarettes and tobacco products is widely recognized as the most effective way to reduce smoking across California, especially by young people. The

2000 U.S. Surgeon General's Report, Reducing Tobacco Use, found that raising tobacco-product prices decreases the prevalence of tobacco use, particularly among kids and young adults, and that tobacco tax increases produce "substantial long-term improvements in health." From its review of existing research, the report concluded that raising tobacco taxes is one of the most effective tobacco prevention and control strategies. Reducing smoking saves lives and saves state and local government money in the future.

(o) Because increasing the tobacco tax will reduce smoking and the use of other tobacco products, it is important to protect existing tobacco tax funded programs from a decline in tax revenues.

(p) California currently taxes cigarettes at only \$0.87 per pack, and ranks 35th in tobacco tax rates, reflecting one of the lowest tobacco taxes in the United States. As of January, 2016, the national average will be \$1.60 per pack. Thirty-two states have cigarette tax rates of \$1 per pack or higher, and California is well below other western states (Washington: \$3.025; Oregon: \$1.31; Nevada: \$1.80; and Arizona: \$2). California last raised its tobacco tax in 1998.

In making a finding of fitness, the court may consider extenuating or mitigating circumstances in evaluating each of those criteria. In any case in which a hearing has been noticed pursuant to this section, the court shall postpone the taking of a plea to the petition until the conclusion of the fitness hearing and no plea which may have been entered already shall constitute evidence at the hearing. PROPOSED LAW

The California Safer Sex in the Adult Film Industry Act

The people of the State of California do hereby ordain as follows:

SECTION 1. Title.

This Act shall be known and may be cited as “The California Safer Sex in the Adult Film Industry Act” (the “Act”).

SEC. 2. Findings and Declarations.

The people of the State of California hereby find and declare all of the following:

58

(a) Widespread transmission of sexually transmitted infections associated with making adult films in California has been documented by one or more county departments of public health. All workers in the adult film industry deserve to go to work and not become ill. It is important that safer sex practices in the making of adult films, and in particular the use of condoms by performers, be required so as to limit the spread of HIV/AIDS and other sexually transmitted infections in the adult film industry. Not only is the risk of HIV/AIDS and other sexually transmitted infections among adult film performers of immediate public concern, but so is the risk of transmitting HIV/AIDS and other sexually transmitted infections between adult film performers and the broader population.

(b) The adult film industry places profits above worker safety and actively prevents and discourages the use of certain essential safer sex methods. Costs of vaccinations, testing, and medical monitoring relative to HIV/AIDS and other sexually transmitted infections are currently unfairly borne by adult film performers, while adult film producers avoid bearing these costs and responsibilities. This Act is necessary and appropriate to address these public concerns.

SEC. 3. Purposes and Intent.

The people of the State of California hereby declare the following purposes and intent in enacting this Act:

(a) To protect performers in the adult film industry and minimize the spread of sexually transmitted infections resulting from the making of adult films in California, thus reducing the negative impact on people's health and improving Californians' quality of life.

(b) To require producers of adult films to comply with the law by requiring, among other things, that performers are protected by condoms from sexually transmitted infections.

(c) To authorize and require the California Division of Occupational Safety and Health (Cal/OSHA) and the California Occupational Safety and Health Standards Board to take appropriate measures to enforce the Act.

(d) To require the costs of certain vaccinations, testing, and medical monitoring relative to HIV/AIDS and other sexually transmitted infections to be paid by adult film producers and to give adult film performers a private right of action to recover civil damages for economic or personal injury caused by adult film producers' failure to comply with the health and safety requirements of this Act.

(e) To hold liable all individuals and entities with a financial interest in the making or distribution of adult films who violate this Act.

(f) To require adult film producers to provide notice of filming, to maintain certain records regarding filming, to post a notice regarding the required use of condoms for specified scenes, and to fulfill additional health requirements.

(g) To discourage noncompliance and encourage compliance with the requirements of this Act by requiring adult film producers to be licensed.

(h) To extend the time in which the State of California may pursue violators of the Act.

(i) To enable whistleblowers and private citizens to pursue violators of the Act where the state fails to do so.

(j) To prohibit talent agents from knowingly referring adult film performers to locations where condoms will not be used in the making of adult films.

(k) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

SEC. 4. The California Safer Sex in the Adult Film Industry Act shall be codified by adding Sections 6720 to 6720.8, inclusive, to the Labor Code.

SEC. 4.1. Section 6720 is added to the Labor Code, to read:

6720. Health and Employment Requirements: Adult Film Industry.

(a) An adult film producer shall maintain engineering controls and work practice controls sufficient to protect adult film performers from exposure to blood and any other potentially infectious material-sexually transmitted infections ("OPIM-STI"). Engineering controls and work practice controls shall include:

(1) Provision of and required use of condoms during the filming of adult films.

(2) Provision of condom-safe water-based or silicone-based lubricants to facilitate the use of condoms.

(3) Any other reasonable STI prevention engineering controls and work practice controls as required by regulations adopted by the board through the administrative rulemaking process, so long as such engineering controls and work practice controls are reasonably germane to the purposes and intent of Sections 6720 to 6720.8, inclusive.

(b) The costs of all STI prevention vaccinations, all STI tests, and all medical follow-up required in order for an individual to be an adult film performer, shall be borne by the adult film producer and not by the adult film performer.

(c) Adult film producers shall maintain as strictly confidential, as required by law, any adult film performer's health information acquired by any means.

(d) An adult film producer's failure to offer, provide, and pay for a STI prevention vaccine, STI test, or medical examination, as required in order to be an adult film performer, if such vaccine, test, or examination is consented to by the adult film performer, shall result in a penalty against the adult film producer, payable to the State of California, equal to the cost of each STI prevention vaccine, each STI test, and each medical examination that the adult film producer failed to offer, provide, or pay for on behalf of the adult film performer.

(e) Any adult film performer may seek and be awarded, in addition to any other remedies or damages allowed by law, a civil damages award of up to fifty thousand dollars (\$50,000), subject to yearly consumer price index increases, if the trier of fact: (1) finds that the adult film performer has suffered economic or personal injury as a result of the adult film producer's failure to comply with subdivisions (a), (b), or (c); (2) makes an affirmative finding that the adult film producer's failure to comply was negligent, reckless, or intentional; and (3) finds that an award is appropriate. The court shall award costs and attorney's fees to a prevailing plaintiff in litigation filed pursuant to this subdivision or subdivision (f). Reasonable attorney's fees may be awarded to a prevailing defendant upon a finding by the court that the plaintiff's prosecution of the action was not in good faith. In the event that an adult film performer's damages for economic or personal injury are covered by the adult film producer's workers' compensation insurance, this subdivision shall not apply.

(f) Any adult film performer entitled to bring an action under subdivision (e) shall be entitled to bring such an

action on behalf of all similarly situated adult film performers, subject to class certification by a court.

(g) By January 1, 2018, the board shall adopt regulations to implement and effectuate the provisions and purposes of Sections 6720 to 6720.8, inclusive, in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).

(h) This section shall not be construed to require condoms, barriers, or other personal protective equipment to be visible in the final product of an adult film. However, there shall be a rebuttable presumption that any adult film without visible condoms that is distributed for commercial purposes in the State of California by any means was produced in violation of this section.

(i) Liability under Sections 6720 to 6720.8, inclusive, shall not apply to adult film performers, bona fide employees, individuals providing independent contracting services, or production volunteers of an adult film producer who are acting within the scope of the general services being provided and in accordance with the instruction of the adult film producer, provided that such individuals have no financial interest in the adult film and are not adult film producers. Such individuals shall not be considered agents of the adult film producer for purposes of Sections 6720 to 6720.8, inclusive.

(j) Nothing in Sections 6720 to 6720.8, inclusive, shall prevent a state agency, such as the division or board, from promulgating regulations governing the making, producing, financing, and distributing of adult films, so long as such regulations enhance workplace safety protections and rights for adult film performers and do not weaken the requirements of Sections 6720 to 6720.8, inclusive.

(k) In the event the amount of any monetary penalty set forth in Sections 6720 to 6720.8, inclusive, is found invalid by a court of law, the division is empowered to and shall develop, and the board is empowered to and shall adopt, monetary penalties via the administrative rulemaking process in a reasonable amount sufficient to deter noncompliance and encourage compliance with the requirements of the provisions in which the penalties are found to be invalid.

SEC. 4.2. Section 6720.1 is added to the Labor Code, to read:

6720.1. Notice & Disclosure.

(a) Within 10 days after the beginning of filming, an adult film producer must disclose to the division, in writing, signed under penalty of perjury by the adult film producer, the following information:

(g) Whenever the division determines that a licensee has failed to comply with the requirements of subdivision (a) of Section 6720, the division shall issue a written notice to the licensee. The notice shall include a statement of deficiencies found, shall set forth corrective measures, if any, necessary for the licensee to be in compliance with subdivision (a) of Section 6720, and shall inform the licensee that penalties or license suspension may result.

For licenses that have been suspended, the notice of decision shall specify the acts or omissions found to be in violation of Sections 6720 to 6720.8, inclusive, and, in the case of a suspended license, shall state the length and extent of the suspension. The notice of decision shall also state the terms, if any, upon which the license may be reinstated or reissued.

(j) A license issued pursuant to Sections 6720 to 6720.8, inclusive, may be reinstated if the division determines that the conditions which prompted the suspension no longer exist and any penalties imposed pursuant to Sections 6720 to 6720.8, inclusive, have been satisfied. In no event shall this section be construed as limiting a licensee's right to seek mandamus or to appeal an adverse license decision.

(k) Performing the functions of an adult film producer without a license shall result in a fine of up to fifty dollars (\$50) per day for any adult film producer who has previously been found to have violated subdivision (a) of Section 6720. Any adult film producer who fails to register as an adult film producer within 10 days after qualifying as an adult film producer shall be liable for a fine of up to twenty-five dollars (\$25) per day for performing the functions of an adult film producer without a license.

SEC. 4.4. Section 6720.3 is added to the Labor Code, to read:

6720.3. *Statute of Limitations.*

(a) Notwithstanding Section 6317, in an action to prosecute any alleged violators of Sections 6720 to 6720.8, inclusive, or any adult film regulations now or hereafter adopted, the time for commencement of action shall be the later of the following:

- (1) One year after the date of the violation.

(1) Not less than one-half times, but not more than one-and-one-half times, the total amount of commercial consideration exchanged for any rights in the adult films.

(2) Not less than one-half times, but not more than one-and-one-half times, the total cost of producing the adult films.

(b) Any person found to have aided and abetted any other person or persons in violating subdivision (a) shall be found liable for violating subdivision (a).

(c) Any person found liable for violating subdivision (a) who has previously been found liable for violating subdivision (a) shall be assessed a penalty of the greater of:

(2) Not less than three times, but not more than four times, the total cost of producing the adult film.

(e) Sections 6720 to 6720.8, inclusive, shall not apply to legitimate medical, educational, and scientific activities, to telecommunication companies that transmit or carry adult films, to criminal law enforcement and prosecuting agencies in the investigation and prosecution of criminal offenses, and to any film rated by the Motion Picture Association of America unless such film is an adult film.

SEC. 4.7. Section 6720.6 is added to the Labor Code, to read:

6720.6. *Enforcement; Whistleblowers; Private Rights of Action.*

(a) Any person who violates any provision of Sections 6720 to 6720.8, inclusive, shall be liable via the administrative enforcement process, or via a civil action brought by the division or its designee, a civil prosecutor, an adult film performer aggrieved by a violation of Section 6720, or an individual residing in the State of California. Any adult film performer or individual, before filing a civil action pursuant to this subdivision, must file with the division a written request for the division to pursue the alleged violator or violators via the administrative enforcement process or via commencement of a civil action. The request shall include a statement of the grounds for believing that Sections 6720 to 6720.8, inclusive, have been violated. The division shall respond to the individual in writing, indicating whether it intends to pursue an administrative or civil action, or take no action. If the division, within 21 days of receiving the request, responds that it is going to pursue the alleged violator or violators via the administrative enforcement process or a civil action, and initiates enforcement proceedings or files a civil action within 45 days of receiving the request, no other action may be brought unless the division's action is abandoned or dismissed without prejudice. If the division, within 21 days of receiving the request, responds in the

negative, or fails to respond, the person requesting the action may file a civil action.

(b) The time period within which a civil action shall be commenced shall be tolled from the date of the division's receipt of the request to either the date the civil action is dismissed without prejudice or the administrative enforcement action is abandoned, whichever is later, but only for a civil action brought by the individual who filed the request.

(c) No civil action may be filed under this section with regard to any person for any violations of Sections 6720 to 6720.8, inclusive, after the division has issued an order consistent with Sections 6720 to 6720.8, inclusive, or collected a penalty against that person for the same violation. Although Sections 6720 to 6720.8, inclusive, impose no criminal liability, no civil action alleging a violation of Sections 6720 to 6720.8, inclusive, may be filed against a person pursuant to this section if a criminal prosecutor is maintaining a criminal action against that person regarding the same transaction or occurrence. Not more than one judgment on the merits with respect to any particular violation of Sections 6720 to 6720.8, inclusive, may be obtained under this section against any person. The court may dismiss a pending action, without prejudice to any other action, for failure of the plaintiff to proceed diligently or in good faith.

(d) If judgment is entered against one or more defendants in an action brought under this section, penalties recovered by the plaintiff shall be distributed as follows: 75 percent to the State of California and 25 percent to the plaintiff. The court shall award to a plaintiff or defendant other than a governmental agency who prevails in any action authorized by Sections 6720 to 6720.8, inclusive, and brought pursuant to this section the costs of litigation, including reasonable attorney's fees. However, in order for a defendant to recover attorney's fees from a plaintiff, the court must first find that the plaintiff's pursuit of the litigation was frivolous or in bad faith.

SEC. 4.8. Section 6720.7 is added to the Labor Code, to read:

6720.7. Talent Agency Liability.

(a) It shall be unlawful for any talent agency, as that term is defined in subdivision (a) of Section 1700.4, to knowingly refer, for monetary consideration, any adult film performer to any producer, or agent of the producer, including, but not limited to, casting directors, of adult films who are not in compliance with subdivision (a) of Section 6720. Any talent agency found liable for violating this subdivision shall be liable to the adult film performer for the amount of the monetary consideration received by the talent agency as a result of the referral made in violation of this section and for reasonable attorney's fees associated with successfully pursuing the talent agency for liability for violating this subdivision.

(b) Any talent agency that obtains written confirmation prior to the beginning of filming, signed under penalty of perjury by the adult film producer, that the adult film producer is in compliance with, and will continue to comply with, all requirements of subdivision (a) of Section 6720 shall not be liable for violating this section.

(c) Violation of this section may be grounds for suspension or revocation of the violator's talent agency license. The Division of Occupational Safety and Health and the Division of Labor Standards Enforcement shall maintain

concurrent jurisdiction over the enforcement of this section.

(d) Upon the finding of liability for violations of subdivision (a) of Section 6720, the division shall transmit the information in paragraph (5) of subdivision (a) of Section 6720.1 to the Department of Industrial Relations, Division of Labor Standards Enforcement, or any successor agency.

SEC. 4.9. Section 6720.8 is added to the Labor Code, to read:

6720.8. Definitions.

The people of the State of California hereby declare that the proponent of this Act should be held civilly liable in the event this Act is struck down, after passage, in whole or in part, by a court for being constitutionally or statutorily impermissible. Such a constitutionally or statutorily impermissible initiative is a misuse of taxpayer funds and electoral resources and the Act’s proponent, as the drafter of the Act, must be held accountable for such an occurrence.

In the event this Act, after passage, is struck down in court, in whole or in part, as unconstitutional or statutorily invalid, and all avenues for appealing and overturning the court decision have been exhausted, the proponent shall pay a civil penalty of \$10,000 to the General Fund of the State of California for failure to draft a wholly constitutionally or statutorily permissible initiative law. PROPOSED LAW

The California Drug Price Relief Act

The people of the State of California do hereby ordain as follows:

SECTION 1. Title.

This Act shall be known, and may be cited, as “The California Drug Price Relief Act” (the “Act”).

SEC. 2. Findings and Declarations.

The people of the State of California hereby find and declare all of the following:

(a) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in California.

(b) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.

(c) Spending on specialty medications, such as those used to treat HIV/AIDS, Hepatitis C, and cancer, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.

(d) The pharmaceutical industry’s practice of charging inflated drug prices has resulted in pharmaceutical

60

61

company profits exceeding those of even the oil and investment banking industries.

(e) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.

(f) Excessively priced drugs continue to be an unnecessary burden on California taxpayers that ultimately results in cuts to health care services and providers for people in need.

(g) Although California has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the state more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.

(h) If California is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to California and its taxpayers. This Act is necessary and appropriate to address these public concerns.

SEC. 3. Purposes and Intent.

The people of the State of California hereby declare the following purposes and intent in enacting this Act:

(a) To enable the State of California to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.

(b) To enable significant cost savings to California and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in California.

