# QUICK-REFERENCE GUIDE

**PROP 13** AUTHORIZES BONDS FOR FACILITY REPAIR, CONSTRUCTION, AND MODERNIZATION AT PUBLIC PRESCHOOLS, K-12 SCHOOLS, COMMUNITY COLLEGES, AND UNIVERSITIES. LEGISLATIVE STATUTE.

**SUMMARY** *Put on the Ballot by the Legislature*

Authorizes \$15 billion in state general obligation bonds for construction and modernization of public education facilities. Fiscal Impact: Increased state costs to repay bonds estimated at about \$740 million per year (including interest) over the next 35 years.

## WHAT YOUR VOTE MEANS

**YES** A YES vote on this measure means: The state could sell \$15 billion in general obligation bonds to fund school, community college, and university facility projects. In addition, school districts and community college districts would be authorized to issue more local bonds, and school districts would have new limits on their ability to levy developer fees.

**NO** A NO vote on this measure means: The state could not sell \$15 billion in general obligation bonds to fund education facility projects. The state also would not make changes to school districts' and community college districts' existing local borrowing limits or the existing rules for school districts to levy developer fees.

## ARGUMENTS

**PRO** YES on PROP. 13 funds essential repairs to make California public schools safer and healthier. Removal of toxic mold and asbestos from aging classrooms. More school nurse facilities. Cleaner drinking water. Fire and earthquake safety upgrades. Strong taxpayer controls. Endorsed by firefighters, doctors, nurses, and teachers. For California's children. [YesonProp13.com](http://YesonProp13.com)

**CON** This measure authorizes \$15 billion in borrowing, costing taxpayers \$27 billion including interest, to build and repair schools. Borrowing is nearly twice as expensive as paying for school construction from the regular budget, which has a huge \$21 billion surplus. This is just more government waste. Vote no.

# OVERVIEW OF STATE BOND DEBT

PREPARED BY THE LEGISLATIVE ANALYST

This section describes the state's bond debt. It also discusses how the bond measure on the ballot (Proposition 13), if approved by voters, would affect state costs to repay bonds.

## State Bonds and Their Costs

**What Are Bonds?** Bonds are a way that governments and companies borrow money. The state government uses bonds primarily to pay for the planning, construction, and renovation of infrastructure projects such as bridges, dams, prisons, parks, schools, and office buildings. The state sells bonds to investors to receive “up-front” funding for these projects and then repays the investors, with interest, over a period of time.

**Why Are Bonds Used?** A main reason for issuing bonds is that infrastructure typically provides services over many years. Thus, it is reasonable for people, both currently and in the future, to help pay for the projects. Also, the large costs of these projects can be difficult to pay for all at once.

**What Are the Main Types of Bonds?** The two main types of bonds used by the state are general obligation bonds and revenue bonds. One difference between general obligation bonds and revenue bonds is how they are repaid. The state repays general obligation bonds using the state General Fund (the state's main operating account, which it uses to pay for education, prisons, health care, and other services). The General Fund is supported primarily by income tax and sales tax revenues. The state repays revenue bonds from the General Fund but also from other sources, such as

fees paid by users of the funded project (such as from bridge tolls). Another difference between state general obligation bonds and revenue bonds is how they are approved. General obligation bonds issued by the state have to be approved by voters, while revenue bonds generally do not.

### **What Are the Costs of Bond Financing?**

After selling bonds, the state makes regular payments typically over the next few decades until the bonds are paid off. (This is very similar to the way a family pays off a mortgage.) The state pays somewhat more for projects it funds through bonds than for projects it funds up-front because of interest. The amount of additional cost depends primarily on the interest rate and the time period over which the bonds have to be repaid.

## State Spending on Bonds

**Amount of General Fund Debt.** The state has about \$80 billion of General Fund-supported bonds on which it is making principal and interest payments each year. In addition, the voters and the Legislature have approved about \$42 billion of General Fund-supported bonds that have not yet been sold. Most of these bonds are expected to be sold in the coming years as additional projects need funding. Currently, we estimate that the state is paying about \$6 billion annually from the General Fund to repay bonds.

**Proposition on This Ballot.** There is one general obligation bond measure on this ballot. Proposition 13 would allow the state to borrow \$15 billion for modernization and construction of

# OVERVIEW OF STATE BOND DEBT

CONTINUED

preschool, K–12, and higher education school facilities.

