

Political Party Statements of Purpose

★ Libertarian Party ★

If you are socially tolerant and fiscally responsible, then you're a libertarian.

Libertarian solutions are the most practical, workable, and fair for strengthening our economy and governing our state. If they had been implemented during the last ten years, California would have a robust economy and desirable living conditions based on:

- Thriving private enterprises
- Parental choice in educating their children
- Competitive private healthcare insurance
- Public pensions that don't bankrupt local and district governments
- Laws that apply to all Californians equally, including California's elected officials

Libertarians work to:

- Shrink government operations, thus reducing government expenses and lowering taxes (there are over 300 tax-supported

government agencies that can be closed without endangering government operation, public safety, education, healthcare, and retirement) • Reform public employee pensions that are bankrupting cities, counties and the state • Privatize government services that are best delivered by cost-effective providers • Promote private business development that creates jobs • Guarantee equal treatment under the law for all Californians • Regulate marijuana like wine for adults, making it less available to minors • Adopt a part-time Legislature

Libertarian Party candidates will make these reforms if you support and elect them.

★ Republican Party ★

The California Republican Party seeks to end the status quo in Sacramento and restore our state as the nation's leader in economic growth and innovation by cutting taxes, eliminating red tape, and bringing business back to California.

We want to help build a California where people are once again secure because a vibrant economy is creating jobs and opportunities for everyone who is willing and able to work.

Republicans support reforming our bloated and wasteful government, protecting property rights, providing educational choices for every family, and reducing the burden on taxpayers to grow our economy and generate the jobs and opportunities families need.

★ Peace and Freedom Party ★

The Peace and Freedom Party is a working-class party in a country run by and for the wealthy and their corporations. We should not have to sacrifice our health, our livelihoods and our planet for our bosses' profits. We can tax the rich, whose wealth is created by workers, to pay for society's needs. We favor:

- Decent jobs and labor rights for all
- Free education for all, preschool through university
- Free universal health care
- Comprehensive services for disabled people
- Bring the troops home
- End all discrimination. Marriage equality
- Full rights for immigrants
- Restore and protect the environment
- Real democracy and fair political representation. The "top two" law has

taken most parties off the general election ballot. We must end it. Please vote for Adam Shbeita for Congress in the 44th District.

While our system puts the wealthy first, we will suffer war, police brutality, low wages, unsafe workplaces and pollution. We advocate socialism, the ownership and democratic control of the economy by working people. If we join together to take back our industries and natural resources, we can work together for the common good, rather than being slaves to the rich and their corporations.

★ Democratic Party ★

Democrats believe the success of California's economy is rooted in the well-being of working families, not with Wall Street banks.

In California, under the leadership of Governor Jerry Brown, Democratic policy solutions have delivered a balanced budget, stopped the cuts to education and expanded access to affordable health care for families.

Democrats are working to fight global warming, increase investment in renewable energy sources and to keep college affordable for the middle class.

California Democratic Party
John L. Burton, *Chairman*
1830 9th Street
Sacramento, CA 95811

We believe that schools and local public safety are important priorities that must be protected.

Democrats know that our state works best when all Californians are given the same opportunity to succeed, no matter their race, religion, ethnicity or sexual orientation.

With your help, Democrats will continue to develop bold, innovative solutions to meet both our state and our nation's challenges.