(c) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

SEC. 4. The California Drug Price Relief Act shall be codified by adding Section 14105.32 to the Welfare and Institutions Code, to read:

14105.32. Drug Pricing.

(a) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of California, nor any state administrative agency or other state entity, including, but not limited to, the State Department of Health Care Services, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the State Department of Health Care Services, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(b) The price ceiling described in subdivision (a) also shall apply to all programs where the State of California or any state administrative agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, California's Medi-Cal fee-for-service outpatient drug program and California's AIDS Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible state agency shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the State Department of Health Care Services, is the same as or less than the lowest price paid for the same

drug by the United States Department of Veterans Affairs. The requirements of this section shall not be applicable to drugs purchased or procured, or rates developed, pursuant to or under any Medi-Cal managed care program.

(c) It is the intent of the people of the State of California that the State of California, and all state agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs, shall implement this section in a timely manner, and to that end the State of California and all such state agencies and other state entities are required to implement and comply with this law no later than July 1, 2017.

(d) The State of California, and each and every state administrative agency or other state entity, may adopt rules and regulations to implement the provisions of this section, and may seek any waivers of federal law, rule, and regulation necessary to implement the provisions of this section.

SEC. 5. Liberal Construction.

This Act is an exercise of the public power of the people of the State of California for the protection of their health, safety, and welfare, and shall be liberally construed to effectuate its purposes.

SEC. 6. Conflicting Measures.

This Act is intended to be comprehensive. It is the intent of the people of the State of California that in the event this Act and one or more measures relating to the same subject shall appear on the same statewide ballot, the provisions of the other measure or measures shall be deemed to be in conflict with this Act. In the event that this Act receives a greater number of affirmative votes, the provisions of this Act shall prevail in their entirety, and all provisions of the other measure or measures shall be null and void.

SEC. 7. Proponent Accountability.

The people of the State of California hereby declare that the proponent of this Act should be held civilly liable in the event this Act is struck down, after passage, in whole or in part, by a court of law for being constitutionally or statutorily impermissible. Such a constitutionally or statutorily impermissible initiative is a misuse of taxpayer funds and electoral resources and the Act's proponent, as drafter of the Act, must be held accountable for such an occurrence.

In the event this Act, after passage, is struck down in a court of law, in whole or in part, as unconstitutional or statutorily invalid, and all avenues for appeal have been exhausted, the proponent shall pay a civil penalty of \$10,000 to the General Fund of the State of California for failure to draft and sponsor a wholly constitutionally or statutorily permissible initiative law but shall have no other liability to any person or entity with respect to, related to, or arising from the Act. No party or entity may waive this civil penalty.

SEC. 8. Amendment and Repeal.

This Act may be amended to further its purposes by statute passed by a two-thirds vote of the Legislature and signed by the Governor.

SEC. 9. Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall

not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. The voters hereby declare that this Act, and each portion and part, would have been adopted irrespective of whether any one or more provisions or parts are found to be invalid or unconstitutional.

SEC. 10. Legal Defense.

The people of the State of California desire that the Act, if approved by the voters, and thereafter challenged in court, be defended by the State of California. The people of the State of California, by enacting this Act, hereby declare that the proponent of this Act has a direct and personal stake in defending this Act from constitutional or statutory challenges to the Act's validity. In the event the Attorney General fails to defend this Act, or the Attorney General fails to appeal an adverse judgment against the constitutionality or statutory permissibility of this Act, in whole or in part, in any court of law, the Act's proponent shall be entitled to assert its direct and personal stake by defending the Act's validity in any court of law and shall be empowered by the citizens through this Act to act as agent of the citizens of the State of California subject to the following conditions: (1) the proponent shall not be considered an "at-will" employee of the State of California, but the Legislature shall have the authority to remove the proponent from their agency role by a majority vote of each house of the Legislature when "good cause" exists to do so, as that term is defined by California case law; (2) the proponent shall take the Oath of Office under Section 3 of Article XX of the California Constitution as an employee of the State of California; (3) the proponent shall be subject to all fiduciary, ethical, and legal duties prescribed by law; and (4) the proponent shall be indemnified by the State of California for only reasonable expenses and other losses incurred by the proponent, as agent, in defending the validity of the challenged Act. The rate of indemnification shall be no more than the amount it would cost the state to perform the defense itself.

SEC. 11. Effective Date.

Except as otherwise provided herein, this Act shall become effective the day after its approval by the voters.

PROPOSITION 62

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure amends and repeals sections of the Penal Code; therefore, existing provisions proposed to be deleted are printed in ~~strikeout type~~ and new provisions proposed to be added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

The Justice That Works Act of 2016

SECTION 1. Title.

This initiative shall be known and may be cited as "The Justice That Works Act of 2016."

SEC. 2. Findings and Declarations.

The people of the State of California do hereby find and declare all of the following:

1. Violent killers convicted of first degree murder must be separated from society and severely punished.

2. Under current law, California sentences many criminals to death who commit first degree murder, but the state rarely carries out executions. Instead, the state spends millions of taxpayer dollars providing lawyers for death row inmates, only to see the murderers it has sentenced to death by execution die of old age in prison.

3. Since 1978, California has spent more than \$4 billion on a death penalty system that has sentenced nearly one thousand criminals to death by execution but has executed only 13 people. Even though there are over 700 inmates now on death row, California has not executed anyone in almost eleven years.

4. Violent murderers who are sentenced to serve life in prison without the possibility of parole in California are never eligible for parole. They spend the rest of their lives in prison and they die in prison.

5. Fewer than 1% of death row inmates work and pay their wages to compensate their victims. Murderers sentenced to life imprisonment without the possibility of parole are required to work in prison and use their wages to pay restitution to the victims of their crimes.

6. All convicted murderers sentenced to life imprisonment without the possibility of parole should be legally required to work while in prison and pay 60% of their wages to compensate their victims for the damage they caused.

7. While many think it is cheaper to execute murderers than to imprison them for life, in fact it is far more expensive. The death penalty system costs over \$100 million more per year to maintain than a system that has life imprisonment without the possibility of parole as its harshest punishment, according to a study by former death penalty prosecutor and judge, Arthur Alarcon, and law professor Paula Mitchell. By replacing the death penalty with life imprisonment without the possibility of parole, California taxpayers would save well over \$100 million every year.

8. The death penalty is a failed government program that wastes taxpayer dollars and makes fatal mistakes. More than 150 innocent people have been sentenced to death in this country, and some innocent people have actually been executed. Wrongful convictions rob innocent people of decades of their lives, waste tax dollars, and re-traumatize the victims' families, while the real killers remain free to kill again.

9. Retroactive application of this act will end a costly and ineffective practice immediately and ensure that California never executes an innocent person.

10. California's death penalty is an empty promise. Death penalty cases drag on for decades. A sentence of life in prison without the possibility of parole provides swift and certain justice for grieving families.

11. Life in prison without the possibility of parole ensures that the worst criminals stay in prison forever and saves money. By replacing the death penalty with life in prison without the possibility of parole, we would save the state \$1 billion in five years without releasing a single prisoner—\$1 billion that could be invested in crime prevention strategies, services for victims, education, and keeping our communities and families safe.

SEC. 3. Purpose and Intent.

The people of the State of California declare their purpose and intent in enacting the act to be as follows:

61

62

1. To end California's costly and ineffective death penalty system and replace it with a common sense approach that sentences persons convicted of first degree murder with special circumstances to life imprisonment without the possibility of parole so they are permanently separated from society and required to pay restitution to their victims.
2. To require everyone convicted of first degree murder and sentenced to life imprisonment without the possibility of parole to work while in prison, and to increase to 60% the portion of wages they must pay as restitution to their victims.
3. To eliminate the risk of executing an innocent person.
4. To end the decades-long appeals process in which grieving family members attending multiple hearings are forced to continually relive the trauma of their loss.
5. To achieve fairness and uniformity in sentencing, through retroactive application of this act to replace the death penalty with life in prison without the possibility of parole.

SEC. 4. Section 190 of the Penal Code is amended to read:

190. (a) Every person guilty of murder in the first degree shall be punished by ~~death~~, imprisonment in the state prison for life without the possibility of parole, or imprisonment in the state prison for a term of 25 years to life. The penalty to be applied shall be determined as provided in Sections ~~190.1~~, 190.2, ~~190.3~~, 190.4, and 190.5.

Except as provided in subdivision (b), (c), or (d), every person guilty of murder in the second degree shall be punished by imprisonment in the state prison for a term of 15 years to life.

(b) Except as provided in subdivision (c), every person guilty of murder in the second degree shall be punished by imprisonment in the state prison for a term of 25 years to life if the victim was a peace officer, as defined in subdivision (a) of Section 830.1, subdivision (a), (b), or (c) of Section 830.2, subdivision (a) of Section 830.33, or Section 830.5, who was killed while engaged in the performance of his or her duties, and the defendant knew, or reasonably should have known, that the victim was a peace officer engaged in the performance of his or her duties.

(c) Every person guilty of murder in the second degree shall be punished by imprisonment in the state prison for a term of life without the possibility of parole if the victim was a peace officer, as defined in subdivision (a) of Section 830.1, subdivision (a), (b), or (c) of Section 830.2, subdivision (a) of Section 830.33, or Section 830.5, who was killed while engaged in the performance of his or her duties, and the defendant knew, or reasonably should have known, that the victim was a peace officer engaged in the performance of his or her duties, and any of the following facts has been charged and found true:

- (1) The defendant specifically intended to kill the peace officer.
- (2) The defendant specifically intended to inflict great bodily injury, as defined in Section 12022.7, on a peace officer.

~~190.3. If the defendant has been found guilty of murder in the first degree, and a special circumstance has been charged and found to be true, or if the defendant may be subject to the death penalty after having been found guilty of violating subdivision (a) of Section 1672 of the Military and Veterans Code or Sections 37, 128, 219, or 4500 of this code, the trier of fact shall determine whether the penalty shall be death or confinement in state prison for a term of life without the possibility of parole. In the proceedings on the question of penalty, evidence may be presented by both the people and the defendant as to any matter relevant to aggravation, mitigation, and sentence including, but not limited to, the nature and circumstances of the present offense, any prior felony conviction or convictions whether or not such conviction or convictions~~

~~involved a crime of violence, the presence or absence of other criminal activity by the defendant which involved the use or attempted use of force or violence or which involved the express or implied threat to use force or violence, and the defendant's character, background, history, mental condition and physical condition.~~

~~However, no evidence shall be admitted regarding other criminal activity by the defendant which did not involve the use or attempted use of force or violence or which did not involve the express or implied threat to use force or violence. As used in this section, criminal activity does not require a conviction.~~

~~However, in no event shall evidence of prior criminal activity be admitted for an offense for which the defendant was prosecuted and acquitted. The restriction on the use of this evidence is intended to apply only to proceedings pursuant to this section and is not intended to affect statutory or decisional law allowing such evidence to be used in any other proceedings.~~

~~Except for evidence in proof of the offense or special circumstances which subject a defendant to the death penalty, no evidence may be presented by the prosecution in aggravation unless notice of the evidence to be introduced has been given to the defendant within a reasonable period of time as determined by the court, prior to trial. Evidence may be introduced without such notice in rebuttal to evidence introduced by the defendant in mitigation.~~

~~The trier of fact shall be instructed that a sentence of confinement to state prison for a term of life without the possibility of parole may in future after sentence is imposed, be commuted or modified to a sentence that includes the possibility of parole by the Governor of the State of California.~~

~~In determining the penalty, the trier of fact shall take into account any of the following factors if relevant:~~

~~(a) The circumstances of the crime of which the defendant was convicted in the present proceeding and the existence of any special circumstances found to be true pursuant to Section 190.1.~~

~~(b) The presence or absence of criminal activity by the defendant which involved the use of attempted use of force or violence or the express or implied threat to use force or violence.~~

~~(c) The presence or absence of any prior felony conviction.~~

~~(d) Whether or not the offense was committed while the defendant was under the influence of extreme mental or emotional disturbance.~~

~~(e) Whether or not the victim was a participant in the defendant's homicidal conduct or consented to the homicidal act.~~

~~(f) Whether or not the offense was committed under circumstances which the defendant reasonably believed to be a moral justification or extenuation for his conduct.~~

~~(g) Whether or not defendant acted under extreme duress or under the substantial domination of another person.~~

~~(h) Whether or not at the time of the offense the capacity of the defendant to appreciate the criminality of his conduct or to conform his conduct to the requirements of law was impaired as a result of mental disease or defect, or the affects of intoxication.~~

~~(i) The age of the defendant at the time of the crime.~~

(j) Whether or not the defendant was an accomplice to the offense and his participation in the commission of the offense was relatively minor.

(k) Any other circumstance which extenuates the gravity of the crime even though it is not a legal excuse for the crime.

After having heard and received all of the evidence, and after having heard and considered the arguments of counsel, the trier of fact shall consider, take into account and be guided by the aggravating and mitigating circumstances referred to in this section, and shall impose a sentence of death if the trier of fact concludes that the aggravating circumstances outweigh the mitigating circumstances. If the trier of fact determines that the mitigating circumstances outweigh the aggravating circumstances the trier of fact shall impose a sentence of confinement in state prison for a term of life without the possibility of parole.

SEC. 8. Section 190.4 of the Penal Code is amended to read:

190.4. (a) Whenever special circumstances as enumerated in Section 190.2 are alleged and the trier of fact finds the defendant guilty of first degree murder, the trier of fact shall also make a special finding on the truth of each alleged special circumstance. The determination of the truth of any or all of the special circumstances shall be made by the trier of fact on the evidence presented at the trial or at the hearing held pursuant to Subdivision (b) of Section 190.1.

In case of a reasonable doubt as to whether a special circumstance is true, the defendant is entitled to a finding that is not true. The trier of fact shall make a special finding that each special circumstance charged is either true or not true. Whenever a special circumstance requires proof of the commission or attempted commission of a crime, such crime shall be charged and proved pursuant to the general law applying to the trial and conviction of the crime.

If the defendant was convicted by the court sitting without a jury, the trier of fact shall be a jury unless a jury is waived by the defendant and by the people, in which case the trier of fact shall be the court. If the defendant was convicted by a plea of guilty, the trier of fact shall be a jury unless a jury is waived by the defendant and by the people.

If the trier of fact finds that any one or more of the special circumstances enumerated in Section 190.2 as charged is true, there shall be a separate penalty hearing, *the defendant shall be punished by imprisonment in state prison for life without the possibility of parole.* and neither the finding that any of the remaining special circumstances charged is not true, nor if the trier of fact is a jury, the inability of the jury to agree on the issue of the truth or untruth of any of the remaining special circumstances charged, shall prevent the holding of a separate penalty hearing.

In any case in which the defendant has been found guilty by a jury, and the jury has been unable to reach an unanimous verdict that one or more of the special circumstances charged are true, and does not reach a unanimous verdict that all the special circumstances charged are not true, the court shall dismiss the jury and shall order a new jury impaneled to try the issues, but the issue of guilt shall not be tried by such jury, nor shall such jury retry the issue of the truth of any of the special circumstances which were found by an unanimous verdict

of the previous jury to be untrue. If such new jury is unable to reach the unanimous verdict that one or more of the special circumstances it is trying are true, the court shall dismiss the jury and in the court's discretion shall either order a new jury impaneled to try the issues the previous jury was unable to reach the unanimous verdict on, or impose a punishment of confinement in state prison for a term of 25 years.

(b) If defendant was convicted by the court sitting without a jury the trier of fact at the penalty hearing shall be a jury unless a jury is waived by the defendant and the people, in which case the trier of fact shall be the court. If the defendant was convicted by a plea of guilty, the trier of fact shall be a jury unless a jury is waived by the defendant and the people.

If the trier of fact is a jury and has been unable to reach a unanimous verdict as to what the penalty shall be, the court shall dismiss the jury and shall order a new jury impaneled to try the issue as to what the penalty shall be. If such new jury is unable to reach a unanimous verdict as to what the penalty shall be, the court in its discretion shall either order a new jury or impose a punishment of confinement in state prison for a term of life without the possibility of parole.

(e) (b) If the trier of fact which convicted the defendant of a crime for which he may be subject to *imprisonment in state prison for life without the possibility of parole* the death penalty was a jury, the same jury shall consider any plea of not guilty by reason of insanity pursuant to Section 1026, *and* the truth of any special circumstances which may be alleged, and the penalty to be applied, unless for good cause shown the court discharges that jury in which case a new jury shall be drawn. The court shall state facts in support of the finding of good cause upon the record and cause them to be entered into the minutes.

(d) In any case in which the defendant may be subject to the death penalty, evidence presented at any prior phase of the trial, including any proceeding under a plea of not guilty by reason of insanity pursuant to Section 1026 shall be considered an any subsequent phase of the trial, if the trier of fact of the prior phase is the same trier of fact at the subsequent phase.