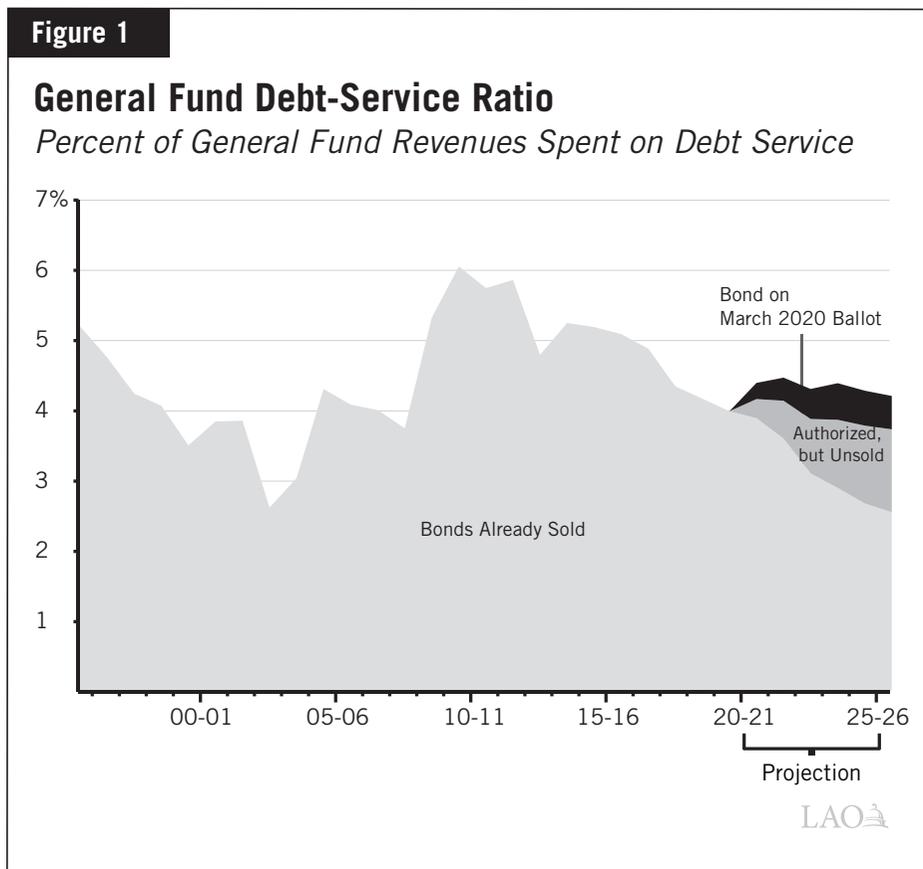

### ***This Election’s Impact on Debt Payments.***

We estimate that the total cost (including interest) to pay off the general obligation bond measure on this ballot would be about \$26 billion. This total would equal an average of about \$740 million per year over the next 35 years, which is about 13 percent more than the state currently spends from the General Fund on its bond debt. The exact costs would depend on the specific details of the bond sales.

### ***This Election’s Impact on the Share of State Revenues Used to Repay Debt.***

One indicator of the state’s debt situation is the portion of the state’s annual General Fund revenues that must be set aside to pay for bond debt. This is known as

the state’s debt-service ratio (DSR). Because these revenues must be used to repay debt, they are not available to spend on other state programs, such as operating colleges or paying for health care. As shown in Figure 1, the DSR is now around 4 percent. If voters do not approve the proposed bond on this ballot, we project that the state’s DSR on already approved bonds will grow over the next couple of years—peaking at about 4.1 percent in 2020–21—and then begin decreasing. If voters approve the proposed general obligation bond on this ballot, we project it would increase the DSR by less than one-half of one percentage point compared to what it would otherwise have been. The state’s future DSR would be higher than shown in the figure if the state and voters approve additional bonds in the future.

# Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

## Party-Nominated/Partisan Offices

Political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A nominated candidate will represent that party as its official candidate for the specific office at the general election and the ballot will reflect an official designation. The top vote-getter for each party at the primary election moves on to the general election. Parties also elect officers of county central committees at the primary election.

A voter can only vote in the primary election of the political party he or she has disclosed a preference for upon registering to vote. However, a political party may allow a person who has declined to disclose a party preference to vote in that party's primary election.

## **Voter-Nominated Offices**

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county Voter Information Guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

## **Nonpartisan Offices**

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

## **Top Contributors to State Candidates and Ballot Measures**

When a committee (a person or group of people who receive or spend money for the purpose of influencing voters to support or oppose candidates or ballot measures) supports or opposes a ballot measure or candidate and raises at least \$1 million, the committee must report its top 10 contributors to the California Fair Political Practices Commission (FPPC). The committee must update the top 10 list when there is any change.

These lists are available on the FPPC website at <http://www.fppc.ca.gov/transparency/top-contributors.html>.

## ★ AMERICAN INDEPENDENT PARTY ★

The American Independent Party is the party of ordered liberty in a nation under God. We believe in strict adherence to written law. We believe the Constitution is the contract America has with itself. Its willful distortion has led to the violation of our Tenth Amendment guaranteed right to limited government—which inevitably requires oppressive taxation. Its faithful application will lift that burden. Freed from the lawless oppression of Progressive rule, we may then compassionately and justly use our energy and ingenuity to provide for ourselves and our families. We will then establish truly free and responsible enterprise and reassert the basic human right to property.

We believe in protecting all human life however weak, defenseless, or disheartened; endorse the family as the essential bulwark of liberty, compassion, responsibility, and industry; and declare the family's right and responsibility to nurture, discipline, and educate their children. We assert the absolute, concurrent Second Amendment guaranteed individual right to self defense coupled with a strong common defense, a common defense which requires a national sovereignty not damaged by imprudent treaties. We oppose all illegal immigration. We support secure borders and immigration policies, inviting the best of the world to join us in freedom.

Peace: •No U.S. wars, sanctions, or coups. •No foreign bases.

Democracy: •Repeal California's "top two" election law.

# Tips for California's Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California's county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at [registertovote.ca.gov](http://registertovote.ca.gov) to ensure that you receive your voting materials in time.
- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.
- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you *must* re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit [sos.ca.gov/elections/voter-registration/military-overseas-voters](http://sos.ca.gov/elections/voter-registration/military-overseas-voters) for more election resources designed especially for you.

## Dates to remember:

**February 18:** last day to register to vote and request your ballot.

**February 25:** last day to update or change how you want to receive your ballot.

**March 3:** Election Day. Mailed ballots must be postmarked on or before Election Day **and** received by your county elections office no later than **March 6**. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.

# Provisional Voting

If your name is not on the voter list at your polling place or vote center, you have the right to vote a provisional ballot.

## What is a provisional ballot?

A provisional ballot is a regular ballot that is placed in a special envelope prior to being put in the ballot box.

## Who casts a provisional ballot?

Provisional ballots are ballots cast by voters who believe they are registered to vote even though their names are not on the official voter registration list at the polling place or vote center.

Vote-by-mail voters may need to cast provisional ballots if the voter wants to vote in person at a polling place or vote center but did not receive their ballot or does not have their ballot with them.

## Will my provisional ballot be counted?

Your provisional ballot will be counted after elections officials have confirmed that you are registered to vote in that county and you did not already vote in that election.

You may vote a provisional ballot at any polling place or vote center in the county in which you are registered to vote; however, only the election contests you are eligible to vote for will be counted.

## How can you check the status of your provisional ballot?

You can check the status of your provisional ballot at [voterstatus.sos.ca.gov](https://voterstatus.sos.ca.gov).

Alternatively, every voter who casts a provisional ballot has the right to find out from their county elections official if the ballot was counted and, if not, the reason why it was not counted.

Visit [sos.ca.gov/elections/ballot-status](https://sos.ca.gov/elections/ballot-status) for a list of county contacts and information on how to check the status of your provisional ballot.

# The Voter's Choice Act

## The Future of Voting in California

If you live in Amador, Butte, Calaveras, El Dorado, Fresno, Los Angeles, Madera, Mariposa, Napa, Nevada, Orange, Sacramento, San Mateo, Santa Clara, or Tuolumne County, you can vote in any vote center in your county. Visit [voterschoice.sos.ca.gov](http://voterschoice.sos.ca.gov). Voters in participating counties will have three choices for how to vote:

**Vote by Mail:** You can mail your completed ballot as soon as you receive it. No postage is required.

**Drop Box:** You can drop off your completed ballot at any county drop box as soon as you receive it. No postage is required.