(e) In every case in which the trier of fact has returned a verdict or finding imposing the death penalty, the defendant shall be deemed to have made an application for modification of such verdict or finding pursuant to Subdivision 7 of Section 11. In ruling on the application, the judge shall review the evidence, consider, take into account, and be guided by the aggravating and mitigating circumstances referred to in Section 190.3, and shall make a determination as to whether the jury's findings and verdicts that the aggravating circumstances outweigh the mitigating circumstances are contrary to law or the evidence presented. The judge shall state on the record the reasons for his findings.

The judge shall set forth the reasons for his ruling on the application and direct that they be entered on the Clerk's minutes. The denial of the modification of the death penalty verdict pursuant to subdivision (7) of Section 1181 shall be reviewed on the defendant's automatic appeal pursuant to subdivision (b) of Section 1239. The granting of the application shall be reviewed on the People's appeal pursuant to paragraph (6).

PROPOSED LAW

The Safety for All Act of 2016

SECTION 1. Title.

This measure shall be known and may be cited as "The Safety for All Act of 2016."

SEC. 2. Findings and Declarations.

The people of the State of California find and declare:

1. Gun violence destroys lives, families and communities. From 2002 to 2013, California lost 38,576 individuals to gun violence. That is more than seven times the number of U.S. soldiers killed in combat during the wars in Iraq and Afghanistan combined. Over this same period, 2,258 children were killed by gunshot injuries in California. The same number of children murdered in the Sandy Hook elementary school massacre are killed by gunfire in this state every 39 days.

2. In 2013, guns were used to kill 2,900 Californians, including 251 children and teens. That year, at least 6,035 others were hospitalized or treated in emergency rooms for non-fatal gunshot wounds, including 1,275 children and teens.

3. Guns are commonly used by criminals. According to the California Department of Justice, in 2014 there were 1,169 firearm murders in California, 13,546 armed robberies involving a firearm, and 15,801 aggravated assaults involving a firearm.

4. This tragic violence imposes significant economic burdens on our society. Researchers conservatively estimate that gun violence costs the economy at least \$229 billion every year, or more than \$700 per American

per year. In 2013 alone, California gun deaths and injuries imposed \$83 million in medical costs and \$4.24 billion in lost productivity.

5. California can do better. Reasonable, common-sense gun laws reduce gun deaths and injuries, keep guns away from criminals and fight illegal gun trafficking. Although California has led the nation in gun safety laws, those laws still have loopholes that leave communities throughout the state vulnerable to gun violence and mass shootings. We can close these loopholes while still safeguarding the ability of law-abiding, responsible Californians to own guns for self-defense, hunting and recreation.

6. We know background checks work. Federal background checks have already prevented more than 2.4 million gun sales to convicted criminals and other illegal purchasers in America. In 2012 alone, background checks blocked 192,043 sales of firearms to illegal purchasers including 82,000 attempted purchases by felons. That means background checks stopped roughly 225 felons from buying firearms every day. Yet California law only requires background checks for people who purchase firearms, not for people who purchase ammunition. We should close that loophole.

7. Right now, any violent felon or dangerously mentally ill person can walk into a sporting goods store or gun shop in California and buy ammunition, no questions asked. That should change. We should require background checks for ammunition sales just like gun sales, and stop both from getting into the hands of dangerous individuals.

8. Under current law, stores that sell ammunition are not required to report to law enforcement when ammunition is lost or stolen. Stores should have to report lost or stolen ammunition within 48 hours of discovering that it is missing so law enforcement can work to prevent that ammunition from being illegally trafficked into the hands of dangerous individuals.

9. Californians today are not required to report lost or stolen guns to law enforcement. This makes it difficult for law enforcement to investigate crimes committed with stolen guns, break up gun trafficking rings, and return guns to their lawful owners. We should require gun owners to report their lost or stolen guns to law enforcement.

10. Under current law, people who commit felonies and other serious crimes are prohibited from possessing firearms. Yet existing law provides no clear process for those people to relinquish their guns when they become prohibited at the time of conviction. As a result, in 2014, the Department of Justice identified more than 17,000 people who possess more than 34,000 guns illegally, including more than 1,400 assault weapons. We need to close this dangerous loophole by not only requiring prohibited people to turn in their guns, but also ensuring that it happens.

11. Military-style large-capacity ammunition magazines—some capable of holding more than 100 rounds of ammunition—significantly increase a shooter's ability to kill a lot of people in a short amount of time. That is why these large capacity ammunition magazines are common in many of America's most horrific mass shootings, from the killings at 101 California Street in San Francisco in 1993 to Columbine High School in 1999 to the massacre at Sandy Hook Elementary School in Newtown, Connecticut in 2012.

12. Today, California law prohibits the manufacture, importation and sale of military-style, large capacity

ammunition magazines, but does not prohibit the general public from possessing them. We should close that loophole. No one except trained law enforcement should be able to possess these dangerous ammunition magazines.

13. Although the State of California conducts background checks on gun buyers who live in California, we have to rely on other states and the FBI to conduct background checks on gun buyers who live elsewhere. We should make background checks outside of California more effective by consistently requiring the state to report who is prohibited from possessing firearms to the federal background check system.

14. The theft of a gun is a serious and potentially violent crime. We should clarify that such crimes can be charged as felonies, and prevent people who are convicted of such crimes from possessing firearms.

SEC. 3. Purpose and Intent.

The people of the State of California declare their purpose and intent in enacting "The Safety for All Act of 2016" (the "Act") to be as follows:

1. To implement reasonable and common-sense reforms to make California's gun safety laws the toughest in the nation while still safeguarding the Second Amendment rights of all law-abiding, responsible Californians.

2. To keep guns and ammunition out of the hands of convicted felons, the dangerously mentally ill, and other persons who are prohibited by law from possessing firearms and ammunition.

3. To ensure that those who buy ammunition in California—just like those who buy firearms—are subject to background checks.

4. To require all stores that sell ammunition to report any lost or stolen ammunition within 48 hours of discovering that it is missing.

5. To ensure that California shares crucial information with federal law enforcement by consistently requiring the state to report individuals who are prohibited by law from possessing firearms to the federal background check system.

6. To require the reporting of lost or stolen firearms to law enforcement.

7. To better enforce the laws that require people to relinquish their firearms once they are convicted of a crime that makes them ineligible to possess firearms.

8. To make it illegal in California to possess the kinds of military-style ammunition magazines that enable mass killings like those at Sandy Hook Elementary School; a movie theater in Aurora, Colorado; Columbine High School; and an office building at 101 California Street in San Francisco, California.

9. To prevent people who are convicted of the theft of a firearm from possessing firearms, and to effectuate the intent of Proposition 47 that the theft of a firearm is felony grand theft, regardless of the value of the firearm, in alignment with Sections 25400 and 1192.7 of the Penal Code.

SEC. 4. Lost or Stolen Firearms.

SEC. 4.1. Division 4.5 (commencing with Section 25250) is added to Title 4 of Part 6 of the Penal Code, to read:

A violation of this section is an infraction, punishable by a fine not exceeding two hundred fifty dollars (\$250) for a first offense, and by a fine not exceeding one thousand dollars (\$1,000) for a second or subsequent offense.

(b) This section shall not preclude prosecution under any other law.

Upon receipt of that criminal or mental health record, the purchaser shall report any inaccuracies or incompleteness to the department on an approved form.

(3) If the department ascertains the final disposition of the arrest or criminal charge, or the outcome of the mental health treatment or evaluation, or the purchaser's eligibility to purchase a firearm, as described in paragraph (1), after the waiting period described in Sections 26815 and 27540, but within 30 days of the dealer's original submission of the purchaser information to the department pursuant to this section, the department shall do the following:

(15) Beginning January 1, 2018, the property or things to be seized include a firearm that is owned by, or in the possession of, or in the custody or control of, a person who is subject to the prohibitions regarding firearms pursuant to Section 29800 or 29805, and the court has made a finding pursuant to paragraph (3) of subdivision (c) of Section 29810 that the person has failed to relinquish the firearm as required by law.

(ii) The person from whom the sample is being sought has refused an officer's request to submit to, or has failed to complete, a blood test as required by Section 655.1 of the Harbors and Navigation Code.

(iii) The sample will be drawn from the person in a reasonable, medically approved manner.

(B) This paragraph is not intended to abrogate a court's mandate to determine the propriety of the issuance of a search warrant on a case-by-case basis.

(b) The property, things, person, or persons described in subdivision (a) may be taken on the warrant from any place, or from any person in whose possession the property or things may be.

(c) Notwithstanding subdivision (a) or (b), no search warrant shall issue for any documentary evidence in the possession or under the control of any person who is a lawyer as defined in Section 950 of the Evidence Code, a physician as defined in Section 990 of the Evidence Code, a psychotherapist as defined in Section 1010 of the Evidence Code, or a member of the clergy as defined in Section 1030 of the Evidence Code, and who is not reasonably suspected of engaging or having engaged in criminal activity related to the documentary evidence for which a warrant is requested unless the following procedure has been complied with:

(1) At the time of the issuance of the warrant, the court shall appoint a special master in accordance with subdivision (d) to accompany the person who will serve the warrant. Upon service of the warrant, the special master shall inform the party served of the specific items being sought and that the party shall have the opportunity to provide the items requested. If the party, in the judgment of the special master, fails to provide the items requested, the special master shall conduct a search for the items in the areas indicated in the search warrant.

(2) (A) If the party who has been served states that an item or items should not be disclosed, they shall be sealed by the special master and taken to court for a hearing.

(B) At the hearing, the party searched shall be entitled to raise any issues that may be raised pursuant to Section 1538.5 as well as a claim that the item or items are privileged, as provided by law. The hearing shall be held in the superior court. The court shall provide sufficient time for the parties to obtain counsel and make motions or present evidence. The hearing shall be held within three days of the service of the warrant unless the court makes a finding that the expedited hearing is impracticable. In that case, the matter shall be heard at the earliest possible time.

(C) If an item or items are taken to court for a hearing, any limitations of time prescribed in Chapter 2 (commencing with Section 799) of Title 3 of Part 2 shall be tolled from the time of the seizure until the final conclusion of the hearing, including any associated writ or appellate proceedings.

(3) The warrant shall, whenever practicable, be served during normal business hours. In addition, the warrant shall be served upon a party who appears to have possession or control of the items sought. If, after reasonable efforts, the party serving the warrant is unable to locate the person, the special master shall seal and return to the court, for

determination by the court, any item that appears to be privileged as provided by law.

(d) (1) As used in this section, a “special master” is an attorney who is a member in good standing of the California State Bar and who has been selected from a list of qualified attorneys that is maintained by the State Bar particularly for the purposes of conducting the searches described in this section. These attorneys shall serve without compensation. A special master shall be considered a public employee, and the governmental entity that caused the search warrant to be issued shall be considered the employer of the special master and the applicable public entity, for purposes of Division 3.6 (commencing with Section 810) of Title 1 of the Government Code, relating to claims and actions against public entities and public employees. In selecting the special master, the court shall make every reasonable effort to ensure that the person selected has no relationship with any of the parties involved in the pending matter. Information obtained by the special master shall be confidential and may not be divulged except in direct response to inquiry by the court.

(2) In any case in which the magistrate determines that, after reasonable efforts have been made to obtain a special master, a special master is not available and would not be available within a reasonable period of time, the magistrate may direct the party seeking the order to conduct the search in the manner described in this section in lieu of the special master.

(e) Any search conducted pursuant to this section by a special master may be conducted in a manner that permits the party serving the warrant or his or her designee to accompany the special master as he or she conducts his or her search. However, that party or his or her designee may not participate in the search nor shall he or she examine any of the items being searched by the special master except upon agreement of the party upon whom the warrant has been served.

(f) As used in this section, “documentary evidence” includes, but is not limited to, writings, documents, blueprints, drawings, photographs, computer printouts, microfilms, X-rays, files, diagrams, ledgers, books, tapes, audio and video recordings, films, and papers of any type or description.

(g) No warrant shall issue for any item or items described in Section 1070 of the Evidence Code.

(h) Notwithstanding any other law, no claim of attorney work product as described in Chapter 4 (commencing with Section 2018.010) of Title 4 of Part 4 of the Code of Civil Procedure shall be sustained where there is probable cause to believe that the lawyer is engaging or has engaged in criminal activity related to the documentary evidence for which a warrant is requested unless it is established at the hearing with respect to the documentary evidence seized under the warrant that the services of the lawyer were not sought or obtained to enable or aid anyone to commit or plan to commit a crime or a fraud.

(i) Nothing in this section is intended to limit an attorney’s ability to request an in-camera hearing pursuant to the holding of the Supreme Court of California in *People v. Superior Court (Laff)* (2001) 25 Cal.4th 703.

(j) In addition to any other circumstance permitting a magistrate to issue a warrant for a person or property in another county, when the property or things to be seized consist of any item or constitute evidence that tends to show a violation of Section 530.5, the magistrate may

issue a warrant to search a person or property located in another county if the person whose identifying information was taken or used resides in the same county as the issuing court.

(k) This section shall not be construed to create a cause of action against any foreign or California corporation, its officers, employees, agents, or other specified persons for providing location information.

(a) Sections 18000 and 18005.

(b) Division 4 (commencing with Section 18250) of Title 2.

(c) Chapter 2 (commencing with Section 33850) of Division 11.

SEC. 10.3. Section 29810 of the Penal Code is amended to read:

29810. (a) For any person who is subject to Section 29800 or 29805, the court shall, at the time judgment is imposed, provide on a form supplied by the Department of Justice, a notice to the defendant prohibited by this chapter from owning, purchasing, receiving, possessing, or having under custody or control, any firearm. The notice shall inform the defendant of the prohibition regarding firearms and include a form to facilitate the transfer of firearms. If the prohibition on owning or possessing a firearm will expire on a date specified in the court order, the form shall inform the defendant that he or she may elect to have his or her firearm transferred to a firearms dealer licensed pursuant to Section 29830.

(b) Failure to provide the notice described in subdivision (a) is not a defense to a violation of this chapter.

(c) *This section shall be repealed effective January 1, 2018.*

SEC. 10.4. Section 29810 is added to the Penal Code, to read:

29810. (a) (1) *Upon conviction of any offense that renders a person subject to Section 29800 or Section 29805, the person shall relinquish all firearms he or she owns, possesses, or has under his or her custody or control in the manner provided in this section.*

(2) *The court shall, upon conviction of a defendant for an offense described in subdivision (a), instruct the defendant that he or she is prohibited from owning, purchasing, receiving, possessing, or having under his or her custody or control, any firearms, ammunition, and ammunition feeding devices, including but not limited to magazines, and shall order the defendant to relinquish all firearms in the manner provided in this section. The court shall also provide the defendant with a Prohibited Persons Relinquishment Form developed by the Department of Justice.*

(3) *Using the Prohibited Persons Relinquishment Form, the defendant shall name a designee and grant the designee power of attorney for the purpose of transferring or disposing of any firearms. The designee shall be either a local law enforcement agency or a consenting third party*

who is not prohibited from possessing firearms under state or federal law. The designee shall, within the time periods specified in subdivisions (d) and (e), surrender the firearms to the control of a local law enforcement agency, sell the firearms to a licensed firearms dealer, or transfer the firearms for storage to a firearms dealer pursuant to Section 29830.

(b) The Prohibited Persons Relinquishment Form shall do all of the following:

(1) Inform the defendant that he or she is prohibited from owning, purchasing, receiving, possessing, or having under his or her custody or control, any firearms, ammunition, and ammunition feeding devices, including but not limited to magazines, and that he or she shall relinquish all firearms through a designee within the time periods set forth in subdivision (d) or (e) by surrendering the firearms to the control of a local law enforcement agency, selling the firearms to a licensed firearms dealer, or transferring the firearms for storage to a firearms dealer pursuant to Section 29830.

(2) Inform the defendant that any cohabitant of the defendant who owns firearms must store those firearms in accordance with Section 25135.

(3) Require the defendant to declare any firearms that he or she owned, possessed, or had under his or her custody or control at the time of his or her conviction, and require the defendant to describe the firearms and provide all reasonably available information about the location of the firearms to enable a designee or law enforcement officials to locate the firearms.

(4) Require the defendant to name a designee, if the defendant declares that he or she owned, possessed, or had under his or her custody or control any firearms at the time of his or her conviction, and grant the designee power of attorney for the purpose of transferring or disposing of all firearms.

(5) Require the designee to indicate his or her consent to the designation and, except a designee that is a law enforcement agency, to declare under penalty of perjury that he or she is not prohibited from possessing any firearms under state or federal law.

(6) Require the designee to state the date each firearm was relinquished and the name of the party to whom it was relinquished, and to attach receipts from the law enforcement officer or licensed firearms dealer who took possession of the relinquished firearms.

(7) Inform the defendant and the designee of the obligation to submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer within the time periods specified in subdivisions (d) and (e).

(c) (1) When a defendant is convicted of an offense described in subdivision (a), the court shall immediately assign the matter to a probation officer to investigate whether the Automated Firearms System or other credible information, such as a police report, reveals that the defendant owns, possesses, or has under his or her custody or control any firearms. The assigned probation officer shall receive the Prohibited Persons Relinquishment Form from the defendant or the defendant's designee, as applicable, and ensure that the Automated Firearms System has been properly updated to indicate that the defendant has relinquished those firearms.