**Vote Center:** Vote centers will replace polling places. You can vote in person at any vote center in your county. Vote centers will be open for a minimum of 11 days, up to and including Election Day.

At every vote center you can:

- Vote in person
- Register to vote or update your registration
- Drop off your completed ballot
- Get a replacement ballot
- Vote using an accessible voting machine
- Get help and voting materials in multiple languages

### Why the change?

The California Voter's Choice Act became law in 2016 to make voting more convenient and accessible. You can choose how, when, and where you vote.

### When do I vote?

You will receive your ballot in the mail weeks before the election. After completing your ballot, you may return it by mail or at any county drop box or vote center. Vote centers will be open for in-person voting for 11 days, up to and including Election Day.

### Where do I find a drop box or vote center?

You can find a drop box or vote center in your county at [sos.ca.gov/elections/voters-choice-act/vca-voting-locations](http://sos.ca.gov/elections/voters-choice-act/vca-voting-locations).

### What if I don't receive my ballot?

Visit any vote center in your county or call your county elections official to request a replacement.

### What if I'm not in a participating county?

If you live in a county that's not currently participating in the Voter's Choice Act, you will continue to vote either by mail or at a polling place. Contact the Secretary of State's toll-free Voter Hotline at (800) 345-VOTE (8683) for more information.

## How to vote by mail

### Who can vote by mail?

Any registered voter can vote by mail. You must request a vote-by-mail ballot from your county elections official at least 7 days before the election, or you can register as a permanent vote-by-mail voter and a ballot will automatically be mailed to you prior to each election.

If you live in Amador, Butte, Calaveras, El Dorado, Fresno, Madera, Mariposa, Napa, Nevada, Orange, Sacramento, San Mateo, Santa Clara, or Tuolumne County, a vote-by-mail ballot will automatically be mailed to you; visit [voterschoice.sos.ca.gov](http://voterschoice.sos.ca.gov) or see page 28 of this guide for additional information.

### How to get your vote-by-mail ballot

You must request your vote-by-mail ballot no later than **February 25**. **Here's how:**

Fill out the vote-by-mail application in your county Voter Information Guide

**OR**

Go to [vote.ca.gov](http://vote.ca.gov) and fill out the vote-by-mail application

### How to return your vote-by-mail ballot

After marking your choices on your vote-by-mail ballot, place it in the official envelope provided by your county elections office and seal it. **Sign** the envelope where directed. You have multiple options for returning your ballot.

To ensure your ballot arrives by the deadline, return it either:

By mail—must be postmarked on or before **March 3** and received by your county elections office no later than **March 6**. **No postage is required!**

In person—drop off at your county elections office, any vote center or polling place in California, or any ballot drop off location before the polls close at 8:00 p.m. **March 3**.

State law gives voters the freedom to designate anyone they choose to return their vote-by-mail ballots. However, we recommend that you only sign your completed ballot over to someone you trust. And never hand over your vote-by-mail ballot if you have not sealed and signed the back of the return envelope provided by your county elections office.

Even if you receive your vote-by-mail ballot and envelope, you can still vote in person at your polling place on Election Day. Bring your vote-by-mail ballot to the polling place and give it to a poll worker to exchange for a polling place ballot. If you do not have your vote-by-mail ballot and envelope, you may have to vote using a provisional ballot. This ensures that you have not already cast a ballot. (See page 27 of this guide for more information about provisional ballots.)

## Postage pre-paid ballots

'No Stamp, No Problem'—All California vote-by-mail ballot return envelopes now have pre-paid postage, ensuring that voting is free and convenient for all California voters. After you have filled out your vote-by-mail ballot, place it in the return envelope, seal the envelope, sign on the designated line, and place it into the mailbox.

# Assistance for Voters with Disabilities

California is committed to ensuring every voter can cast their ballot privately and independently.

For more detailed information about what assistance your county offers to voters with disabilities, please check out your county Voter Information Guide or contact your county. County contact information is available on page 35 of this guide.