(2) Prior to final disposition or sentencing in the case, the assigned probation officer shall report to the court whether

the defendant has properly complied with the requirements of this section by relinquishing all firearms identified by the probation officer's investigation or declared by the defendant on the Prohibited Persons Relinquishment Form, and by timely submitting a completed Prohibited Persons Relinquishment Form. The probation officer shall also report to the Department of Justice on a form to be developed by the department whether the Automated Firearms System has been updated to indicate which firearms have been relinquished by the defendant.

(3) Prior to final disposition or sentencing in the case, the court shall make findings concerning whether the probation officer's report indicates that the defendant has relinquished all firearms as required, and whether the court has received a completed Prohibited Persons Relinquishment Form, along with the receipts described in paragraph (1) of subdivision (d) or paragraph (1) of subdivision (e). The court shall ensure that these findings are included in the abstract of judgment. If necessary to avoid a delay in sentencing, the court may make and enter these findings within 14 days of sentencing.

(4) If the court finds probable cause that the defendant has failed to relinquish any firearms as required, the court shall order the search for and removal of any firearms at any location where the judge has probable cause to believe the defendant's firearms are located. The court shall state with specificity the reasons for and scope of the search and seizure authorized by the order.

(5) Failure by a defendant to timely file the completed Prohibited Persons Relinquishment Form with the assigned probation officer shall constitute an infraction punishable by a fine not exceeding one hundred dollars (\$100).

(d) The following procedures shall apply to any defendant who is a prohibited person within the meaning of paragraph (1) of subdivision (a) who does not remain in custody at any time within the five-day period following conviction:

(1) The designee shall dispose of any firearms the defendant owns, possesses, or has under his or her custody or control within five days of the conviction by surrendering the firearms to the control of a local law enforcement agency, selling the firearms to a licensed firearms dealer, or transferring the firearms for storage to a firearms dealer pursuant to Section 29830, in accordance with the wishes of the defendant. Any proceeds from the sale of the firearms shall become the property of the defendant. The law enforcement officer or licensed dealer taking possession of any firearms pursuant to this subdivision shall issue a receipt to the designee describing the firearms and listing any serial number or other identification on the firearms at the time of surrender.

(2) If the defendant owns, possesses, or has under his or her custody or control any firearms to relinquish, the defendant's designee shall submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer within five days following the conviction, along with the receipts described in paragraph (1) of subdivision (d) showing the defendant's firearms were surrendered to a local law enforcement agency or sold or transferred to a licensed firearms dealer.

(3) If the defendant does not own, possess, or have under his or her custody or control any firearms to relinquish, he or she shall, within five days following conviction, submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer, with a statement affirming that he or she has no firearms to be relinquished.

(e) *The following procedures shall apply to any defendant who is a prohibited person within the meaning of paragraph (1) of subdivision (a) who is in custody at any point within the five-day period following conviction:*

(1) *The designee shall dispose of any firearms the defendant owns, possesses, or has under his or her custody or control within 14 days of the conviction by surrendering the firearms to the control of a local law enforcement agency, selling the firearms to a licensed firearms dealer, or transferring the firearms for storage to a firearms dealer pursuant to Section 29830, in accordance with the wishes of the defendant. Any proceeds from the sale of the firearms shall become the property of the defendant. The law enforcement officer or licensed dealer taking possession of any firearms pursuant to this subdivision shall issue a receipt to the designee describing the firearms and listing any serial number or other identification on the firearms at the time of surrender.*

(2) *If the defendant owns, possesses, or has under his or her custody or control any firearms to relinquish, the defendant's designee shall submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer, within 14 days following conviction, along with the receipts described in paragraph (1) of subdivision (e) showing the defendant's firearms were surrendered to a local law enforcement agency or sold or transferred to a licensed firearms dealer.*

(3) *If the defendant does not own, possess, or have under his or her custody or control any firearms to relinquish, he or she shall, within 14 days following conviction, submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer, with a statement affirming that he or she has no firearms to be relinquished.*

(4) *If the defendant is released from custody during the 14 days following conviction and a designee has not yet taken temporary possession of each firearm to be relinquished as described above, the defendant shall, within five days following his or her release, relinquish each firearm required to be relinquished pursuant to paragraph (1) of subdivision (d).*

(f) *For good cause, the court may shorten or enlarge the time periods specified in subdivisions (d) and (e), enlarge the time period specified in paragraph (3) of subdivision (c), or allow an alternative method of relinquishment.*

(g) *The defendant shall not be subject to prosecution for unlawful possession of any firearms declared on the Prohibited Persons Relinquishment Form if the firearms are relinquished as required.*

(h) *Any firearms that would otherwise be subject to relinquishment by a defendant under this section, but which are lawfully owned by a cohabitant of the defendant, shall be exempt from relinquishment, provided the defendant is notified that the cohabitant must store the firearm in accordance with Section 25135.*

(i) *A law enforcement agency shall update the Automated Firearms System to reflect any firearms that were relinquished to the agency pursuant to this section. A law enforcement agency shall retain a firearm that was relinquished to the agency pursuant to this section for 30 days after the date the firearm was relinquished. After the 30-day period has expired, the firearm is subject to destruction, retention, sale or other transfer by the agency, except upon the certificate of a judge of a court of record, or of the district attorney of the county, that the retention of the firearm is necessary or proper to the ends of justice,*

or if the defendant provides written notice of an intent to appeal a conviction for an offense described in subdivision (a), or if the Automated Firearms System indicates that the firearm was reported lost or stolen by the lawful owner. If the firearm was reported lost or stolen, the firearm shall be restored to the lawful owner, as soon as its use as evidence has been served, upon the lawful owner's identification of the weapon and proof of ownership, and after the law enforcement agency has complied with Chapter 2 (commencing with Section 33850) of Division 11 of Title 4. The agency shall notify the Department of Justice of the disposition of relinquished firearms pursuant to Section 34010.

(j) *A city, county, or city and county, or a state agency may adopt a regulation, ordinance, or resolution imposing a charge equal to its administrative costs relating to the seizure, impounding, storage, or release of a firearm pursuant to Section 33880.*

(k) *This section shall become operative on January 1, 2018.*

(b) *This section shall not be applicable to any theft that may be charged as an infraction pursuant to any other provision of law.*

(c) *This section shall not apply to theft of a firearm.*

SEC. 11.2. Section 29805 of the Penal Code is amended to read:

29805. *Except as provided in Section 29855 or subdivision (a) of Section 29800, any person who has been convicted of a misdemeanor violation of Section 71, 76, 136.1, 136.5, or 140, subdivision (d) of Section 148, Section 171b, paragraph (1) of subdivision (a) of Section 171c, 171d, 186.28, 240, 241, 242, 243, 243.4, 244.5, 245, 245.5, 246.3, 247, 273.5, 273.6, 417, 417.6, 422, 626.9, 646.9, or 830.95, subdivision (a) of former Section 12100, as that section read at any time from when it was enacted by Section 3 of Chapter 1386 of the Statutes of 1988 to when it was repealed by Section 18 of Chapter 23 of the Statutes of 1994, Section 17500, 17510, 25300, 25800, 30315, or 32625, subdivision (b) or (d) of Section 26100, or Section 27510, or Section 8100, 8101, or 8103 of the Welfare and Institutions Code, any firearm-related offense pursuant to Sections 871.5 and 1001.5 of the Welfare and Institutions Code, Section 490.2 if the property taken was a firearm, or of the conduct punished in subdivision (c) of Section 27590, and who, within 10 years of the conviction, owns, purchases, receives, or has in possession or under custody or control, any firearm is guilty of a public offense, which shall be punishable by imprisonment in a county jail not exceeding one year or in the state prison, by a fine not*

exceeding one thousand dollars (\$1,000), or by both that imprisonment and fine. The court, on forms prescribed by the Department of Justice, shall notify the department of persons subject to this section. However, the prohibition in this section may be reduced, eliminated, or conditioned as provided in Section 29855 or 29860.

SEC. 12. Interim Standards.

Notwithstanding the Administrative Procedure Act (APA), and in order to facilitate the prompt implementation of the Safety for All Act of 2016, the California Department of Justice may adopt interim standards without compliance with the procedures set forth in the APA. The interim standards shall remain in effect for no more than two years, and may be earlier superseded by regulations adopted pursuant to the APA. "Interim standards" means temporary standards that perform the same function as "emergency regulations" under the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), except that in order to provide greater opportunity for public comment on permanent regulations, the interim standards may remain in force for two years rather than 180 days.

SEC. 13. Amending the Measure.

This Act shall be broadly construed to accomplish its purposes. The provisions of this measure may be amended by a vote of 55 percent of the members of each house of the Legislature and signed by the Governor so long as such amendments are consistent with and further the intent of this Act.

SEC. 14. Conflicting Measures.

(a) In the event that this measure and another measure on the same subject matter, including but not limited to the regulation of the sale or possession of firearms or ammunition, shall appear on the same statewide ballot, the provisions of the other measure or measures shall be deemed to be in conflict with this measure. In the event that this measure receives a greater number of affirmative votes than a measure deemed to be in conflict with it, the provisions of this measure shall prevail in their entirety, and the other measure or measures shall be null and void.

(b) If this measure is approved by voters but superseded by law by any other conflicting measure approved by voters at the same election, and the conflicting ballot measure is later held invalid, this measure shall be self-executing and given full force and effect.

SEC. 15. Severability.

If any provision of this measure, or part of this measure, or the application of any provision or part to any person or circumstance, is for any reason held to be invalid or unconstitutional, the remaining provisions, or applications of provisions, shall not be affected, but shall remain in full force and effect, and to this end the provisions of this measure are severable.

SEC. 16. Proponent Standing.

of California or the Supreme Court of the United States. The reasonable fees and costs of defending the action shall be a charge on funds appropriated to the Department of Justice, which shall be satisfied promptly.

PROPOSED LAW

SECTION 1. Title.

This measure shall be known and may be cited as the Control, Regulate and Tax Adult Use of Marijuana Act ("the Adult Use of Marijuana Act").

SEC. 2. Findings and Declarations.

A. Currently in California, nonmedical marijuana use is unregulated, untaxed, and occurs without any consumer or environmental protections. The Control, Regulate and Tax Adult Use of Marijuana Act will legalize marijuana for those over 21 years old, protect children, and establish laws to regulate marijuana cultivation, distribution, sale and use, and will protect Californians and the environment from potential dangers. It establishes the Bureau of Marijuana Control within the Department of Consumer Affairs to regulate and license the marijuana industry.

B. Marijuana is currently legal in our state for medical use and illegal for nonmedical use. Abuse of the medical marijuana system in California has long been widespread, but recent bipartisan legislation signed by Governor Jerry Brown is establishing a comprehensive regulatory scheme for medical marijuana. The Control, Regulate and Tax Adult Use of Marijuana Act (hereafter called the Adult Use of Marijuana Act) will consolidate and streamline regulation and taxation for both nonmedical and medical marijuana.

C. Currently, marijuana growth and sale is not being taxed by the State of California, which means our state is missing out on hundreds of millions of dollars in potential tax revenue every year. The Adult Use of Marijuana Act will tax both the growth and sale of marijuana to generate hundreds of millions of dollars annually. The revenues will cover the cost of administering the new law and will provide funds to: invest in public health programs that educate youth to prevent and treat serious substance abuse; train local law enforcement to enforce the new law with a focus on DUI enforcement; invest in communities to reduce the illicit market and create job opportunities; and provide for environmental cleanup and restoration of public lands damaged by illegal marijuana cultivation.

D. Currently, children under the age of 18 can just as easily purchase marijuana on the black market as adults can. By legalizing marijuana, the Adult Use of Marijuana Act will incapacitate the black market, and move marijuana purchases into a legal structure with strict safeguards against children accessing it. The Adult Use of Marijuana Act prohibits the sale of nonmedical marijuana to those

under 21 years old, and provides new resources to educate youth against drug abuse and train local law enforcement to enforce the new law. It bars marijuana businesses from being located within 600 feet of schools and other areas where children congregate. It establishes mandatory and strict packaging and labeling requirements for marijuana and marijuana products. And it mandates that marijuana and marijuana products cannot be advertised or marketed towards children.

E. There are currently no laws governing adult use marijuana businesses to ensure that they operate in accordance with existing California laws. Adult use of marijuana may only be accessed from the unregulated illicit market. The Adult Use of Marijuana Act sets up a comprehensive system governing marijuana businesses at the state level and safeguards local control, allowing local governments to regulate marijuana-related activities, to subject marijuana businesses to zoning and permitting requirements, and to ban marijuana businesses by a vote of the people within a locality.

F. Currently, illegal marijuana growers steal or divert millions of gallons of water without any accountability. The Adult Use of Marijuana Act will create strict environmental regulations to ensure that the marijuana is grown efficiently and legally, to regulate the use of pesticides, to prevent wasting water, and to minimize water usage. The Adult Use of Marijuana Act will crack down on the illegal use of water and punish bad actors, while providing funds to restore lands that have been damaged by illegal marijuana grows. If a business does not demonstrate they are in full compliance with the applicable water usage and environmental laws, they will have their license revoked.

G. Currently, the courts are clogged with cases of non-violent drug offenses. By legalizing marijuana, the Adult Use of Marijuana Act will alleviate pressure on the courts, but continue to allow prosecutors to charge the most serious marijuana-related offenses as felonies, while reducing the penalties for minor marijuana-related offenses as set forth in the act.

H. By bringing marijuana into a regulated and legitimate market, the Adult Use of Marijuana Act creates a transparent and accountable system. This will help police crackdown on the underground black market that currently benefits violent drug cartels and transnational gangs, which are making billions from marijuana trafficking and jeopardizing public safety.

I. The Adult Use of Marijuana Act creates a comprehensive regulatory structure in which every marijuana business is overseen by a specialized agency with relevant expertise. The Bureau of Marijuana Control, housed in the Department of Consumer Affairs, will oversee the whole system and ensure a smooth transition to the legal market, with licenses issued beginning in 2018. The Department of Consumer Affairs will also license and oversee marijuana retailers, distributors, and microbusinesses. The Department of Food and Agriculture will license and oversee marijuana cultivation, ensuring it is environmentally safe. The State Department of Public Health will license and oversee manufacturing and testing, ensuring consumers receive a safe product. The State Board of Equalization will collect the special marijuana taxes, and the Controller will allocate the revenue to administer the new law and provide the funds to critical investments.

J. The Adult Use of Marijuana Act ensures the nonmedical marijuana industry in California will be built around small and medium sized businesses by prohibiting large-scale

cultivation licenses for the first five years. The Adult Use of Marijuana Act also protects consumers and small businesses by imposing strict anti-monopoly restrictions for businesses that participate in the nonmedical marijuana industry.

SEC. 3. Purpose and Intent.

The purpose of the Adult Use of Marijuana Act is to establish a comprehensive system to legalize, control and regulate the cultivation, processing, manufacture, distribution, testing, and sale of nonmedical marijuana, including marijuana products, for use by adults 21 years and older, and to tax the commercial growth and retail sale of marijuana. It is the intent of the people in enacting this act to accomplish the following:

(a) Take nonmedical marijuana production and sales out of the hands of the illegal market and bring them under a regulatory structure that prevents access by minors and protects public safety, public health, and the environment.

(b) Strictly control the cultivation, processing, manufacture, distribution, testing and sale of nonmedical marijuana through a system of state licensing, regulation, and enforcement.

(c) Allow local governments to enforce state laws and regulations for nonmedical marijuana businesses and enact additional local requirements for nonmedical marijuana businesses, but not require that they do so for a nonmedical marijuana business to be issued a state license and be legal under state law.

(d) Allow local governments to ban nonmedical marijuana businesses as set forth in this act.

(e) Require track and trace management procedures to track nonmedical marijuana from cultivation to sale.

(f) Require nonmedical marijuana to be comprehensively tested by independent testing services for the presence of contaminants, including mold and pesticides, before it can be sold by licensed businesses.

(g) Require nonmedical marijuana sold by licensed businesses to be packaged in child-resistant containers and be labeled so that consumers are fully informed about potency and the effects of ingesting nonmedical marijuana.

(h) Require licensed nonmedical marijuana businesses to follow strict environmental and product safety standards as a condition of maintaining their license.

(i) Prohibit the sale of nonmedical marijuana by businesses that also sell alcohol or tobacco.

(j) Prohibit the marketing and advertising of nonmedical marijuana to persons younger than 21 years old or near schools or other places where children are present.

(k) Strengthen the state's existing medical marijuana system by requiring patients to obtain by January 1, 2018, a new recommendation from their physician that meets the strict standards signed into law by the Governor in 2015, and by providing new privacy protections for patients who obtain medical marijuana identification cards as set forth in this act.

(l) Permit adults 21 years and older to use, possess, purchase and grow nonmedical marijuana within defined limits for use by adults 21 years and older as set forth in this act.

(m) Allow local governments to reasonably regulate the cultivation of nonmedical marijuana for personal use by adults 21 years and older through zoning and other local

laws, and only to ban outdoor cultivation as set forth in this act.

(n) Deny access to marijuana by persons younger than 21 years old who are not medical marijuana patients.

(o) Prohibit the consumption of marijuana in a public place unlicensed for such use, including near K-12 schools and other areas where children are present.

(p) Maintain existing laws making it unlawful to operate a car or other vehicle used for transportation while impaired by marijuana.

(q) Prohibit the cultivation of marijuana on public lands or while trespassing on private lands.

(r) Allow public and private employers to enact and enforce workplace policies pertaining to marijuana.

(s) Tax the growth and sale of marijuana in a way that drives out the illicit market for marijuana and discourages use by minors, and abuse by adults.

(t) Generate hundreds of millions of dollars in new state revenue annually for restoring and repairing the environment, youth treatment and prevention, community investment, and law enforcement.

(u) Prevent illegal production or distribution of marijuana.

(v) Prevent the illegal diversion of marijuana from California to other states or countries or to the illegal market.

(w) Preserve scarce law enforcement resources to prevent and prosecute violent crime.

(x) Reduce barriers to entry into the legal, regulated market.

(y) Require minors who commit marijuana-related offenses to complete drug prevention education or counseling and community service.

(z) Authorize courts to resentencing persons who are currently serving a sentence for offenses for which the penalty is reduced by the act, so long as the person does not pose a risk to public safety, and to redesignate or dismiss such offenses from the criminal records of persons who have completed their sentences as set forth in this act.

(aa) Allow industrial hemp to be grown as an agricultural product, and for agricultural or academic research, and regulated separately from the strains of cannabis with higher delta-9 tetrahydrocannabinol concentrations.

26014. (a) The bureau shall convene an advisory committee to advise the bureau and licensing authorities on the development of standards and regulations pursuant to this division, including best practices and guidelines that protect public health and safety while ensuring a regulated environment for commercial marijuana activity that does not impose such unreasonably impracticable barriers so as to perpetuate, rather than reduce and eliminate, the illicit market for marijuana.

(b) The advisory committee members shall include, but not be limited to, representatives of the marijuana industry, representatives of labor organizations, appropriate state and local agencies, public health experts, and other subject matter experts, including representatives from the Department of Alcoholic Beverage Control, with expertise in regulating commercial activity for adult-use intoxicating substances. 26017. In any hearing before a licensing authority pursuant to this division, the licensing authority may pay any person appearing as a witness at the hearing at the request of the licensing authority pursuant to a subpoena, his or her actual, necessary, and reasonable travel, food, and lodging expenses, not to exceed the amount authorized for state employees.

26018. A licensing authority may on its own motion at any time before a penalty assessment is placed into effect, and without any further proceedings, review the penalty, but such review shall be limited to its reduction.

The disciplinary proceedings under this chapter shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the director of each licensing authority shall have all the powers granted therein.

26032. Each licensing authority may take disciplinary action against a licensee for any violation of this division when the violation was committed by the licensee's agent or employee while acting on behalf of the licensee or engaged in commercial marijuana activity.

26033. Upon suspension or revocation of a license, the licensing authority shall inform the bureau. The bureau shall then inform all other licensing authorities.

26034. Accusations against licensees under this division shall be filed within the same time limits as specified in Section 19314 or as otherwise provided by law.

26035. The director shall designate the persons employed by the Department of Consumer Affairs for purposes of the administration and enforcement of this division. The director shall ensure that a sufficient number of employees are qualified peace officers for purposes of enforcing this division.

26036. Nothing in this division shall be interpreted to supersede or limit state agencies from exercising their existing enforcement authority, including, but not limited to, under the Fish and Game Code, the Food and Agricultural Code, the Government Code, the Health and Safety Code, the Public Resources Code, the Water Code, or the application of those laws.

26037. (a) The actions of a licensee, its employees, and its agents that are (1) permitted under a license issued under this division and any applicable local ordinances and (2) conducted in accordance with the requirements of this division and regulations adopted pursuant to this division, are not unlawful under state law and shall not be an offense subject to arrest, prosecution, or other sanction

under state law, or be subject to a civil fine or be a basis for seizure or forfeiture of assets under state law.

(b) The actions of a person who, in good faith, allows his or her property to be used by a licensee, its employees, and its agents, as permitted pursuant to a state license and any applicable local ordinances, are not unlawful under state law and shall not be an offense subject to arrest, prosecution, or other sanction under state law, or be subject to a civil fine or be a basis for seizure or forfeiture of assets under state law.

26038. (a) A person engaging in commercial marijuana activity without a license required by this division shall be subject to civil penalties of up to three times the amount of the license fee for each violation, and the court may order the destruction of marijuana associated with that violation in accordance with Section 11479 of the Health and Safety Code. Each day of operation shall constitute a separate violation of this section. All civil penalties imposed and collected pursuant to this section by a licensing authority shall be deposited into the General Fund except as provided in subdivision (b).

(b) If an action for civil penalties is brought against a licensee pursuant to this division by the Attorney General on behalf of the people, the penalty collected shall be deposited into the General Fund. If the action is brought by a district attorney or county counsel, the penalty shall first be used to reimburse the district attorney or county counsel for the costs of bringing the action for civil penalties, with the remainder, if any, to be deposited into the General Fund. If the action is brought by a city attorney or city prosecutor, the penalty collected shall first be used to reimburse the city attorney or city prosecutor for the costs of bringing the action for civil penalties, with the remainder, if any, to be deposited into the General Fund.

(c) Notwithstanding subdivision (a), criminal penalties shall continue to apply to an unlicensed person engaging in commercial marijuana activity in violation of this division.

CHAPTER 4. APPEALS

26040. (a) There is established in state government a Marijuana Control Appeals Panel which shall consist of three members appointed by the Governor and subject to confirmation by a majority vote of all of the members elected to the Senate. Each member, at the time of his or her initial appointment, shall be a resident of a different county from the one in which either of the other members resides. Members of the panel shall receive an annual salary as provided for by Chapter 6 (commencing with Section 11550) of Part 1 of Division 3 of Title 2 of the Government Code.

(b) The members of the panel may be removed from office by the Governor, and the Legislature shall have the power, by a majority vote of all members elected to each house, to remove any member from office for dereliction of duty, corruption or incompetency.

(c) A concurrent resolution for the removal of any member of the panel may be introduced in the Legislature only if 5 Members of the Senate, or 10 Members of the Assembly, join as authors.

26041. All personnel of the panel shall be appointed, employed, directed, and controlled by the panel consistent with state civil service requirements. The director shall furnish the equipment, supplies, and housing necessary for the authorized activities of the panel and shall perform

such other mechanics of administration as the panel and the director may agree upon.

26042. The panel shall adopt procedures for appeals similar to the procedures used in Article 3 (commencing with Section 23075) and Article 4 (commencing with Section 23080) of Chapter 1.5 of Division 9 of the Business and Professions Code. Such procedures shall be adopted in accordance with the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).

26043. (a) When any person aggrieved thereby appeals from a decision of the bureau or any licensing authority ordering any penalty assessment, issuing, denying, transferring, conditioning, suspending or revoking any license provided for under this division, the panel shall review the decision subject to such limitations as may be imposed by the Legislature. In such cases, the panel shall not receive evidence in addition to that considered by the bureau or the licensing authority.

(b) Review by the panel of a decision of the bureau or a licensing authority shall be limited to the following questions:

- (1) Whether the bureau or any licensing authority has proceeded without or in excess of its jurisdiction.
- (2) Whether the bureau or any licensing authority has proceeded in the manner required by law.
- (3) Whether the decision is supported by the findings.
- (4) Whether the findings are supported by substantial evidence in the light of the whole record.

26044. (a) In appeals where the panel finds that there is relevant evidence which, in the exercise of reasonable diligence, could not have been produced or which was improperly excluded at the hearing before the bureau or licensing authority, it may enter an order remanding the matter to the bureau or licensing authority for reconsideration in the light of such evidence.

(b) Except as provided in subdivision (a), in all appeals, the panel shall enter an order either affirming or reversing the decision of the bureau or licensing authority. When the order reverses the decision of the bureau or licensing authority, the board may direct the reconsideration of the matter in the light of its order and may direct the bureau or licensing authority to take such further action as is specially enjoined upon it by law, but the order shall not limit or control in any way the discretion vested by law in the bureau or licensing authority.

26045. Orders of the panel shall be subject to judicial review under Section 1094.5 of the Code of Civil Procedure upon petition by the bureau or licensing authority or any party aggrieved by such order.

26051. (a) In determining whether to grant, deny, or renew a license authorized under this division, a licensing authority shall consider factors reasonably related to the determination, including, but not limited to, whether it is reasonably foreseeable that issuance, denial, or renewal of the license could:

- (1) Allow unreasonable restraints on competition by creation or maintenance of unlawful monopoly power;

(1) The ratio of a licensee to population in the census tract or census division in which the applicant premises are located exceeds the ratio of licensees to population in

the county in which the applicant premises are located, unless denial of the application would unduly limit the development of the legal market so as to perpetuate the illegal market for marijuana or marijuana products.

(2) The ratio of retail licenses, microbusiness licenses, or licenses under Section 26070.5 to population in the census tract, division or jurisdiction exceeds that allowable by local ordinance adopted under Section 26200.

26052. (a) No licensee shall perform any of the following acts, or permit any such acts to be performed by any employee, agent, or contractor of such licensee:

(4) Sell any marijuana or marijuana products at less than cost for the purpose of injuring competitors, destroying competition, or misleading or deceiving purchasers or prospective purchasers;

(5) Discriminate between different sections, communities, or cities or portions thereof, or between different locations in such sections, communities, cities or portions thereof in this state, by selling or furnishing marijuana or marijuana products at a lower price in one section, community, or city or any portion thereof, or in one location in such section, community, or city or any portion thereof, than in another, for the purpose of injuring competitors or destroying competition; or

(6) Sell any marijuana or marijuana products at less than the cost thereof to such vendor, or to give away any article or product for the purpose of injuring competitors or destroying competition.

(b) Any person who, either as director, officer or agent of any firm or corporation, or as agent of any person, violates the provisions of this chapter, assists or aids, directly or indirectly, in such violation is responsible therefor equally with the person, firm or corporation for which such person acts.

(b) No licensee under this division shall be located within a 600-foot radius of a school providing instruction in kindergarten or any grades 1 through 12, day care center, or youth center that is in existence at the time the license is issued, unless a licensing authority or a local jurisdiction specifies a different radius. The distance specified in this section shall be measured in the same manner as provided in subdivision (c) of Section 11362.768 of the Health and Safety Code unless otherwise provided by law.

(c) It shall be lawful under state and local law, and shall not be a violation of state or local law, for a business engaged in the manufacture of marijuana accessories to possess, transport, purchase or otherwise obtain small amounts of marijuana or marijuana products as necessary to conduct research and development related to such marijuana accessories, provided such marijuana and marijuana products are obtained from a person or entity licensed under this division or Chapter 3.5 (commencing with Section 19300) of Division 8 permitted to provide or deliver such marijuana or marijuana products.

26054.1. (a) No licensing authority shall issue or renew a license to any person that cannot demonstrate continuous California residency from or before January 1, 2015. In the case of an applicant or licensee that is an entity, the entity shall not be considered a resident if any person controlling the entity cannot demonstrate continuous California residency from and before January 1, 2015.

(b) Subdivision (a) shall cease to be operative on December 31, 2019, unless reenacted prior thereto by the Legislature.

26054.2. (a) A licensing authority shall give priority in issuing licenses under this division to applicants that can demonstrate to the authority's satisfaction that the applicant operated in compliance with the Compassionate Use Act and its implementing laws before September 1, 2016, or currently operates in compliance with Chapter 3.5 (commencing with Section 19300) of Division 8.

(b) The bureau shall request that local jurisdictions identify for the bureau potential applicants for licensure based on the applicants' prior operation in the local jurisdiction in compliance with state law, including the Compassionate Use Act and its implementing laws, and any applicable local laws. The bureau shall make the requested information available to licensing authorities.

(c) In addition to or in lieu of the information described in subdivision (b), an applicant may furnish other evidence to demonstrate operation in compliance with the Compassionate Use Act or Chapter 3.5 (commencing with Section 19300) of Division 8. For purposes of this section, material or substantial physical changes of the premises, or in the usage of the premises, shall include, but not be limited to, a substantial increase or decrease in the total area of the licensed premises previously diagrammed, or any other physical modification resulting in substantial change in the mode or character of business operation.

(e) Licensing authorities shall not approve an application for a state license under this division if approval of the state license will violate the provisions of any local ordinance or regulation adopted in accordance with Section 26200.

26056. An applicant for any type of state license issued pursuant to this division shall comply with the same requirements as set forth in Section 19322 unless otherwise provided by law, including electronic submission of fingerprint images, and any other requirements imposed by law or a licensing authority, except as follows:

(2) Extraction and infusion methods.

(3) The transportation process.

(4) The inventory process.

(5) Quality control procedures.

(6) The source or sources of water the applicant will use for the licensed activities, including a certification that the applicant may use that water legally under state law.

(d) The applicant shall provide a complete detailed diagram of the proposed premises wherein the license privileges will be exercised, with sufficient particularity to enable ready determination of the bounds of the premises, showing all boundaries, dimensions, entrances and exits, interior partitions, walls, rooms, and common or shared entryways, and include a brief statement or description of the principal activity to be conducted therein, and, for licenses permitting cultivation, measurements of the planned canopy including aggregate square footage and

individual square footage of separate cultivation areas, if any.

26056.5. (b) The licensing authority may deny the application for licensure or renewal of a state license if any of the following conditions apply:

(1) Failure to comply with the provisions of this division, any rule or regulation adopted pursuant to this division, or any requirement imposed to protect natural resources, including, but not limited to, protections for instream flow and water quality.

(2) Conduct that constitutes grounds for denial of licensure under Chapter 2 (commencing with Section 480) of Division 1.5, except as otherwise specified in this section and Section 26059.

(3) Failure to provide information required by the licensing authority.

(4) The applicant or licensee has been convicted of an offense that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made, except that if the licensing authority determines that the applicant or licensee is otherwise suitable to be issued a license, and granting the license would not compromise public safety, the licensing authority shall conduct a thorough review of the nature of the crime, conviction, circumstances, and evidence of rehabilitation of the applicant, and shall evaluate the suitability of the applicant or licensee to be issued a license based on the evidence found through the review. In determining which offenses are substantially related to the qualifications, functions, or duties of the business or profession for which the application is made, the licensing authority shall include, but not be limited to, the following:

(A) A violent felony conviction, as specified in subdivision (c) of Section 667.5 of the Penal Code.

(B) A serious felony conviction, as specified in subdivision (c) of Section 1192.7 of the Penal Code.

furnish, administering, or giving any controlled substance to a minor.

(E) A felony conviction for drug trafficking with enhancements pursuant to Section 11370.4 or 11379.8.

(5) Except as provided in subparagraphs (D) and (E) of paragraph (4) and notwithstanding Chapter 2 (commencing with Section 480) of Division 1.5, a prior conviction, where the sentence, including any term of probation, incarceration, or supervised release, is completed, for possession of, possession for sale, sale, manufacture, transportation, or cultivation of a controlled substance is not considered substantially related, and shall not be the sole ground for denial of a license. Conviction for any controlled substance felony subsequent to licensure shall be grounds for revocation of a license or denial of the renewal of a license.

(6) The applicant, or any of its officers, directors, or owners, has been subject to fines or penalties for cultivation or production of a controlled substance on public or private lands pursuant to Section 12025 or 12025.1 of the Fish and Game Code.

(7) The applicant, or any of its officers, directors, or owners, has been sanctioned by a licensing authority or a city, county, or city and county for unauthorized commercial marijuana activities or commercial medical cannabis activities, has had a license revoked under this division or Chapter 3.5 (commencing with Section 19300) of Division 8 in the three years immediately preceding the date the application is filed with the licensing authority, or has been sanctioned under Section 12025 or 12025.1 of the Fish and Game Code.

(8) Failure to obtain and maintain a valid seller's permit required pursuant to Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code.

(9) Any other condition specified in law.

26058. Upon the denial of any application for a license, the licensing authority shall notify the applicant in writing.

26059. An applicant shall not be denied a state license if the denial is based solely on any of the following:

In implementing the program, the department shall consider issues including, but not limited to, water use and environmental impacts. In implementing the program, the department shall ensure that:

(A) Individual and cumulative effects of water diversion and discharge associated with cultivation do not affect the instream flows needed for fish spawning, migration, and rearing, and the flows needed to maintain natural flow variability. If a watershed cannot support additional cultivation, no new plant identifiers will be issued for that watershed.

(B) Cultivation will not negatively impact springs, riparian wetlands and aquatic habitats.