## Voting At a Polling Place or Vote Center

If you need help marking your ballot, you may choose up to two people to help you. This person cannot be:

- your employer or anyone who works for your employer
- your labor union leader or anyone who works for your labor union

*Curbside voting* allows you to park as close as possible to the voting area. Elections officials will bring you a roster to sign, a ballot, and any other voting materials you may need, whether you are actually at a curb or in a car. Contact your county elections office to see if curbside voting is available at your polling place or vote center.

All polling places and vote centers are required to be accessible to voters with disabilities and will have accessible voting machines.

**Vote centers** are available for voters living in Amador, Butte, Calaveras, El Dorado, Fresno, Los Angeles, Madera, Mariposa, Napa, Nevada, Orange, Sacramento, San Mateo, Santa Clara, and Tuolumne counties. See page 28 for more information on the Voter's Choice Act and vote centers.

## Voting At Home

Remote accessible vote-by-mail (RAVBM) systems provide an accessible option for voters with disabilities to receive their ballots at home and mark them independently and privately before sending them back to elections officials. Contact your county elections official for more information.

# Frequently Asked Questions

## Am I registered to vote?

To be eligible to register to vote in California, you must be:

- A United States citizen and a resident of California,
- 18 years old or older on Election Day,
- Not currently in state or federal prison or on parole for the conviction of a felony, and
- Not currently found mentally incompetent to vote by a court.

To check the status of your voter registration, visit [voterstatus.sos.ca.gov](http://voterstatus.sos.ca.gov).

## What if I forgot to register to vote or update my registration?

No Problem! A new law allows you to register to vote and vote until 8:00 p.m. on Election Day at your county elections office or at any vote center or polling place in your county. This process is called Conditional Voter Registration (CVR) and is commonly referred to as Same Day Voter Registration.

Here's how it works:

1. Visit your county elections office, a vote center, or polling place in your county which can be found in your county Voter Information Guide or at [vote.ca.gov](http://vote.ca.gov).
2. Complete a voter registration card.
3. Vote your ballot at your county elections office, vote center, or polling place.
4. Once the county elections official processes your registration and determines you are eligible, you will be registered to vote and your ballot will be counted.
5. Check if your ballot was counted by visiting [voterstatus.sos.ca.gov](http://voterstatus.sos.ca.gov). County elections offices have up until 60 days after Election Day to provide this information.

## Where can I learn about candidates and propositions?

Check out your county Voter Information Guide for information about local candidates and measures. On page 10 of this guide, you will find information about the statewide proposition.

California's voluntary campaign spending limits do not apply to candidates for federal offices including President, U.S. Senate, and the U.S. House of Representatives. All U.S. House of Representatives candidates may buy space for a candidate statement in county Voter Information Guides. Some candidates, however, choose not to buy space for a statement.

State Senate and Assembly candidates may buy space for a candidate statement in the county Voter Information Guides if they agree to keep their campaign spending under a certain dollar amount. State Senate candidates may spend no more than \$930,000 in the primary election. State Assembly candidates may spend no more than \$620,000 in the primary election.

To find the statements from Presidential candidates, visit the Secretary of State's website at [vote.ca.gov](http://vote.ca.gov).

To research campaign contributions for state and local candidates, visit the Secretary of State's website at [powersearch.sos.ca.gov](http://powersearch.sos.ca.gov).

To research campaign contributions for Presidential and Congressional candidates, visit the Federal Election Commission website at [www.fec.gov](http://www.fec.gov).

On the Secretary of State's website you can also:

- Research campaign contributions and lobbying activity

## Where do I vote?

Every county has polling places or vote centers open on Election Day. Many counties also have in-person, early voting locations. To find out the options in your county, visit [vote.ca.gov](http://vote.ca.gov) or check your county Voter Information Guide.

You may also call the Secretary of State's toll-free Voter Hotline at (800) 345-VOTE (8683).

You can also text *Vote* to GOVOTE (468683) to find the location of your polling place.

If you live in Amador, Butte, Calaveras, El Dorado, Fresno, Los Angeles, Madera, Mariposa, Napa, Nevada, Orange, Sacramento, San Mateo, Santa Clara, or Tuolumne County, you can vote in any vote center in your county. Visit [voterschoice.sos.ca.gov](http://voterschoice.sos.ca.gov) or see page 28 of this guide for more information.