(2) The department shall establish a program for the identification of permitted marijuana plants at a cultivation site during the cultivation period. Microbusiness licenses that authorize cultivation of marijuana shall include conditions requested by the Department of Fish and Wildlife and the State Water Resources Control Board to ensure that individual and cumulative effects of water diversion and discharge associated with cultivation do not affect the instream flows needed for fish spawning, migration, and rearing, and the flow needed to maintain flow variability, and otherwise protect fish, wildlife, fish and wildlife habitat, and water quality.

(b) The bureau shall establish minimum security and transportation safety requirements for the commercial distribution and delivery of marijuana and marijuana products. 26070.5. (a) The bureau shall, by January 1, 2018, investigate the feasibility of creating one or more classifications of nonprofit licenses under this section. The feasibility determination shall be made in consultation with the relevant licensing agencies and representatives of local jurisdictions which issue temporary licenses pursuant to subdivision (b). The bureau shall consider factors including, but not limited to, the following:

(d) The bureau may impose reasonable additional requirements on the local licenses authorized under subdivision (b).

(e) (1) No new temporary local licenses shall be issued pursuant to this section after the date the bureau determines that creation of nonprofit licenses under this

division is not feasible, or if the bureau determines such licenses are feasible, after the date a licensing agency commences issuing state nonprofit licenses.

(2) If the bureau determines such licenses are feasible, no temporary license issued under subdivision (b) shall be renewed or extended after the date on which a licensing agency commences issuing state nonprofit licenses.

(3) If the bureau determines that creation of nonprofit licenses under this division is not feasible, the bureau shall provide notice of this determination to all local jurisdictions that have issued temporary licenses under subdivision (b). The bureau may, in its discretion, permit any such local jurisdiction to renew or extend on an annual basis any temporary license previously issued under subdivision (b).

Notwithstanding anything herein to the contrary, the board may waive any security requirement it imposes for good cause, as determined by the board. "Good cause" includes, but is not limited to, the inability of a cultivator, microbusiness, nonprofit, or other person required to be licensed to obtain security due to a lack of service providers or the policies of service providers that prohibit service to a marijuana business. A person may not commence or continue any business or operation relating to marijuana cultivation until any surety required by the board with respect to the business or operation has been properly prepared, executed and submitted under this part.

(c) In fixing the amount of any security required by the board, the board shall give consideration to the financial hardship that may be imposed on licensees as a result of any shortage of available surety providers.

34017. The Legislative Analyst's Office shall submit a report to the Legislature by January 1, 2020, with recommendations to the Legislature for adjustments to the tax rate to achieve the goals of undercutting illicit market prices and discouraging use by persons younger than 21 years of age while ensuring sufficient revenues are generated for the programs identified in Section 34019.

Any court or agency having custody of the records, including the statewide criminal databases, shall provide for the timely destruction of the records in accordance with subdivision (c), and such records must also be purged from the statewide criminal databases. As used in this subdivision, "records pertaining to the arrest or conviction" shall include records of arrests resulting in the criminal proceeding and records relating to other offenses charged in the accusatory pleading, whether defendant was acquitted or charges were dismissed. The two-year period beyond which records shall not be kept pursuant to this subdivision shall not apply to any person who is, at the time at which this subdivision would otherwise require record destruction, incarcerated for an offense subject to this subdivision. For such persons, the two-year period shall begin to run from the date the person is released from custody. (b) This subdivision applies only to records of convictions and arrests not followed by conviction occurring prior to January 1, 1976, for any of the following offenses:

(1) Any violation of Section 11357 or a statutory predecessor thereof.

(4) Unlawfully using or being under the influence of marijuana, in violation of Section 11550, as it existed prior to January 1, 1976, or a statutory predecessor thereof.

Any person subject to an arrest or conviction for those offenses may apply to the Department of Justice for destruction of records pertaining to the arrest or conviction if two or more years have elapsed since the date of the conviction, or since the date of the arrest if not followed by a conviction. The application shall be submitted upon a form supplied by the Department of Justice and shall be

accompanied by a fee, which shall be established by the department in an amount which will defray the cost of administering this subdivision and costs incurred by the state under subdivision (c), but which shall not exceed thirty-seven dollars and fifty cents (\$37.50). The application form may be made available at every local police or sheriff's department and from the Department of Justice and may require that information which the department determines is necessary for purposes of identification.

The department may request, but not require, the applicant to include a self-administered fingerprint upon the application. If the department is unable to sufficiently identify the applicant for purposes of this subdivision without the fingerprint or without additional fingerprints, it shall so notify the applicant and shall request the applicant to submit any fingerprints which may be required to effect identification, including a complete set if necessary, or, alternatively, to abandon the application and request a refund of all or a portion of the fee submitted with the application, as provided in this section. If the applicant fails or refuses to submit fingerprints in accordance with the department's request within a reasonable time which shall be established by the department, or if the applicant requests a refund of the fee, the department shall promptly mail a refund to the applicant at the address specified in the application or at any other address which may be specified by the applicant. However, if the department has notified the applicant that election to abandon the application will result in forfeiture of a specified amount which is a portion of the fee, the department may retain a portion of the fee which the department determines will defray the actual costs of processing the application, provided the amount of the portion retained shall not exceed ten dollars (\$10).

Upon receipt of a sufficient application, the Department of Justice shall destroy records of the department, if any, pertaining to the arrest or conviction in the manner prescribed by subdivision (c) and shall notify the Federal Bureau of Investigation, the law enforcement agency which arrested the applicant, and, if the applicant was convicted, the probation department which investigated the applicant and the Department of Motor Vehicles, of the application.

(c) Destruction of records of arrest or conviction pursuant to subdivision (a) or (b) shall be accomplished by permanent obliteration of all entries or notations upon the records pertaining to the arrest or conviction, and the record shall be prepared again so that it appears that the arrest or conviction never occurred. However, where (1) the only entries upon the record pertain to the arrest or conviction and (2) the record can be destroyed without necessarily effecting the destruction of other records, then the document constituting the record shall be physically destroyed.

(d) Notwithstanding subdivision (a) or (b), written transcriptions of oral testimony in court proceedings and published judicial appellate reports are not subject to this section. Additionally, no records shall be destroyed pursuant to subdivision (a) if the defendant or a codefendant has filed a civil action against the peace officers or law enforcement jurisdiction which made the arrest or instituted the prosecution and if the agency which is the custodian of those records has received a certified copy of the complaint in the civil action, until the civil action has finally been resolved. SEC. 8.7. Section 11361.8 is added to the Health and Safety Code, to read:

11361.8. (a) A person currently serving a sentence for a conviction, whether by trial or by open or negotiated plea, who would not have been guilty of an offense, or who would have been guilty of a lesser offense under the Control, Regulate and Tax Adult Use of Marijuana Act had that act been in effect at the time of the offense may petition for a recall or dismissal of sentence before the trial court that entered the judgment of conviction in his or her case to request resentencing or dismissal in accordance with Sections 11357, 11358, 11359, 11360, 11362.1, 11362.2, 11362.3, and 11362.4 as those sections have been amended or added by that act.

(b) Upon receiving a petition under subdivision (a), the court shall presume the petitioner satisfies the criteria in subdivision (a) unless the party opposing the petition proves by clear and convincing evidence that the petitioner does not satisfy the criteria. If the petitioner satisfies the criteria in subdivision (a), the court shall grant the petition to recall the sentence or dismiss the sentence because it is legally invalid unless the court determines that granting the petition would pose an unreasonable risk of danger to public safety.

(1) In exercising its discretion, the court may consider, but shall not be limited to evidence provided for in subdivision (b) of Section 1170.18 of the Penal Code.

(2) As used in this section, "unreasonable risk of danger to public safety" has the same meaning as provided in subdivision (c) of Section 1170.18 of the Penal Code.

(c) A person who is serving a sentence and is resentenced pursuant to subdivision (b) shall be given credit for any time already served and shall be subject to supervision for one year following completion of his or her time in custody or shall be subject to whatever supervision time he or she would have otherwise been subject to after release, whichever is shorter, unless the court, in its discretion, as part of its resentencing order, releases the person from supervision. Such person is subject to parole supervision under Section 3000.08 of the Penal Code or post-release community supervision under subdivision (a) of Section 3451 of the Penal Code by the designated agency and the jurisdiction of the court in the county in which the offender is released or resides, or in which an alleged violation of supervision has occurred, for the purpose of hearing petitions to revoke supervision and impose a term of custody.

(d) Under no circumstances may resentencing under this section result in the imposition of a term longer than the original sentence, or the reinstatement of charges dismissed pursuant to a negotiated plea agreement.

(e) A person who has completed his or her sentence for a conviction under Sections 11357, 11358, 11359, and 11360, whether by trial or open or negotiated plea, who would not have been guilty of an offense or who would have been guilty of a lesser offense under the Control, Regulate and Tax Adult Use of Marijuana Act had that act been in effect at the time of the offense, may file an application before the trial court that entered the judgment of conviction in his or her case to have the conviction dismissed and sealed because the prior conviction is now legally invalid or redesignated as a misdemeanor or infraction in accordance with Sections 11357, 11358,

11359, 11360, 11362.1, 11362.2, 11362.3, and 11362.4 as those sections have been amended or added by that act.

(f) The court shall presume the petitioner satisfies the criteria in subdivision (e) unless the party opposing the application proves by clear and convincing evidence that the petitioner does not satisfy the criteria in subdivision (e). Once the applicant satisfies the criteria in subdivision (e), the court shall redesignate the conviction as a misdemeanor or infraction or dismiss and seal the conviction as legally invalid as now established under the Control, Regulate and Tax Adult Use of Marijuana Act.

(g) Unless requested by the applicant, no hearing is necessary to grant or deny an application filed under subdivision (e).

(h) Any felony conviction that is recalled and resentenced under subdivision (b) or designated as a misdemeanor or infraction under subdivision (f) shall be considered a misdemeanor or infraction for all purposes. Any misdemeanor conviction that is recalled and resentenced under subdivision (b) or designated as an infraction under subdivision (f) shall be considered an infraction for all purposes.

(i) If the court that originally sentenced the petitioner is not available, the presiding judge shall designate another judge to rule on the petition or application.

(j) Nothing in this section is intended to diminish or abrogate any rights or remedies otherwise available to the petitioner or applicant.

(k) Nothing in this and related sections is intended to diminish or abrogate the finality of judgments in any case not falling within the purview of the Control, Regulate and Tax Adult Use of Marijuana Act.

(l) A resentencing hearing ordered under the Control, Regulate and Tax Adult Use of Marijuana Act shall constitute a "post-conviction release proceeding" under paragraph (7) of subdivision (b) of Section 28 of Article I of the California Constitution (Marsy's Law).

(m) The provisions of this section shall apply equally to juvenile delinquency adjudications and dispositions under Section 602 of the Welfare and Institutions Code if the juvenile would not have been guilty of an offense or would have been guilty of a lesser offense under the Control, Regulate and Tax Adult Use of Marijuana Act.

(n) The Judicial Council shall promulgate and make available all necessary forms to enable the filing of the petitions and applications provided in this section.

11018.5. Industrial Hemp.

(a) "Industrial hemp" means a fiber or oilseed crop, or both, that is limited to nonpsychoactive types of the plant *Cannabis sativa* L. and the seed produced therefrom, having no more than three-tenths of 1 percent tetrahydrocannabinol (THC) contained in the dried flowering tops, whether growing or not; and that is cultivated and processed exclusively for the purpose of producing the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, the resin extracted from any part of the plant; and or any other every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds or mature

SEC. 9.3. Section 81006 of the Food and Agricultural Code is amended to read:

81006. Industrial Hemp Growth Limitations; Prohibitions; Imports; Laboratory Testing.

(a) (1) Except when grown by an established agricultural research institution or a registered seed breeder, industrial hemp shall be grown only as a densely planted fiber or oilseed crop, or both, in acreages of not less than five acres one-tenth of an acre at the same time and no portion of an

acreage of industrial hemp shall include plots of less than one contiguous acre.

(2) Registered seed breeders, for purposes of seed production, shall only grow industrial hemp as a densely planted crop in acreages of not less than *one-tenth of an acre* at the same time and ~~no portion of the acreage of industrial hemp shall include plots of less than one contiguous acre.~~

(3) Registered seed breeders, for purposes of developing a new California seed cultivar, shall grow industrial hemp as densely as possible in dedicated acreage of not less than *one-tenth of an acre* and in accordance with the seed development plan. The entire area of the dedicated acreage is not required to be used for the cultivation of the particular seed cultivar.

(b) Ornamental and clandestine cultivation of industrial hemp is prohibited. All plots shall have adequate signage indicating they are industrial hemp.

(c) Pruning and tending of individual industrial hemp plants is prohibited, except when grown by an established agricultural research institution or when the action is necessary to perform the tetrahydrocannabinol (THC) testing described in this section.

(d) Culling of industrial hemp is prohibited, except when grown by an established agricultural research institution, when the action is necessary to perform the THC testing described in this section, or for purposes of seed production and development by a registered seed breeder.

(e) Industrial hemp shall include products imported under the Harmonized Tariff Schedule of the United States (2013) of the United States International Trade Commission, including, but not limited to, hemp seed, per subheading 1207.99.03, hemp oil, per subheading 1515.90.80, oilcake, per subheading 2306.90.01, true hemp, per heading 5302, true hemp yarn, per subheading 5308.20.00, and woven fabrics of true hemp fibers, per subheading 5311.00.40.

(f) Except when industrial hemp is grown by an established agricultural research institution, a registrant that grows industrial hemp under this section shall, before the harvest of each crop and as provided below, obtain a laboratory test report indicating the THC levels of a random sampling of the dried flowering tops of the industrial hemp grown.

(1) Sampling shall occur as soon as practicable when the THC content of the leaves surrounding the seeds is at its peak and shall commence as the seeds begin to mature, when the first seeds of approximately 50 percent of the plants are resistant to compression.

(2) The entire fruit-bearing part of the plant including the seeds shall be used as a sample. The sample cut shall be made directly underneath the inflorescence found in the top one-third of the plant.

(3) The sample collected for THC testing shall be accompanied by the following documentation:

(A) The registrant's proof of registration.

(B) Seed certification documentation for the seed cultivar used.

(C) The THC testing report for each certified seed cultivar used.

(4) The laboratory test report shall be issued by a laboratory registered with the federal Drug Enforcement Administration, shall state the percentage content of THC,

shall indicate the date and location of samples taken, and shall state the Global Positioning System coordinates and total acreage of the crop. If the laboratory test report indicates a percentage content of THC that is equal to or less than three-tenths of 1 percent, the words "PASSED AS CALIFORNIA INDUSTRIAL HEMP" shall appear at or near the top of the laboratory test report. If the laboratory test report indicates a percentage content of THC that is greater than three-tenths of 1 percent, the words "FAILED AS CALIFORNIA INDUSTRIAL HEMP" shall appear at or near the top of the laboratory test report.

(5) If the laboratory test report indicates a percentage content of THC that is equal to or less than three-tenths of 1 percent, the laboratory shall provide the person who requested the testing not less than 10 original copies signed by an employee authorized by the laboratory and shall retain one or more original copies of the laboratory test report for a minimum of two years from its date of sampling.

(6) If the laboratory test report indicates a percentage content of THC that is greater than three-tenths of 1 percent and does not exceed 1 percent, the registrant that grows industrial hemp shall submit additional samples for testing of the industrial hemp grown.

(7) A registrant that grows industrial hemp shall destroy the industrial hemp grown upon receipt of a first laboratory test report indicating a percentage content of THC that exceeds 1 percent or a second laboratory test report pursuant to paragraph (6) indicating a percentage content of THC that exceeds three-tenths of 1 percent but is less than 1 percent. If the percentage content of THC exceeds 1 percent, the destruction shall take place within 48 hours after receipt of the laboratory test report. If the percentage content of THC in the second laboratory test report exceeds three-tenths of 1 percent but is less than 1 percent, the destruction shall take place as soon as practicable, but no later than 45 days after receipt of the second test report.

(8) A registrant that intends to grow industrial hemp and who complies with this section shall not be prosecuted for the cultivation or possession of marijuana as a result of a laboratory test report that indicates a percentage content of THC that is greater than three-tenths of 1 percent but does not exceed 1 percent.

(9) Established agricultural research institutions shall be permitted to cultivate or possess industrial hemp with a laboratory test report that indicates a percentage content of THC that is greater than three-tenths of 1 percent if that cultivation or possession contributes to the development of types of industrial hemp that will comply with the three-tenths of 1 percent THC limit established in this division.

(10) Except for an established agricultural research institution, a registrant that grows industrial hemp shall retain an original signed copy of the laboratory test report for two years from its date of sampling, make an original signed copy of the laboratory test report available to the department, the commissioner, or law enforcement officials or their designees upon request, and shall provide an original copy of the laboratory test report to each person purchasing, transporting, or otherwise obtaining from the registrant that grows industrial hemp the fiber, oil, cake, or seed, or any component of the seed, of the plant.

(g) If, in the Attorney General's opinion issued pursuant to Section 8 of the act that added this division, it is determined that the provisions of this section are not sufficient to comply with federal law, the department, in

consultation with the board, shall establish procedures for this section that meet the requirements of federal law.

SEC. 9.4. Section 81007 of the Food and Agricultural Code is repealed.

~~81007. (a) Except as provided in subdivision (b) or as necessary to perform testing pursuant to subdivision (f) of Section 81006, the possession, outside of a field of lawful cultivation, of resin, flowering tops, or leaves that have been removed from the hemp plant is prohibited.~~

~~(b) The presence of a de minimis amount, or insignificant number, of hemp leaves or flowering tops in hemp bales that result from the normal and appropriate processing of industrial hemp shall not constitute possession of marijuana.~~

SEC. 9.5. Section 81008 of the Food and Agricultural Code is amended to read:

81008. *Attorney General Reports; Requirements.*

(a) Not later than January 1, 2019, ~~or five years after the provisions of this division are authorized under federal law, whichever is later,~~ the Attorney General shall report to the Assembly and Senate Committees on Agriculture and the Assembly and Senate Committees on Public Safety the reported incidents, if any, of the following:

(2) Claims in a court hearing by persons other than those exempted in subdivision (f) of Section 81006 that marijuana is industrial hemp.

(b) A report submitted pursuant to subdivision (a) shall be submitted in compliance with Section 9795 of the Government Code.

(c) Pursuant to Section 10231.5 of the Government Code, this section is repealed on January 1, 2023, or four years after the date that the report is due, whichever is later.

SEC. 9.6. Section 81010 of the Food and Agricultural Code is amended to read:

81010. *Operation of Division.*

(a) This division, ~~and Section 221 shall not become operative unless authorized under federal law on January 1, 2017.~~

(b) The possession, use, purchase, sale, production, manufacture, packaging, labeling, transporting, storage, distribution, use, and transfer of industrial hemp shall be regulated in accordance with this division. The Bureau of Marijuana Control has authority to regulate and control plants and products that fit within the definition of industrial hemp but that are produced, processed, manufactured, tested, delivered, or otherwise handled pursuant to a license issued under Division 10 (commencing with Section 26000) of the Business and Professions Code.

SEC. 10. Amendment.

This act shall be broadly construed to accomplish its purposes and intent as stated in Section 3. The Legislature may by majority vote amend the provisions of this act contained in Sections 5 to 5.5, inclusive, and Sections 6 to 6.3, inclusive, to implement the substantive provisions of those sections, provided that such amendments are consistent with and further the purposes and intent of this act as stated in Section 3. Amendments to this act that enact protections for employees and other workers of licensees under Sections 6 to 6.3, inclusive, of this act

that are in addition to the protections provided for in this act or that otherwise expand the legal rights of such employees or workers of licensees under Sections 6 to 6.3, inclusive, of this act shall be deemed to be consistent with and further the purposes and intent of this act. The Legislature may by majority vote amend, add, or repeal any provisions to further reduce the penalties for any of the offenses addressed by this act. Except as otherwise provided, the provisions of the act may be amended by a two-thirds vote of the Legislature to further the purposes and intent of the act.

SEC. 11. Construction and Interpretation.

The provisions of this act shall be liberally construed to effectuate the purposes and intent of the Control, Regulate and Tax the Adult Use of Marijuana Act; provided, however, no provision or provisions of this act shall be interpreted or construed in a manner to create a positive conflict with federal law, including the federal Controlled Substances Act, such that the provision or provisions of this act and federal law cannot consistently stand together.

SEC. 12. Severability.

If any provision in this act, or part thereof, or the application of any provision or part to any person or circumstance is held for any reason to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions of this act are severable.

SEC. 13. Conflicting Initiatives.

In the event that this measure and another measure or measures concerning the control, regulation, and taxation of marijuana, medical marijuana, or industrial hemp appear on the same statewide election ballot, the provisions of the other measure or measures shall be deemed to be in conflict with this measure. In the event that this measure receives a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and the provisions of the other measure shall be null and void.

PROPOSITION 65

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure adds sections to the Public Resources Code; therefore, new provisions proposed to be added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

SECTION 1. Title.

This act shall be known and may be cited as the Environmental Fee Protection Act.

SEC. 2. Findings and Declarations.

The people of the State of California find and declare as follows:

(a) In 2014, the California State Legislature enacted a ban on plastic carryout bags after lobbying by special interests including the California Grocers Association.

(b) The law further mandated that stores sell every paper or reusable carryout bag they provide to consumers for a minimum of 10 cents. Stores can charge even more if they so choose, and the grocers and retailers are specifically

64

65

required by the law to keep these mandated sales charges as extra revenue.

(c) None of the sales charges on carryout bags required by state law will go to environmental purposes. The Legislature specifically wrote the law in such a way as to make these sales charges additional revenue to grocers and retailers.

(d) This special interest deal will provide grocers and retailers over \$400 million in added revenue every year—all at the expense of California consumers and with little or no benefit to the environment.

(e) The people of California have every right to expect that any sales charges on carryout bags they are required by state law to pay are dedicated to protecting the environment, not enriching corporations.

SEC. 3. Statement of Purpose.

The purpose of the Environmental Fee Protection Act is to fulfill Californians' expectations by requiring that any charges on carryout bags paid by consumers in connection with, or to advance, any plastic bag ban are dedicated to appropriate and worthy environmental objectives like drought mitigation, recycling, clean drinking water supplies, parks, beach cleanup, litter removal, and wildlife habitat restoration.

SEC. 4. Chapter 5.2 (commencing with Section 42270) is added to Part 3 of Division 30 of the Public Resources Code, to read:

*CHAPTER 5.2. CARRYOUT BAG CHARGES:
ENVIRONMENTAL PROTECTION AND ENHANCEMENT*

42270. This chapter shall be known, and may be cited, as the Environmental Fee Protection Act.

42271. (a) Notwithstanding any other provision of law, all moneys generated or collected by a store pursuant to a state law that bans free distribution of any type of carryout bag, and mandates the sale of any other type of carryout bag, shall be deposited into the Environmental Protection and Enhancement Fund, which is established in the State Treasury and administered by the Wildlife Conservation Board pursuant to Section 42272.

(b) For purposes of this chapter:

(1) "Store" means a retail establishment that meets any of the following requirements:

(A) A full-line, self-service retail store with gross annual sales of two million dollars (\$2,000,000) or more that sells a line of dry groceries, canned goods, or nonfood items, and some perishable items.

(B) Has at least 10,000 square feet of retail space that generates sales or use tax pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law (Part 1.5 (commencing with Section 7200) of Division 2 of the Revenue and Taxation Code) and has a pharmacy licensed pursuant to Chapter 9 (commencing with Section 4000) of Division 2 of the Business and Professions Code.

(C) Is a convenience food store, foodmart, or other entity that is engaged in the retail sale of a limited line of goods, generally including milk, bread, soda, and snack foods, and that holds a Type 20 or Type 21 license issued by the Department of Alcoholic Beverage Control.

(D) Is a convenience food store, foodmart, or other entity that is engaged in the retail sale of goods intended to be consumed off the premises, and that holds a Type 20 or Type 21 license issued by the Department of Alcoholic Beverage Control.

(2) "State law" means any statute, law, regulation, or other legal authority adopted, enacted, or implemented before or after the effective date of this section by the State of California or any agency or department thereof.

(3) "Carryout bag" means single-use carryout bags, paper bags, recycled paper bags, plastic bags, recyclable plastic bags, reusable plastic bags, compostable bags, reusable grocery bags, or any other kind of bags used to carry purchased items away from a store.

(c) (1) The Wildlife Conservation Board may adopt regulations, and coordinate or contract with other state or local agencies, in furtherance of the administration and implementation of subdivision (a) of this section, Section 42272, and Section 42273.

(2) Notwithstanding any other provision of law, a loan in the amount of five hundred thousand dollars (\$500,000) is hereby made from the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Fund of 2006 (Section 75009) to the Wildlife Conservation Board for the purpose of adopting regulations for the administration and implementation of subdivision (a) of this section, Section 42272, and Section 42273. If the moneys in the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Fund of 2006 are insufficient to make the loan required by this paragraph, then the loan shall be made from the Water Quality, Supply, and Infrastructure Improvement Fund of 2014 (Section 79715 of the Water Code). All moneys deposited into the Environmental Protection and Enhancement Fund shall first be used to repay the loan until the full loan amount is repaid. The Controller and all other responsible state officials shall take all actions necessary to effectuate the loan required by this paragraph.

42272. (a) The Environmental Protection and Enhancement Fund is hereby established in the State Treasury.

(b) Notwithstanding any other provision of law, the Environmental Protection and Enhancement Fund is a trust fund established solely to carry out the purposes of this chapter. Notwithstanding Section 13340 of the Government Code, all moneys deposited in the fund, together with interest earned by the fund, are hereby continuously appropriated, without regard to fiscal years, to the Wildlife Conservation Board solely for the purposes set forth in subdivision (c).

(c) The Wildlife Conservation Board shall use the moneys in the Environmental Protection and Enhancement Fund to fund environmental protection and enhancement grants. Projects and programs eligible for grants are as follows:

(1) Drought mitigation projects including, but not limited to, drought-stressed forest remediation and projects that expand or restore wetlands, fish habitat, or waterfowl habitat.

(2) Recycling.

(3) Clean drinking water supplies.

(4) State, regional, and local parks.

(5) Beach cleanup.

(6) Litter removal.

(7) Wildlife habitat restoration.

(d) The Wildlife Conservation Board shall use no more than 2 percent of the moneys in the Environmental Protection and Enhancement Fund for administrative

expenses. Grant recipients shall use no more than 5 percent of any moneys received for administrative expenses.

(e) Prior to disbursing any grants pursuant to this chapter, the Wildlife Conservation Board shall develop project solicitation and evaluation guidelines. The guidelines may include a limitation on the dollar amounts of grants to be awarded. Prior to finalizing the guidelines, the Wildlife Conservation Board shall post the draft guidelines on its Internet Web site and conduct three public hearings to consider public comments. One public hearing shall be held in Northern California, one hearing shall be held in the Central Valley, and one hearing shall be held in Southern California.

(f) (1) The nonpartisan California State Auditor shall conduct a biennial independent financial audit of the programs receiving funds pursuant to this chapter. The California State Auditor shall report its findings to the Governor and both houses of the Legislature, and shall make the findings available to the public on its Internet Web site.

(2) (A) The California State Auditor shall be reimbursed from moneys in the Environmental Protection and Enhancement Fund for actual costs incurred in conducting the biennial audits required by this subdivision, in an amount not to exceed four hundred thousand dollars (\$400,000) per audit.

(B) The four hundred thousand dollar (\$400,000) per audit maximum limit shall be adjusted biennially to reflect any increase or decrease in inflation as measured by the Consumer Price Index for All Urban Consumers (CPI-U). The Treasurer's office shall calculate and publish the adjustments required by this paragraph.

42273. (a) Notwithstanding any other law, local governments may require moneys generated or collected pursuant to any local law that bans free distribution of any type of carryout bag, and mandates the sale of any other type of carryout bag, to be deposited into the Environmental Protection and Enhancement Fund and used for the purposes set forth in Section 42272.

(b) For purposes of this section, "local law" means any ordinance, resolution, law, regulation, or other legal authority adopted, enacted, or implemented by any city, county, city and county, charter city, charter county, special district, school district, community college, or other local or regional governmental entity.

SEC. 5. Liberal Construction.

This act shall be liberally construed in order to effectuate its purposes.

SEC. 6. Conflicting Measures.

(a) In the event that this measure and another measure or measures relating to the use of moneys generated or collected by stores pursuant to laws that ban free distribution, and mandates the sale, of any or all types of carryout bags shall appear on the same statewide election ballot, the other measure or measures shall be deemed to be in conflict with this measure. In the event that this measure receives a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and the provisions of the other measure or measures shall be null and void.

(b) If this measure is approved by the voters but superseded in whole or in part by any other conflicting initiative approved by the voters at the same election, and such

conflicting initiative is later held invalid, this measure shall be self-executing and given full force and effect.

SEC. 7. Severability.

The provisions of this act are severable. If any portion, section, subdivision, paragraph, clause, sentence, phrase, word, or application of this act is for any reason held to be invalid by a decision of any court of competent jurisdiction, that decision shall not affect the validity of the remaining portions of this act. The people of the State of California hereby declare that they would have adopted this act and each and every portion, section, subdivision, paragraph, clause, sentence, phrase, word, and application not declared invalid or unconstitutional without regard to whether any portion of this act or application thereof would be subsequently declared invalid.

SEC. 8. Legal Defense.

If this act is approved by the voters of the State of California and thereafter subjected to a legal challenge alleging a violation of federal law, and both the Governor and Attorney General refuse to defend this act, then the following actions shall be taken:

(a) Notwithstanding anything to the contrary contained in Chapter 6 (commencing with Section 12500) of Part 2 of Division 3 of Title 2 of the Government Code or any other law, the Attorney General shall appoint independent counsel to faithfully and vigorously defend this act on behalf of the State of California.

(b) Before appointing or thereafter substituting independent counsel, the Attorney General shall exercise due diligence in determining the qualifications of independent counsel and shall obtain written affirmation from independent counsel that independent counsel will faithfully and vigorously defend this act. The written affirmation shall be made publicly available upon request.

(c) A continuous appropriation is hereby made from the General Fund to the Controller, without regard to fiscal years, in an amount necessary to cover the costs of retaining independent counsel to faithfully and vigorously defend this act on behalf of the State of California.

PROPOSITION 66

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

This initiative measure amends and adds sections to the Government Code and the Penal Code; therefore, existing provisions proposed to be deleted are printed in ~~strikeout type~~ and new provisions proposed to be added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

SECTION 1. Short Title.

This Act shall be known and may be cited as the Death Penalty Reform and Savings Act of 2016.

SEC. 2. Findings and Declarations.

1. California's death penalty system is ineffective because of waste, delays, and inefficiencies. Fixing it will save California taxpayers millions of dollars every year. These wasted taxpayer dollars would be better used for crime prevention, education, and services for the elderly and disabled.

65

66

2. Murder victims and their families are entitled to justice and due process. Death row killers have murdered over 1,000 victims, including 229 children and 43 police officers; 235 victims were raped and 90 victims were tortured.

3. Families of murder victims should not have to wait decades for justice. These delays further victimize the families who are waiting for justice. For example, serial killer Robert Rhoades, who kidnapped, raped, tortured, and murdered 8-year-old Michael Lyons and also raped and murdered Bay Area high school student Julie Connell, has been sitting on death row for over 16 years. Hundreds of killers have sat on death row for over 20 years.

4. In 2012, the Legislative Analyst's Office found that eliminating special housing for death row killers will save tens of millions of dollars every year. These savings could be invested in our schools, law enforcement, and communities to keep us safer.

5. Death row killers should be required to work in prison and pay restitution to their victims' families consistent with the Victims' Bill of Rights (Marsy's Law). Refusal to work and pay restitution should result in loss of special privileges.

6. Reforming the existing inefficient appeals process for death penalty cases will ensure fairness for both defendants and victims. Right now, capital defendants wait five years or more for appointment of their appellate lawyer. By providing prompt appointment of attorneys, the defendants' claims will be heard sooner.

7. A defendant's claim of actual innocence should not be limited, but frivolous and unnecessary claims should be restricted. These tactics have wasted taxpayer dollars and delayed justice for decades.

8. The state agency that is supposed to expedite secondary review of death penalty cases is operating without any effective oversight, causing long-term delays and wasting taxpayer dollars. California Supreme Court oversight of this state agency will ensure accountability.

9. Bureaucratic regulations have needlessly delayed enforcement of death penalty verdicts. Eliminating wasteful spending on repetitive challenges to these regulations will result in the fair and effective implementation of justice.

10. The California Constitution gives crime victims the right to timely justice. A capital case can be fully and fairly reviewed by both the state and federal courts within ten years. By adopting state rules and procedures, victims will receive timely justice and taxpayers will save hundreds of millions of dollars.

11. California's Death Row includes serial killers, cop killers, child killers, mass murderers, and hate crime killers. The death penalty system is broken, but it can and should be fixed. This initiative will ensure justice for both victims and defendants, and will save hundreds of millions of taxpayer dollars.

SEC. 3. Section 190.6 of the Penal Code is amended to read:

190.6. (a) The Legislature finds that the sentence in all capital cases should be imposed expeditiously.

(b) Therefore, in all cases in which a sentence of death has been imposed on or after January 1, 1997, the opening appellate brief in the appeal to the State Supreme Court shall be filed no later than seven months after the

certification of the record for completeness under subdivision (d) of Section 190.8 or receipt by the appellant's counsel of the completed record, whichever is later, except for good cause. However, in those cases where the trial transcript exceeds 10,000 pages, the briefing shall be completed within the time limits and pursuant to the procedures set by the rules of court adopted by the Judicial Council.

(c) In all cases in which a sentence of death has been imposed on or after January 1, 1997, it is the Legislature's goal that the appeal be decided and an opinion reaching the merits be filed within 210 days of the completion of the briefing. However, where the appeal and a petition for writ of habeas corpus is heard at the same time, the petition should be decided and an opinion reaching the merits should be filed within 210 days of the completion of the briefing for the petition.