## How do I vote by mail?

Any registered voter can vote by mail. You must request a vote-by-mail ballot from your county elections office at least 7 days before the election. Please see page 35 for your county's contact information. You can also register as a permanent vote-by-mail voter, and a ballot will automatically be mailed to you prior to each election.

If you live in Amador, Butte, Calaveras, El Dorado, Fresno, Madera, Mariposa, Napa, Nevada, Orange, Sacramento, San Mateo, Santa Clara, or Tuolumne County, a vote-by-mail ballot will automatically be mailed to you. Visit [voterschoice.sos.ca.gov](http://voterschoice.sos.ca.gov) or see page 28 of this guide for additional information.

## How much is postage for vote by mail?

No stamp, no problem! Postage for vote-by-mail envelopes is pre-paid by the county and free for all voters in California.

## How can I return my vote-by-mail ballot?

After marking your choices on your vote-by-mail ballot, place it in the official envelope provided by your county elections office and seal it. Sign the envelope where directed. You have multiple options for returning your ballot.

To ensure your ballot arrives by the deadline, return it either:

- By mail—must be postmarked on or before March 3 and received by your county elections office no later than March 6. No postage is required!
- In person—drop off at your county elections office, any vote center or polling place in California, or any ballot drop-off location before the polls close at 8:00 p.m. on March 3.
- State law gives voters the freedom to designate anyone they choose to return their vote-by-mail ballots. However, we recommend that you only sign your completed ballot over to someone you trust. Never hand over your vote-by-mail ballot if you have not sealed and signed the back of the return envelope provided by your county elections office.

## If I am signed up to vote by mail, can I still vote in person?

Even if you signed up to vote by mail, you can still vote in person at your polling place on Election Day. Bring your vote-by-mail ballot to the polling place and give it to a poll worker to exchange for a polling place ballot. If you do not have your vote-by-mail ballot and envelope, you may have to vote using a provisional ballot. This ensures that you have not already cast a ballot. (See page 27 of this guide for more information about provisional ballots.)

## Can voters with disabilities vote by mail?

All county elections officials are required to offer an accessible option called remote accessible vote-by-mail (RAVBM). RAVBM allows voters with disabilities to receive their ballots at home and mark them independently and privately before sending them back to elections officials. Contact your county elections official to see if this option is offered in your county.

## How do I know the county received my vote-by-mail ballot?

Check if your ballot was counted by visiting [voterstatus.sos.ca.gov](http://voterstatus.sos.ca.gov). County elections offices have up until 60 days after Election Day to provide this information.

Some county elections offices have signed up for the Secretary of State's new program to track your vote-by-mail ballot. Visit [vote.ca.gov](http://vote.ca.gov) to learn about tracking your ballot.

## Can I get time off from work to vote?

All employees are eligible for paid time off for the purpose of voting if they do not have enough time outside of working hours to vote.

Employees can be given as much time as they need in order to vote, but only a maximum of two hours is paid. Employers may require employees to give advance notice that they will need additional time off for voting. Employers may require time off to be taken only at the beginning or end of the employee's shift.

If you have questions, call the Secretary of State's toll-free Voter Hotline at (800) 345-VOTE (8683).

## **Do I need to show ID to vote?**

In most cases, California voters do not have to show identification before they vote.

You may have to show one form of identification at the polling place if you are voting for the first time after registering by mail or online and you did NOT provide the following on your application:

- State-issued driver license or identification number, or
- The last four digits of your social security number

Following are some of the acceptable types of identification according to state and federal laws:

- Driver license or state-issued identification
- Student identification
- Passport
- Health club identification
- Employee identification
- Insurance plan identification
- Military identification
- Credit card or debit card

For the full list, see “Polling Place ID Requirements” at [sos.ca.gov/elections/hava-id-standards](https://sos.ca.gov/elections/hava-id-standards).

# CENSUS 2020

All Californians count, and we need to be sure that every member of our household, regardless of citizenship status, gets counted in the 2020 Census! That includes infants, renters, family members, and non-family members who live at your address. Learn more about the 2020 Census at [californiacensus.org](http://californiacensus.org).

Census 2020 letters will go out beginning March 12, 2020.  
**Be sure to fill out your census form before April 30, 2020.**