(d) The right of victims of crime to a prompt and final conclusion, as provided in paragraph (9) of subdivision (b) of Section 28 of Article I of the California Constitution, includes the right to have judgments of death carried out within a reasonable time. Within 18 months of the effective date of this initiative, the Judicial Council shall adopt initial rules and standards of administration designed to expedite the processing of capital appeals and state habeas corpus review. Within five years of the adoption of the initial rules or the entry of judgment, whichever is later, the state courts shall complete the state appeal and the initial state habeas corpus review in capital cases. The Judicial Council shall continuously monitor the timeliness of review of capital cases and shall amend the rules and standards as necessary to complete the state appeal and initial state habeas corpus proceedings within the five-year period provided in this subdivision.

~~(d) (e) The failure of the parties or the Supreme Court to meet or comply with the time limit provided by this section shall not be a ground for granting relief from a judgment of conviction or sentence of death of a court to comply with the time limit in subdivision (b) shall not affect the validity of the judgment or require dismissal of an appeal or habeas corpus petition. If a court fails to comply without extraordinary and compelling reasons justifying the delay, either party or any victim of the offense may seek relief by petition for writ of mandate. The court in which the petition is filed shall act on it within 60 days of filing. Paragraph (1) of subdivision (c) of Section 28 of Article I of the California Constitution, regarding standing to enforce victims' rights, applies to this subdivision and subdivision (d).~~

SEC. 4. Section 1227 of the Penal Code is amended to read:

1227. (a) If for any reason other than the pendency of an appeal pursuant to subdivision (b) of Section 1239 of this code a judgment of death has not been executed, and it remains in force, the court in which the conviction was had shall, on application of the district attorney, or may upon its own motion, make and cause to be entered an order appointing a day upon specifying a period of 10 days during which the judgment shall be executed, which must not be less than 30 days nor more than 60 days from the time of making such order, and immediately thereafter. ~~The 10-day period shall begin no less than 30 days after the order is entered and shall end no more than 60 days after the order is entered. Immediately after the order is entered, a certified copy of such the order, attested by the clerk, under the seal of the court, shall, for the purpose of execution, be transmitted by registered mail to the warden~~

of the state prison having the custody of the defendant; provided, that if the defendant be at large, a warrant for his apprehension may be issued, and upon being apprehended, he shall be brought before the court, whereupon the court shall make an order directing the warden of the state prison to whom the sheriff is instructed to deliver the defendant to execute the judgment ~~at a specified time within a period of 10 days~~, which shall not ~~be~~ *begin* less than 30 days nor *end* more than 60 days from the time of making such order.

(b) From an order fixing the time for and directing the execution of such judgment as herein provided, there shall be no appeal.

SEC. 5. Section 1239.1 is added to the Penal Code, to read:

1239.1. (a) It is the duty of the Supreme Court in a capital case to expedite the review of the case. The court shall appoint counsel for an indigent appellant as soon as possible. The court shall only grant extensions of time for briefing for compelling or extraordinary reasons.

(b) When necessary to remove a substantial backlog in appointment of counsel for capital cases, the Supreme Court shall require attorneys who are qualified for appointment to the most serious non-capital appeals and who meet the qualifications for capital appeals to accept appointment in capital cases as a condition for remaining on the court's appointment list. A "substantial backlog" exists for this purpose when the time from entry of judgment in the trial court to appointment of counsel for appeal exceeds 6 months over a period of 12 consecutive months.

SEC. 6. Section 1509 is added to the Penal Code, to read:

1509. (a) This section applies to any petition for writ of habeas corpus filed by a person in custody pursuant to a judgment of death. A writ of habeas corpus pursuant to this section is the exclusive procedure for collateral attack on a judgment of death. A petition filed in any court other than the court which imposed the sentence should be promptly transferred to that court unless good cause is shown for the petition to be heard by another court. A petition filed in or transferred to the court which imposed the sentence shall be assigned to the original trial judge unless that judge is unavailable or there is other good cause to assign the case to a different judge.

(b) After the entry of a judgment of death in the trial court, that court shall offer counsel to the prisoner as provided in Section 68662 of the Government Code.

(c) Except as provided in subdivisions (d) and (g), the initial petition must be filed within one year of the order entered under Section 68662 of the Government Code.

(d) An initial petition which is untimely under subdivision (c) or a successive petition whenever filed shall be dismissed unless the court finds, by the preponderance of all available evidence, whether or not admissible at trial, that the defendant is actually innocent of the crime of which he or she was convicted or is ineligible for the sentence. A stay of execution shall not be granted for the purpose of considering a successive or untimely petition unless the court finds that the petitioner has a substantial claim of actual innocence or ineligibility. "Ineligible for the sentence of death" means that circumstances exist placing that sentence outside the range of the sentencer's discretion. Claims of ineligibility include a claim that none of the special circumstances in subdivision (a) of

Section 190.2 is true, a claim that the defendant was under the age of 18 at the time of the crime, or a claim that the defendant has an intellectual disability, as defined in Section 1376. A claim relating to the sentencing decision under Section 190.3 is not a claim of actual innocence or ineligibility for the purpose of this section.

(e) A petitioner claiming innocence or ineligibility under subdivision (d) shall disclose all material information relating to guilt or eligibility in the possession of the petitioner or present or former counsel for petitioner. If the petitioner willfully fails to make the disclosure required by this subdivision and authorize disclosure by counsel, the petition may be dismissed.

(f) Proceedings under this section shall be conducted as expeditiously as possible, consistent with a fair adjudication. The superior court shall resolve the initial petition within one year of filing unless the court finds that a delay is necessary to resolve a substantial claim of actual innocence, but in no instance shall the court take longer than two years to resolve the petition. On decision of an initial petition, the court shall issue a statement of decision explaining the factual and legal basis for its decision.

(g) If a habeas corpus petition is pending on the effective date of this section, the court may transfer the petition to the court which imposed the sentence. In a case where a judgment of death was imposed prior to the effective date of this section, but no habeas corpus petition has been filed prior to the effective date of this section, a petition that would otherwise be barred by subdivision (c) may be filed within one year of the effective date of this section or within the time allowed under prior law, whichever is earlier.

SEC. 7. Section 1509.1 is added to the Penal Code, to read:

1509.1. (a) Either party may appeal the decision of a superior court on an initial petition under Section 1509 to the court of appeal. An appeal shall be taken by filing a notice of appeal in the superior court within 30 days of the court's decision granting or denying the habeas petition. A successive petition shall not be used as a means of reviewing a denial of habeas relief.

(b) The issues considered on an appeal under subdivision (a) shall be limited to the claims raised in the superior court, except that the court of appeal may also consider a claim of ineffective assistance of trial counsel if the failure of habeas counsel to present that claim to the superior court constituted ineffective assistance. The court of appeal may, if additional findings of fact are required, make a limited remand to the superior court to consider the claim.

(c) The people may appeal the decision of the superior court granting relief on a successive petition. The petitioner may appeal the decision of the superior court denying relief on a successive petition only if the superior court or the court of appeal grants a certificate of appealability. A certificate of appealability may issue under this subdivision only if the petitioner has shown both a substantial claim for relief, which shall be indicated in the certificate, and a substantial claim that the requirements of subdivision (d) of Section 1509 have been met. An appeal under this subdivision shall be taken by filing a notice of appeal in the superior court within 30 days of the court's decision. The superior court shall grant or deny a certificate of appealability concurrently with a decision denying relief on the petition. The court of appeal shall grant or deny a

request for a certificate of appealability within 10 days of an application for a certificate. The jurisdiction of the court of appeal is limited to the claims identified in the certificate and any additional claims added by the court of appeal within 60 days of the notice of appeal. An appeal under this subdivision shall have priority over all other matters and be decided as expeditiously as possible.

SEC. 8. Section 2700.1 is added to the Penal Code, to read:

2700.1. Section 2700 applies to inmates sentenced to death, except as otherwise provided in this section.

Every person found guilty of murder, sentenced to death, and held by the Department of Corrections and Rehabilitation pursuant to Sections 3600 to 3602 shall be required to work as many hours of faithful labor each day he or she is so held as shall be prescribed the rules and regulations of the department.

Physical education and physical fitness programs shall not qualify as work for purposes of this section. The Department of Corrections and Rehabilitation may revoke the privileges of any condemned inmate who refuses to work as required by this section.

In any case where the condemned inmate owes a restitution fine or restitution order, the Secretary of the Department of Corrections and Rehabilitation shall deduct 70 percent or the balance owing, whichever is less, from the condemned inmate's wages and trust account deposits, regardless of the source of the income, and shall transfer those funds to the California Victim Compensation and Government Claims Board according to the rules and regulations of the Department of Corrections and Rehabilitation, pursuant to Sections 2085.5 and 2717.8.

SEC. 9. Section 3600 of the Penal Code is amended to read:

3600. (a) Every male person, upon whom has been imposed the judgment of death, shall be delivered to the warden of the California state prison designated by the department for the execution of the death penalty, there to be kept until the execution of the judgment, except as provided in subdivision (b). ~~The inmate shall be kept in a California prison until execution of the judgment. The department may transfer the inmate to another prison which it determines to provide a level of security sufficient for that inmate. The inmate shall be returned to the prison designated for execution of the death penalty after an execution date has been set.~~

(b) Notwithstanding any other provision of law:

(1) A condemned inmate who, while in prison, commits any of the following offenses, or who, as a member of a gang or disruptive group, orders others to commit any of these offenses, may, following disciplinary sanctions and classification actions at San Quentin State Prison, pursuant to regulations established by the Department of Corrections, be housed in secure condemned housing designated by the Director of Corrections, at the California State Prison, Sacramento:

(A) Homicide.

(B) Assault with a weapon or with physical force capable of causing serious or mortal injury.

(C) Escape with force or attempted escape with force.

(D) Repeated serious rules violations that substantially threaten safety or security.

(2) The condemned housing program at California State Prison, Sacramento, shall be fully operational prior to the transfer of any condemned inmate.

(3) Specialized training protocols for supervising condemned inmates shall be provided to those line staff and supervisors at the California State Prison, Sacramento, who supervise condemned inmates on a regular basis.

(4) An inmate whose medical or mental health needs are so critical as to endanger the inmate or others may, pursuant to regulations established by the Department of Corrections, be housed at the California Medical Facility or other appropriate institution for medical or mental health treatment. The inmate shall be returned to the institution from which the inmate was transferred when the condition has been adequately treated or is in remission.

(c) When housed pursuant to subdivision (b) the following shall apply:

(1) Those local procedures relating to privileges and classification procedures provided to Grade B condemned inmates at San Quentin State Prison shall be similarly instituted at California State Prison, Sacramento, for condemned inmates housed pursuant to paragraph (1) of subdivision (b) of Section 3600. Those classification procedures shall include the right to the review of a classification no less than every 90 days and the opportunity to petition for a return to San Quentin State Prison.

(2) Similar attorney-client access procedures that are afforded to condemned inmates housed at San Quentin State Prison shall be afforded to condemned inmates housed in secure condemned housing designated by the Director of Corrections, at the California State Prison, Sacramento. Attorney-client access for condemned inmates housed at an institution for medical or mental health treatment shall be commensurate with the institution's visiting procedures and appropriate treatment protocols.

(3) A condemned inmate housed in secure condemned housing pursuant to subdivision (b) shall be returned to San Quentin State Prison at least 60 days prior to his scheduled date of execution.

(4) No more than 15 condemned inmates may be rehoused pursuant to paragraph (1) of subdivision (b).

(d) Prior to any relocation of condemned row from San Quentin State Prison, whether proposed through legislation or any other means, all maximum security Level IV, 180-degree housing unit facilities with an electrified perimeter shall be evaluated by the Department of Corrections for suitability for the secure housing and execution of condemned inmates.

SEC. 10. Section 3604 of the Penal Code is amended to read:

3604. (a) The punishment of death shall be inflicted by the administration of a lethal gas or by an intravenous injection of a substance or substances in a lethal quantity sufficient to cause death, by standards established under the direction of the Department of Corrections *and Rehabilitation*.

(b) Persons sentenced to death prior to or after the operative date of this subdivision shall have the opportunity to elect to have the punishment imposed by lethal gas or lethal injection. This choice shall be made in writing and shall be submitted to the warden pursuant to regulations established by the Department of Corrections *and Rehabilitation*. If a person under sentence of death does

not choose either lethal gas or lethal injection within 10 days after the warden's service upon the inmate of an execution warrant issued following the operative date of this subdivision, the penalty of death shall be imposed by lethal injection.

(c) Where the person sentenced to death is not executed on the date set for execution and a new execution date is subsequently set, the inmate again shall have the opportunity to elect to have punishment imposed by lethal gas or lethal injection, according to the procedures set forth in subdivision (b).

(d) Notwithstanding subdivision (b), if either manner of execution described in subdivision (a) is held invalid, the punishment of death shall be imposed by the alternative means specified in subdivision (a).

(e) *The Department of Corrections and Rehabilitation, or any successor agency with the duty to execute judgments of death, shall maintain at all times the ability to execute such judgments.*

SEC. 11. Section 3604.1 is added to the Penal Code, to read:

3604.1. (a) *The Administrative Procedure Act shall not apply to standards, procedures, or regulations promulgated pursuant to Section 3604. The department shall make the standards adopted under subdivision (a) of that section available to the public and to inmates sentenced to death. The department shall promptly notify the Attorney General, the State Public Defender, and counsel for any inmate for whom an execution date has been set or for whom a motion to set an execution date is pending of any adoption or amendment of the standards. Noncompliance with this subdivision is not a ground for stay of an execution or an injunction against carrying out an execution unless the noncompliance has actually prejudiced the inmate's ability to challenge the standard, and in that event the stay shall be limited to a maximum of 10 days.*

(b) *Notwithstanding subdivision (a) of Section 3604, an execution by lethal injection may be carried out by means of an injection other than intravenous if the warden determines that the condition of the inmate makes intravenous injection impractical.*

(c) *The court which rendered the judgment of death has exclusive jurisdiction to hear any claim by the condemned inmate that the method of execution is unconstitutional or otherwise invalid. Such a claim shall be dismissed if the court finds its presentation was delayed without good cause. If the method is found invalid, the court shall order the use of a valid method of execution. If the use of a method of execution is enjoined by a federal court, the Department of Corrections and Rehabilitation shall adopt, within 90 days, a method that conforms to federal requirements as found by that court. If the department fails to perform any duty needed to enable it to execute the judgment, the court which rendered the judgment of death shall order it to perform that duty on its own motion, on motion of the District Attorney or Attorney General, or on motion of any victim of the crime as defined in subdivision (e) of Section 28 of Article I of the California Constitution.*

SEC. 12. Section 3604.3 is added to the Penal Code, to read:

3604.3. (a) *A physician may attend an execution for the purpose of pronouncing death and may provide advice to the department for the purpose of developing an execution protocol to minimize the risk of pain to the inmate.*

(b) *The purchase of drugs, medical supplies or medical equipment necessary to carry out an execution shall not be subject to the provisions of Chapter 9 (commencing with Section 4000) of Division 2 of the Business and Professions Code, and any pharmacist, or supplier, compounder, or manufacturer of pharmaceuticals is authorized to dispense drugs and supplies to the secretary or the secretary's designee, without prescription, for carrying out the provisions of this chapter.*

(c) *No licensing board, department, commission, or accreditation agency that oversees or regulates the practice of health care or certifies or licenses health care professionals may deny or revoke a license or certification, censure, reprimand, suspend, or take any other disciplinary action against any licensed health care professional for any action authorized by this section.*

SEC. 13. Section 68660.5 is added to the Government Code, to read:

68660.5. *The purposes of this chapter are to qualify the State of California for the handling of federal habeas corpus petitions under Chapter 154 of Title 28 of the United States Code, to expedite the completion of state habeas corpus proceedings in capital cases, and to provide quality representation in state habeas corpus for inmates sentenced to death. This chapter shall be construed and administered consistently with those purposes.*

The report shall list all cases in which the center is providing representation. For each case that has been pending more than one year in any court, the report shall state the reason for the delay and the actions the center is taking to bring the case to completion.~~

SEC. 15. Section 68661.1 is added to the Government Code, to read:

68661.1. (a) The center may represent a person sentenced to death on a federal habeas corpus petition if and only if (1) the center was appointed to represent that person on state habeas corpus, (2) the center is appointed for that purpose by the federal court, and (3) the executive director determines that compensation from the federal court will fully cover the cost of representation. Neither the center nor any other person or entity receiving state funds shall spend state funds to attack in federal court any judgment of a California court in a capital case, other than review in the Supreme Court pursuant to Section 1257 of Title 28 of the United States Code.

(b) The center is not authorized to represent any person in any action other than habeas corpus which constitutes a collateral attack on the judgment or seeks to delay or prevent its execution. SEC. 17. Section 68664 of the Government Code is amended to read:

68664. (a) The center shall be managed by an executive director who shall be responsible for the day-to-day operations of the center.
